2015-2016 Regular Sessions

IN ASSEMBLY

January 27, 2015

Introduced by M. of A. ROBINSON -- read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to requiring public and private colleges and universities to provide all incoming and current students with information about depression and suicide prevention and resources available to them on campus

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEM-BLY, DO ENACT AS FOLLOWS:

The legislature hereby finds and 1 Section 1. Legislative intent. 2 declares that there is a need to address the growing number of students 3 the collegiate level who are suffering from psychiatric stressors at 4 that may lead to suicide. The legislature further recognizes that such 5 psychiatric stressors also contribute to difficulties in learning and б success on the collegiate level. Early detection and identification of 7 individuals may not only prevent suicide, but may also allow at-risk 8 such other students suffering from psychiatric stressors to get the 9 support needed to be successful in their academic endeavors. The support 10 necessary to achieve these goals may often require collaboration between college officials and parents and/or guardians in such a manner as to be 11 12 consistent with the needs of each student.

Therefore, to achieve the above-stated goals, the legislature hereby 13 14 finds and declares that every college within the state shall establish a 15 suicide prevention program.

16 S 2. The education law is amended by adding a new section 6439 to read 17 as follows:
