2015-2016 Regular Sessions

IN ASSEMBLY

January 20, 2015

Introduced by M. of A. KATZ -- Multi-Sponsored by -- M. of A. BARCLAY, CROUCH, FINCH, GRAF, LUPINACCI, OAKS, PALMESANO, RAIA, SALADINO, WALTER -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to establishing a hightech employment and training program within the New York state foundation for science, technology and innovation

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Legislative findings and declaration. The legislature hereby finds and declares that an appropriately skilled workforce is necessary to ensure the creation and growth of high technology businesses in New York. The introduction of new technologies in business and industry is an ongoing, dynamic process which necessitates a system of training and education that is responsive to constantly changing skill requirements.

Further, the legislature finds that technology has also changed the manner in which training and education can be provided within a firm. While the use of sophisticated computer based training is not new, the cost of development of such applications results in limited access. Using technology to create a more effective and cost efficient delivery system for training and education services for firms in the state is critical to foster the young, developing high-tech sector in the state of New York.

- 16 S 2. The executive law is amended by adding a new section 209-u to 17 read as follows:
- 18 S 209-U. HIGH-TECH EMPLOYMENT AND TRAINING PROGRAM. 1. FOR PURPOSES OF 19 THIS SECTION:
- 20 (A) "OFFICE" SHALL MEAN THE NEW YORK STATE FOUNDATION FOR SCIENCE, 21 TECHNOLOGY AND INNOVATION.
