Introduced by Sen. FUNKE -- read twice and ordered printed, and when printed to be committed to the Committee on Local Government

AN ACT to authorize the town of Irondequoit, in the county of Monroe, to lease parklands to T-Mobile Northeast LLC as successor in interest to Omnipoint Communications Incorporated

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Subject to the provisions of this act, the town of Irondequoit, located in the county of Monroe, is hereby authorized, acting by and through its town board, and upon such terms and conditions as the town board deems appropriate, to discontinue the use of certain municipality owned parkland, and to lease, at fair market value to T-Mobile Northeast LLC, as successor in interest to Omnipoint Communications Incorporated, for a term not exceeding twenty-six years, such parkland described in section four of this act, for the purpose of erecting, maintaining and operating a wireless communications facility. In addition, the town of Irondequoit, in the county of Monroe, acting by and through its town board is hereby authorized to convey easements to T-Mobile Northeast LLC, as successor in interest to Omnipoint Communications Incorporated, over parklands described in section five of this act for access and utility purposes.

S 2. Notwithstanding the failure of the town of Irondequoit to seek and receive state legislative authorization to alienate certain parklands as described in section four of this act prior to the parklands being leased to Omnipoint Communications Incorporated, the predecessor in interest to T-Mobile Northeast LLC, such alienation is hereby validated, legalized, ratified and confirmed.

S 3. The authorization provided in section one of this act shall be effective only upon the condition that the town of Irondequoit, county of Monroe, dedicate an amount equal to the fair market value of those interests being transferred by this act, for the acquisition of additional parklands and/or for capital improvements to existing park and recreational facilities.

EXPLANATION--Matter in ITALICS (underscored) is new; matter in brackets [ ] is old law to be omitted.

S 6. Should the leased lands described in sections four and five of this act cease to be used for the purposes described in section one of this act, the lease shall terminate and those lands shall revert to the town of Irondequoit for public park and recreational purposes, and the easement described in section five of this act for access shall also revert and be extinguished. At the time of such reversion, the removal of such wireless communications facility, including the removal of any equipment and related facilities, shall take place and the property shall be returned to its previous state, consistent with parks and recreational purposes.

S 7. If the parkland that is the subject of this act has received funding pursuant to the federal land and water conservation fund, the discontinuance of parkland authorized by the provisions of this act shall not occur until the municipality has complied with the federal requirements pertaining to the conversion of parklands, including satisfying to the Secretary of the Interior that the discontinuance will include all conditions which the Secretary of the Interior deems necessary to assure the substitution of other lands shall be equivalent in fair market value and recreational usefulness to the lands being discontinued.

S 8. This act shall take effect immediately.
