AN ACT to amend the environmental conservation law, in relation to establishing the "New York state environmental justice act"

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

- 1 Section 1. Short title. This act shall be known as the "New York state
2 environmental justice act".
3 S 2. Legislative findings and purpose. The legislature hereby finds
4 and declares that:
5 1. Racial and ethnic minority populations and low-income communities
6 bear a disproportionate share of the health risks caused by polluted air
7 and contaminated water, and by solid waste landfills, hazardous waste
8 facilities, waste water treatment plants, waste incinerators, and other
9 similar projects.
10 2. This disproportionate impact of environmental hazards on minority
11 and low-income communities is largely the result of past governmental
12 decisions.
13 3. The federal government underscored the importance of environmental
14 justice in executive order 12898 and created the national environmental
15 justice advisory council to promote environmental justice in the envi-
16 ronmental protection agency's policies, programs, initiatives and activ-
17 ities.
18 4. The state is committed to ensuring that communities are afforded
19 fair treatment and meaningful involvement in decision-making regardless
20 of race, color, ethnicity, religion, income or education level.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
[] is old law to be omitted.
