Notwithstanding any other provision of law or any general or special law to the contrary the time spent on military duty, not exceeding a total of six years, shall be subtracted from the age of any applicant who has passed his or her twenty-ninth birthday, solely for the purpose of permitting qualification as to age and for no other purpose. Such limitations as to age however shall not apply to persons appointed to the positions of counsel, first assistant counsel, assistant counsel, and assistant deputy superintendent for employee relations nor to any person appointed to the bureau of criminal investigation, THE BUREAU OF COUNTERTERRORISM AND INTELLIGENCE, OR THE BUREAU OF CYBER SECURITY, pursuant to section two hundred sixteen of this article nor shall any person be appointed unless he or she has fitness and good moral character and shall have passed a physical and mental examination based upon standards provided by the rules and regulations of the superintendent. Appointments shall be made for a probationary period which, in the case of appointees required to attend and complete a basic training program at the state police academy, shall include such time spent attending the basic school and terminate one year after successful completion thereof. All other sworn members shall be subject to a probationary period of one year from the date of appointment. Following satisfactory completion of the probationary period the member shall be a permanent appointee. Voluntary resignation or withdrawal from the New York state police during such appointment shall be submitted to the superintendent for approval. Reasonable time shall be required to account for all equipment issued or for debts or obligations to the state to be satisfied. Resignation or withdrawal from the division during a time of emergency, so declared by the governor, shall not be approved if contrary to the best interest of the state and shall be a misdemeanor. No sworn member removed from the New York state police shall be eligible for reappointment. The superintendent shall make rules
and regulations subject to approval by the governor for the discipline
and control of the New York state police and for the examination and
qualifications of applicants for appointment as members thereto and such
examinations shall be held and conducted by the superintendent subject
to such rules and regulations. The superintendent is authorized to
charge a fee of twenty dollars as an application fee for any person
applying to take a competitive examination for the position of trooper,

position. The superintendent shall promulgate regulations subject to the
approval of the director of the budget, to provide for a waiver of the
application fee when the fee would cause an unreasonable hardship on the

[(a) Congress and the President have determined that the illicit nuclear activities of the Government of Iran, combined with its development of unconventional weapons and ballistic missiles, and its support of international terrorism, represent a serious threat to the security of the United States, Israel, and other United States allies in Europe, the Middle East, and around the world.

(b) The International Atomic Energy Agency has repeatedly called attention to Iran's unlawful nuclear activities, and, as a result, the United Nations Security Council has adopted a range of sanctions designed to encourage the government of Iran to cease those activities and comply with its obligations under the Treaty on the Non-Proliferation of Nuclear Weapons (commonly known as the "Nuclear Non-Proliferation Treaty").

(c) On July 1, 2010, President Barack Obama signed into law H.R. 2194, the "Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010" (Public Law 111-195), which expressly authorizes states and
local governments to prevent investment in, including prohibiting entry into or renewing contracts with, companies operating in Iran's energy sector with investments that have the result of directly or indirectly supporting the efforts of the government of Iran to achieve nuclear weapons capability.

(d) The serious and urgent nature of the threat from Iran demands that states, local governments, and private institutions work together with the federal government and American allies to do everything possible diplomatically, politically, and economically to prevent Iran from acquiring a nuclear weapons capability.

(e) Respect for human rights in Iran has steadily deteriorated as demonstrated by transparently fraudulent elections and the brutal repression and murder, arbitrary arrests, and show trials of peaceful dissidents.

(f) The concerns of the state of New York regarding Iran are strictly the result of the actions of the government of Iran and should not be construed as enmity towards the Iranian people.

(g) In order to effectively address the need for the governments of this state to respond to the policies of Iran in a uniform fashion, prohibiting contracts with persons engaged in investment activities in the energy sector of Iran must be accomplished on a statewide basis.

(h) It is the intent of the legislature to fully implement the authority granted under Section 202 of the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010 (Public Law 111-195).]

