May 5, 2016

Introduced by Sens. KLEIN, AVELLA, CARLUCCI, SAVINO, VALESKY -- read twice and ordered printed, and when printed to be committed to the Committee on Elections

AN ACT to amend the election law, in relation to overhauling campaign financing and providing a voluntary financing program for campaigns for state officers; to amend the general business law, in relation to authorizing the imposition of an additional surcharge on recoveries for fraudulent practices relating to stocks, bonds and other securities; to amend the state finance law, in relation to establishing the New York state campaign finance fund and providing for transfers thereto from the abandoned property fund; to amend the tax law, in relation to providing for a New York state campaign finance fund check-off; and to repeal certain provisions of the election law relating thereto

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "integrity in elections act of 2016".
3 S 2. Legislative intent. The legislature declares that it is in the
4 public interest to create and ensure a truly democratic political
5 system, one of the highest integrity, in which citizens, regardless of
6 their income, status or financial wealth, are enabled and encouraged to
7 compete for public office. The legislature further declares that large
8 and unregulated independent expenditures may grant the financial backers
9 of such independent expenditures undue influence in election based on
10 ability to pay. Finally, the legislature further declares that present
11 campaign finance laws must be amended to ensure that the voices of indi-
12 vidual small contributors are heard and that elections are conducted in
13 a fair and open manner.
14 Therefore, the legislature finds it necessary to establish a voluntary
15 system for the financing of campaigns for all qualified candidates for
16 state elective offices and constitutional convention delegates. The
17 legislature further finds that this new system which provides matching
18 funds for small contributions from individuals allows increased citizen

1 participation in state elections. The legislature also creates a new
2 campaign finance board placed within and working hand in hand with the
3 state board of elections to provide effective oversight and enforcement
4 of the voluntary campaign financing system. Finally, the legislature
5 lowers contribution limits for all contributors, whether or not the
6 candidate participates in the voluntary system, thereby removing the
7 influence of large contributions in state and local elections.

8 S 3. Subdivision 10 of section 14-100 of the election law, as added by
9 chapter 8 of the laws of 1978 and as redesignated by chapter 9 of the
10 laws of 1978, is amended and a new subdivision 15 is added to read as
11 follows:

12 10. "transfer" means any exchange of funds or any thing of value
13 between political committees authorized by the same candidate and taking
14 part solely in his OR HER campaign[, or any exchange of funds between a
15 party or constituted committee and a candidate or any of his authorized
16 political committees].

17 15. "BOARD", "STATE BOARD" OR "STATE BOARD OF ELECTIONS" MEANS THE
18 CAMPAIGN FINANCE BOARD AS ESTABLISHED IN TITLE TWO OF THIS ARTICLE.

19 S 4. Subdivision 1 of section 14-102 of the election law, as amended
