all classifications can be employed to carry on work expeditiously if their labor is restricted to eight hours per day and five days per week, 3 the event that the commissioner determines that there are not sufficient workers, laborers and mechanics of any or all classifications 5 which may be employed to carry on such work expeditiously if their labor 6 restricted to eight hours per day and five days per week, and the 7 immediate commencement or prosecution or completion without undue delay 8 the public work is necessary in the judgment of the commissioner for the preservation of the contract site and for the protection of the life 9 10 and limb of the persons using the same, the commissioner shall grant a 11 dispensation permitting all laborers, workers and mechanics, or any 12 classification of such laborers, workers and mechanics, to work such additional hours or days per week on such public project or in such 13 14 areas the commissioner shall determine. Whenever such a dispensation is 15 granted, all work in excess of eight hours per day and five days per week shall be considered overtime work, and the laborers, workers and 16 mechanics performing such work shall be paid a premium wage commensurate 17 18 the premium wages prevailing in the area in which the work is 19 performed. No such dispensation shall be effective with respect to any public work unless and until the department of jurisdiction, as defined 20 21 in this section, certifies to the commissioner that such public work is 22 an important nature and that a delay in carrying it to completion 23 would result in serious disadvantage to the public. Time lost in any 24 of inclement weather by employees engaged because 25 construction, reconstruction and maintenance of highways outside of 26 limits of cities and villages may be made up during that week and/or the 27 succeeding three weeks. 28