(A) THAT THE ILLICIT NUCLEAR ACTIVITIES OF THE GOVERNMENT OF IRAN, COMBINED WITH ITS DEVELOPMENT OF UNCONVENTIONAL WEAPONS AND BALLISTIC MISSILES, AND ITS SUPPORT OF INTERNATIONAL TERRORISM, REPRESENT A SERIOUS THREAT TO THE SECURITY OF THE STATE OF NEW YORK, ITS CITIZENS AND THEIR PROPERTY;

(C) THAT THE SERIOUS AND URGENT NATURE OF THE THREAT FROM IRAN DEMANDS THAT STATES, LOCAL GOVERNMENTS, AND PRIVATE INSTITUTIONS WORK TOGETHER WITH THE FEDERAL GOVERNMENT AND AMERICAN ALLIES TO DO EVERYTHING POSSIBLE DIPLOMATICALLY, POLITICALLY, AND ECONOMICALLY TO PREVENT IRAN FROM ACQUIRING A NUCLEAR WEAPONS CAPABILITY OR TO OTHERWISE PROMOTE OR ADVANCE TERRORIST ACTIVITIES THAT WILL TARGET OR AFFECT NEW YORK STATE, ITS CITIZENS OR THEIR PROPERTY;

(D) THAT IRAN HAS REPEATEDLY DEMONSTRATED AN INTENT TO PURSUE AND USE NUCLEAR WEAPONS, WEAPONS OF MASS DESTRUCTION, AND TO PROMOTE OR ADVANCE TERRORIST ACTIVITIES ACROSS THE WORLD;
(E) THAT RESPECT FOR HUMAN RIGHTS IN IRAN HAS STEADILY DETERIORATED AS DEMONSTRATED BY TRANSPARENTLY FRAUDULENT ELECTIONS AND THE BRUTAL REPRESSION AND MURDER, ARBITRARY ARRESTS, AND SHOW TRIALS OF PEACEFUL DISSIDENTS;

(F) THAT THE CONCERNS OF THE STATE OF NEW YORK REGARDING IRAN ARE STRICTLY THE RESULT OF THE ACTIONS OF THE GOVERNMENT OF IRAN AND SHOULD NOT BE CONSTRUED AS ENMITY TOWARDS THE IRANIAN PEOPLE;

(G) THAT IN ORDER TO EFFECTIVELY ADDRESS THE NEED FOR THE GOVERNMENTS OF THIS STATE TO RESPOND TO THE POLICIES OF IRAN IN A UNIFORM FASHION, PROHIBITING CONTRACTS WITH PERSONS ENGAGED IN INVESTMENT ACTIVITIES IN THE ENERGY AND FINANCIAL SECTORS OF IRAN MUST BE ACCOMPLISHED ON A STATEWIDE BASIS;

(H) THAT TERRORISTS HAVE CONTINUED TO USE IRAN AS THEIR SAFE HARBOR, THAT THE IRANIAN GOVERNMENT HAS FAILED TO ADDRESS THE SPREAD OF TERRORIST ACTIVITIES, AND THAT HUMAN RIGHTS VIOLATIONS ARE IN IRAN ARE, AND CONTINUE TO BE RAMPANT; AND

(I) THAT THE SERIOUS AND URGENT NATURE OF THE CONTINUED THREAT FROM IRAN, FOR THE STATE OF NEW YORK, ITS CITIZENS AND THEIR PROPERTY, DEMANDS THAT OUR STATE, LOCAL GOVERNMENTS AND PRIVATE INSTITUTIONS WORK TOGETHER TO CONTINUE TO DO ALL WITHIN ITS LEGAL POWER TO ENSURE THAT IRAN DOES NOT HAVE THE RESOURCES TO ACQUIRE NUCLEAR WEAPONS CAPABILITY AND THAT IT CEASE ITS PROMOTION AND ADVANCEMENT OF TERRORIST ACTIVITIES.

program, or under any permanent disability policy or program of an
employer for whom he OR SHE has performed services, would, if appor-

(b) with respect to any week for which payments are received under the
unemployment insurance law or similar law of this state or of any other

claim is controverted on the ground that the employee's disability was
not caused by an accident that arose out of and in the course of his
employment or by an occupational disease, or by an injury in line of

duty as a volunteer firefighter or volunteer ambulance worker, the
employee shall be entitled in the first instance to receive benefits
under this article for his OR HER disability. If benefits have been paid
under this article in respect to a disability alleged to have arisen out
of and in the course of the employment or by reason of an occupational
disease, or in line of duty as a volunteer firefighter or a volunteer
ambulance worker, the employer or carrier or the chairman making such
payment may, at any time before award of workers' compensation benefits,
or volunteer firefighters' benefits or volunteer ambulance workers'
benefits, is made, file with the board a claim for reimbursement out of the

