2     zynski, who is currently a Tier VI member of the New York state and  
3     local employees' retirement system and currently employed by the New  
4     York state comptroller's office, and who was appointed to a position

6     for reasons not ascribable to her own negligence, failed to become a

8     2007 when first appointed to the position, may be deemed to have become  
9     a member of the New York state and local employees' retirement system on

     FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

of North Collins. She currently is a Tier 6 member employed by the New York State Office of the State Comptroller.

If this legislation is enacted during the 2016 legislative session, we anticipate that there will be an increase of approximately \$3,500 in the annual contributions of New York State for the fiscal year ending March 31, 2017. In future years, this cost will vary as the billing rates and salaries of Kelsey Wilczynski change.

In addition to the annual contributions discussed above, there will be a one-time past service cost of \$14,300 which will be borne by the Town of North Collins as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2017.
