Introduced by Sen. KENNEDY -- read twice and ordered printed, and when printed to be committed to the Committee on Transportation

AN ACT to amend the vehicle and traffic law, in relation to authorizing a pilot residential parking permit system in the city of Buffalo and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and intent. The legislature finds that a lack of parking for residents in the city of Buffalo in the area in and around Buffalo General Medical Park has resulted in traffic hazards, congestion and air and noise pollution. In addition, such lack of parking poses a hazard to residents and other pedestrians in such area.

The legislature further finds that a residential parking system within such area will reduce such hazards and will reduce pollution levels as well. The legislature, therefore, hereby declares the necessity of this act to authorize the city of Buffalo to adopt a residential parking system in accordance with the provisions of this act.