FOLLOWING EXHAUSTION OF THE TWELVE WEEKS OF PAID FAMILY LEAVE BENEFITS.
5. A COVERED EMPLOYER IS NOT REQUIRED TO PERMIT MORE THAN ONE EMPLOYEE
TO USE THE SAME PERIOD OF FAMILY LEAVE TO CARE FOR THE SAME FAMILY
MEMBER.
S 8. Section 207 of the workers' compensation law is amended by adding
a new subdivision 5 to read as follows:
5. THE FOREGOING PROVISIONS OF THIS SECTION SHALL NOT APPLY TO FAMILY
LEAVE BENEFITS, AS FAMILY LEAVE BENEFITS ARE NOT AVAILABLE TO EMPLOYEES

after the filing of required proof of claim, whichever is the later.
Thereafter benefits shall be due and payable bi-weekly in like manner.
The [chairman] CHAIR OR CHAIR'S DESIGNEE may determine that benefits may
be paid monthly or semi-monthly if wages were so paid, and may authorize
deviation from the foregoing requirements to facilitate prompt payment
of benefits. Any inquiry which requires the employee's response in order
to continue benefits uninterrupted or unmodified shall provide a reason-
able time period in which to respond and include a clear and prominent
statement of the deadline for responding and consequences of failing to
respond.
2. The [chairman] CHAIR AND SUPERINTENDENT OF FINANCIAL SERVICES may,
whenever such information is deemed necessary, require any carrier to
file in form prescribed by the [chairman] CHAIR a report or reports as
to any claim or claims, including (but without limitation) dates of
commencement and termination of benefit payments and amount of benefits
paid under this article. The [chairman] CHAIR AND SUPERINTENDENT OF
FINANCIAL SERVICES may also require annually information in respect to
the aggregate of benefits paid, the number of claims allowed and disal-
lowed, the average benefits and duration of benefit periods, the amount
of payrolls covered and such other information as the [chairman] CHAIR
may deem necessary for the purposes of administering this article. If
the carrier is providing benefits in respect to more than one employer,
the [chairman] CHAIR AND SUPERINTENDENT OF FINANCIAL SERVICES may
require that such information be shown separately as to those employers
who are providing only benefits that are substantially the same as the
benefits required in this article. THE CHAIR AND SUPERINTENDENT OF

PERCENT BY EMPLOYEE PAYROLL CONTRIBUTION.

4. Notwithstanding any other provision of law, the employer is author-

EMPLOYEE'S WAGES PAID TO HIM OR HER, BUT NOT IN EXCESS OF SIXTY CENTS
PER WEEK. After June thirtieth, nineteen hundred fifty, if the employer
is not providing, or to the extent that he OR SHE is not then providing,
for the payment of disability benefits to his OR HER employees by insur-

shall keep the contributions of his OR HER employees as trust funds
separate and apart from all other funds of the employer. The payment of
such contributions by the employer to a carrier providing for the
payment of such benefits shall discharge the employer from responsibility with respect to such contributions.

fifty of this chapter are, by agreement satisfactory to the chair, made
available for the payment of unpaid benefits under this article with
respect to obligations incurred for disabilities commencing prior to the
effective date of such revocation] CONSISTENT WITH THE PROVISIONS OF

with or without modification, by agreement or collective bargaining
between an employer or employers or association of employers and an
association of employees, in which event the period for which the

benefits of the employees shall be as provided in said plan or agreement
rather than as provided under this article, other than the benefits
provided in section two hundred seven, and provided the employer or
carrier has agreed to pay the assessments described in sections two
hundred fourteen and two hundred twenty-eight.

modified, shall be found by the [chairman] CHAIR to be at least as
favorable as the benefits provided by this article.

