AN ACT to amend the state finance law, in relation to the cost effectiveness of consultant contracts by state agencies

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Legislative intent. The legislature hereby finds Section 1. declares that it is in the public interest to enact a cost benefit review process when a state agency enters into contracts for personal services. New York State spends over \$3.5 billion annually on personal 5 service contracts, over \$840 million more than the State spent on these contracts in SFY 2003-04, a 32% increase. Despite an Executive Order 7 that has implemented a post contract review process for some personal 8 service contracts the cost of those contracts continues to escalate 9 every year well above the inflation rate. In addition the State Finance Law does not require state agencies to compare the cost or quality of 10 personal services to be provided by consultants with the cost or quality 11 12 of providing the same services by the state employees. Numerous audits by the Office of State Comptroller as well as a KPMG study commissioned 13 14 by the department of transportation have found that consultants hired 15 under personal service contracts can cost between fifty percent and seventy-five percent more than state employees that do the exact same 16 17 work including the cost of state employee benefits. The Contract Disclo-18 sure Law (Chapter 10 of the laws of 2006) required consultants who 19 provide personal services to file forms for each contract that outline 20 how many consultants they hired, what titles they employed them in and how much they paid them. A review of these forms show that the average 21 consultant makes about fifty percent more than state employees doing 22 23 comparable work. It is in the public interest for state agencies to 24 compare the cost of doing work by consultants with the cost of doing the 25 same work with state employees as well as document whether or not that such work can be done by state employees. If state government is to be 26