5. by a new plan or agreement. After the effective date of this arti-

[chairman] as satisfying the obligation to provide for the payment of
benefits under this article if such plan or agreement shall provide

period more than two weeks prior to the date on which the required proof
is furnished unless it shall be shown to the satisfaction of the chair
not to have been reasonably possible to furnish such notice or proof and

Section 1. Section 1000 of the retirement and social security law, as added by chapter 548 of the laws of 2000, subdivision 9 as added by chapter 547 of the laws of 2002 and subdivision 10 as added by chapter 18 of the laws of 2012, is amended to read as follows:

S 1000. Military service credit. Notwithstanding any law to the contrary, a member of a public retirement system of the state, as defined in subdivision twenty-three of section five hundred one of this chapter, shall be eligible for credit for military service as hereinafter provided:

1. A member, upon application to such retirement system, may obtain a total not to exceed three years of service credit for up to three years of military duty, as defined in section two hundred forty-three of the military law, if the member was honorably discharged from the military [and all or part of such military service was rendered during the following periods: (a) commencing December seventh, nineteen hundred forty-one and terminating December thirty-first, nineteen hundred forty-six; (b) commencing June twenty-seventh, nineteen hundred fifty and terminating January thirty-first, nineteen hundred fifty-five; or (c) commencing February twenty-eighth, nineteen hundred sixty-one and terminating May seventh, nineteen hundred seventy-five;]

2. A member, upon application to such retirement system, may obtain a total not to exceed three years of service credit for up to three years of military duty, as defined in section two hundred forty-three of the military law, if honorably discharged therefrom, if all or part of such services was rendered in the military conflicts referenced below, as follows:

(a) hostilities participated in by the military forces of the United States in Lebanon, from the first day of June, nineteen hundred eighty-three to the first day of December, nineteen hundred eighty-seven, as established by receipt of the armed forces expeditionary medal, the navy expeditionary medal, or the marine corps expeditionary medal;

(b) hostilities participated in by the military forces of the United States in Grenada, from the twenty-third day of October, nineteen hundred eighty-three to the twenty-first day of November, nineteen hundred eighty-three, as established by receipt of the armed forces
expeditionary medal, the navy expeditionary medal, or the marine corps expeditionary medal;
(c) hostilities participated in by the military forces of the United States in Panama, from the twentieth day of December, nineteen hundred eighty-nine to the thirty-first day of January, nineteen hundred ninety, as established by receipt of the armed forces expeditionary medal, the navy expeditionary medal, or the marine corps expeditionary medal; or
(d) hostilities participated in by the military forces of the United States, from the second day of August, nineteen hundred ninety, to the end of such hostilities in case of a veteran who served in the theater of operations including Iraq, Kuwait, Saudi Arabia, Bahrain, Qatar, the United Arab Emirates, Oman, the Gulf of Aden, the Gulf of Oman, the Persian Gulf, the Red Sea, and the airspace above these locations].
[3] 2. A member must have at least five years of credited service (not including service granted hereunder) to be eligible to receive credit under this section.
[4] 3. To obtain such credit, a member shall pay such retirement system, for deposit in the fund used to accumulate employer contributions, a sum equal to the product of the number of years of military service being claimed and three percent of such member's compensation earned during the twelve months of credited service immediately preceding the date that the member made application for credit pursuant to this section. If permitted by rule or regulation of the applicable retirement system, the member may pay such member costs by payroll deduction for a period which shall not exceed the time period of military service to be credited pursuant to this section. In the event the member leaves the employer payroll prior to completion of payment, he or she shall forward all remaining required payments to the appropriate retirement system prior to the effective date of retirement. If the full amount of such member costs is not paid to the appropriate retirement system prior to the member's retirement, the amount of service credited shall be proportional to the total amount of the payments made prior to retirement.
[5] 4. In no event shall the credit granted pursuant to this section, when added to credit granted for military service with any retirement system of this state pursuant to this or any other provision of law, exceed a total of three years.
[6] 5. To be eligible to receive credit for military service under this section, a member must make application for such credit before the effective date of retirement. [Notwithstanding the foregoing provisions of this subdivision, an individual who retired on or after December twenty-first, nineteen hundred ninety-eight and before the effective date of this section may make application for credit pursuant to this section within one year following the effective date of this section, in which event, the cost to the retiree would be based on the twelve month period immediately preceding retirement.]
[7] 6. All costs for service credited to a member pursuant to this section, other than the member costs set forth in subdivision three of this section, shall be paid by the state and all employers which participate in the retirement system in which such member is granted credit.
[8] 7. A member who has purchased military service credit pursuant to section two hundred forty-four-a of the military law shall be entitled to a refund of the difference between the amount paid by the member for such purchase and the amount that would be payable if service had been purchased pursuant to this section.
[9] 8. Notwithstanding any other provision of law, in the event of
death prior to retirement, amounts paid by the member for the purchase
of military service credit pursuant to this section shall be refunded,
with interest, to the extent the military service purchased with such
amounts does not produce a greater death benefit than would have been
payable had the member not purchased such credit.

Notwithstanding any other provision of law, in the event of retire-
ment, amounts paid by the member for the purchase of military service
credit pursuant to this section shall be refunded, with interest, to the
extent the military service purchased with such amounts does not produce
a greater retirement allowance than would have been payable had the
member not purchased such credit.

[10.] 9. Anything to the contrary in subdivision [four] THREE of this
section notwithstanding, to obtain such credit, a member who first joins
a public retirement system of the state on or after April first, two
thousand twelve shall pay such retirement system, for deposit in the
fund used to accumulate employer contributions, a sum equal to the prod-
uct of the number of years of military service being claimed and six
percent of such member's compensation earned during the twelve months of
credited service immediately preceding the date that the member made
application for credit pursuant to this section.

S 2. The sum of twenty-four million eight hundred thousand dollars
($24,800,000), or so much thereof as may be necessary, is hereby appro-
priated to the department of audit and control out of any moneys in the
state treasury in the general fund to the credit of the state purposes
account, not otherwise appropriated, and made immediately available, for
the purpose of carrying out the provisions of this act. Such moneys
shall be payable on the audit and warrant of the comptroller on vouchers
certified or approved by the head of the appropriate public retirement
system in the manner prescribed by law.

S 3. This act shall take effect immediately.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:
This bill would allow up to three (3) years of service credit for
military duty by removing all existing requirements that such military
service be performed during certain war periods, during certain hostil-
ities while in the theater of operations or upon receipt of an expedi-
tionary medal. However, the total service credit granted for active and
peacetime military service shall not exceed three (3) years. Members
must have at least five years of credited service (not including mili-
tary service). Tier 1-5 members would be required to make a payment of
three percent of their most recent compensation per year of additional
service credit granted by this bill. Tier 6 members would be required to
make a payment of six percent of their most recent compensation per year
of additional service credit.

If this bill is enacted, insofar as this proposal affects the New York
State and Local Employees' Retirement System (ERS), it is estimated that
the past service cost will average approximately 15% (12% for Tier 6) of
an affected members' compensation for each year of additional service
credit that is purchased.

Insofar as this proposal affects the New York State and Local Police
and Fire Retirement System (PFRS), it is estimated that the past service
cost will average approximately 19% (16% for Tier 6) of an affected
members' compensation for each year of additional service that is
purchased.

The exact number of current members as well as future members who
could be affected by this legislation cannot be readily determined.
ERS costs would be borne entirely by the State of New York. Since a member can apply for this service credit at any time prior to retirement, a precise cost can't be determined until each member, as well as future members, applies for the service credit. Every year a cost will be determined (and billed to the state) based on those benefiting from this provision.

PFRS costs would be shared by the State of New York and the participating employers in the PFRS.

The membership data used in measuring the impact of the proposed change was the same as that used in the March 31, 2015 actuarial valuation. Distributions and other statistics can be found in the 2015 Report of the Actuary and the 2015 Comprehensive Annual Financial Report.

The actuarial assumptions and methods used are described in the 2015 Annual Report to the Comptroller on Actuarial Assumptions, and the Codes Rules and Regulations of the State of New York: Audit and Control.

The Market Assets and GASB Disclosures are found in the March 31, 2015 New York State and Local Retirement System Financial Statements and Supplementary Information.

This estimate, dated January 14, 2016 and intended for use only during the 2016 Legislative Session, is Fiscal Note No. 2016-25, prepared by the Actuary for the New York State and Local Retirement System.

FISCAL NOTE.-- Pursuant to Legislative Law, Section 50:
With respect to certain New York City Retirement Systems (NYCRS), this proposed legislation would amend New York State Retirement and Social Security Law (RSSL) Section 1000 to provide certain members of the New York City Employees' Retirement System (NYCERS), the New York City Teachers' Retirement System (NYCTRS), the New York City Board of Education Retirement System (BERS), the New York City Police Pension Fund (POLICE) and the New York Fire Department Pension Fund (FIRE), collectively, the New York City Retirement Systems (NYCRS), the opportunity to obtain additional retirement service credits for certain Military Service.

This proposed legislation would permit any NYCRS member, prior to the effective date of retirement, to make application for these additional service credits.

To obtain such Military Service credits, members would be required to pay to the appropriate NYCRS, for each year of Military Service purchased, a sum equal to 3.0% (6.0% for members who first join on and after April 1, 2012) of such member's compensation earned during the twelve months of credited service immediately preceding the date that the member makes application for credit.

MEMBERS IMPACTED: Insofar as this proposed legislation relates to the NYCRS, the number of members who could potentially benefit from this proposed legislation cannot be readily determined.

IMPACT ON BENEFITS: With respect to the NYCRS, a member who served in the U.S. military and received an honorable discharge would be permitted, after completing five years of credited service (exclusive of the service credit that could be purchased under this proposed legislation), to purchase a maximum of three years of Military Service (inclusive of any prior purchases of Military Service credit).

In order to purchase the Military Service credits provided in this proposed legislation, a member must have been honorably discharged...
following a period of "military duty" as defined in New York State Military Law Section 243.

If a member's Military Service meets these conditions, then that member would be permitted to purchase a maximum of three years of Military Service (inclusive of any previously-received Military Service credit) attributable to any period of the member's military career.

For purposes of the respective NYCRS, each year of Military Service credit purchased would apply toward providing the member with a year of benefit accrual under the particular benefit formula covering the member.

In certain circumstances, the member also may be entitled to utilize such Military Service as qualifying service for benefit eligibility purposes.

For purposes of this Fiscal Note, it has been assumed that members who purchase Military Service in accordance with this proposed legislation would generally be entitled to count such service for benefit accrual purposes and for the purpose of qualifying for benefits.

FINANCIAL IMPACT - OVERVIEW: With respect to an individual member, the additional cost of this proposed legislation would depend on the length of all New York City service, age, salary history and Plan in which the member participates, as well as the number of years of service credit purchased.

With respect to employers participating in the NYCRS, the ultimate employer cost of this proposed legislation would be determined by the increase in benefits to be paid, the impact of certain benefits commencing earlier and the reduction in certain future member contributions.

FINANCIAL IMPACT - ACTUARIAL PRESENT VALUES: The additional Actuarial Present Value (APV) of benefits would depend on the number, salaries, ages and lengths of Military Service purchased by members who would be affected by this proposed legislation.

With respect to the NYCRS and based on the census data and assumptions herein, the enactment of this proposed legislation would increase the Actuarial Present Value (APV) of benefits (APVB) by approximately $147.1 million of June 30, 2016.

In addition, with respect to the NYCRS, the APV of future member contributions (primarily attributable to the payments by members of 3.0% (6.0% for members who first join on and after April 1, 2012) of salary per year of Military Service purchased) would increase by approximately $22.2 million when measured as of June 30, 2016.

Consequently, with respect to the NYCRS, the APV of net future employer contributions would increase by approximately $124.9 million as of June 30, 2016.

FINANCIAL IMPACT - ANNUAL EMPLOYER COSTS: The ultimate cost of a pension plan is the benefits it pays. With respect to the NYCRS, the financing of that ultimate cost depends upon the census data used and the actuarial assumptions and methods employed. Assuming that all eligible members were to purchase the eligible Military Service during Fiscal Year 2016 and based on the Actuary's actuarial assumptions and methods in effect as of June 30, 2015, the enactment of this proposed legislation would increase annual employer costs by approximately $14.8 million per year.

FINANCIAL IMPACT - EMPLOYER CONTRIBUTIONS: The impact of the proposed legislation on employer contributions would be a function of the census data (i.e., age/service/salary, etc.) reported to the Actuary and of the timing of the members electing to buy back their Military Service.
With respect to the NYCRS, based on the Actuary’s actuarial assumptions and methods in effect as of June 30, 2015, the enactment of this proposed legislation would ultimately increase employer contributions by approximately the estimated additional annual employer costs.

If applications for buying back Military Service were completed during Fiscal Year 2016 and the NYCRS census data were updated to reflect this information by June 30, 2016, then employer contributions would first be impacted for Fiscal Year 2018.

If the Military Service buybacks were completed after Fiscal Year 2016, then the increase in employer contributions would first occur after Fiscal Year 2018.

FINANCIAL IMPACT – SUMMARY: The following table summarizes the estimated financial impact of this proposed legislation on the NYCRS.

{1} Equals increase in APVB minus increase in APV of future member contributions.

{2} Estimated Additional Employer Costs are determined without regard to the funded status of the Retirement Systems and represent the best estimates of the ultimate annual financial burden of the proposed legislation. Estimated Additional Employer Contributions would ultimately approximate Estimated Additional Employer Costs.

ADDITIONAL EMPLOYER COSTS – GENERAL: In general, the real cost of the enactment of this proposed legislation would be the additional benefits paid.

This Fiscal Note does not include analyses of the impact of this proposed legislation on the expected increases in administrative costs or costs for Other Post-Employment Benefits (OPEB).

CENSUS DATA: The census data used for estimates of APV of benefits and employer contributions presented herein are the active members included in the June 30, 2015 (Lag) actuarial valuations of NYCERS, NYCTRS, BERS, POLICE and FIRE used to determine the Preliminary Fiscal Year 2017 employer contributions.

ACTUARIAL ASSUMPTIONS AND METHODS: Additional APV of benefits, of member contributions and of employer contributions have been estimated as of June 30, 2017 using various approximating techniques and assumptions by the Actuary, including, but not limited to:

* A certain percentage of Veterans being honorably discharged.

* A certain percentage of honorably discharged Veterans being disabled.

* Different percentages of members by NYCERS having prior Military Service.

* Each eligible member purchasing an average of 2.5 years of the Military Service.
Changes in employer contributions have been estimated assuming the increase in the APV of Future Employer Contributions would be financed over a time period comparable to that used for actuarial losses under the Entry Age Actuarial Cost Method. Using this approach, the Additional APV of Future Employer Contributions would be amortized over a closed 15-year period (14 payments under One-Year Lag Methodology) using level dollar payments.

STATEMENT OF ACTUARIAL OPINION: I, Sherry S. Chan, am the Chief Actuary for the New York City Retirement Systems. I am an Associate of the Society of Actuaries, a Fellow of the Conference of Consulting Actuaries, and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

FISCAL NOTE IDENTIFICATION: This estimate is intended for use only during the 2016 Legislative Session. It is Fiscal Note 2016-04, dated March 1, 2016, prepared by the Chief Actuary for the New York City Employees' Retirement System, the New York City Teachers' Retirement System, the New York City Board of Education Retirement System, the New York City Police Pension Fund and the New York Fire Department Pension Fund.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would amend Section 1000 of the Retirement and Social Security Law to allow active members of public retirement systems of New York State to claim service credit for up to three years of military service, regardless of when or where it was performed. Currently, active members can receive service credit for military service performed, but only during specified periods of war. A member must have at least five years of credited service to be eligible and make application for such credit before the effective date of retirement. To obtain such credit, a member must make payments as required in Section 1000 of the Retirement and Social Security Law. Tier 1, 2, 3, 4 and 5 members are required to pay three percent of salary earned during the twelve months of credited service immediately preceding the year in which a claim is made for each year of military service. Tier 6 members are required to pay six percent of salary earned during the twelve months of credited service immediately preceding the year in which a claim is made for each year of military service.

It is not possible to determine the total annual cost of this bill since the total amount of service credit which would be claimed under this bill cannot be estimated. Pursuant to Section 25 of the Retirement and Social Security Law, the cost to the New York State Teachers' Retirement System (NYSTRS) would be borne by the State of New York and would require an itemized appropriation adequate to pay the cost of this bill. The cost to the State of New York is estimated to be $19,700 per year of service credited for Tier 1, 2, 3, 4 and 5 members and $15,200 per year of service credited for Tier 6 members if this bill is enacted. Each year a cost will be computed and billed to the State of New York for those members of NYSTRS receiving a benefit under this bill.

Employee data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Comprehensive Annual Financial Report (CAFR). System assets are as reported in the System's financial statements, and can also be found in the CAFR. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.
The source of this estimate is Fiscal Note 2016-8 dated February 3, 2016 prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2016 Legislative Session. I, Richard A. Young, am the Actuary for the New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

2. In any prosecution under subdivision one, it is an affirmative 3 defense that:
4 (a) The defendant acted under the influence of extreme emotional 5 disturbance for which there was a reasonable explanation or excuse, the 6 reasonableness of which is to be determined from the viewpoint of a 7 person in the defendant's situation under the circumstances as the 8 defendant believed them to be.
