Neither the building, the property nor any of the common elements shall be deemed to be a parcel.

(b) [In no event shall the aggregate of the assessment of the units plus their common interests exceed the total valuation of the property were the property assessed as a parcel.

(c)] For the purposes of this and the next succeeding section the terms "assessing unit", "assessment", "parcel", "special ad valorem levy", "special assessment", "special district", "taxation" and "taxes" shall have the meanings specified in section one hundred two of the real property tax law.

[(d) The provisions of paragraph (b) of this subdivision shall not apply to such real property classified within:

(ii) on and after January first, nineteen hundred eighty-four, the homestead class of an approved assessing unit which has adopted the provisions of section one thousand nine hundred three of the real property tax law, or the homestead class of the portion outside an approved assessing unit of an eligible split school district which has adopted the provisions of section nineteen hundred three-a of the real property tax law; provided, however, that, in an approved assessing unit which adopted the provisions of section one thousand nine hundred three of the real property tax law prior to the effective date of this subdivision, paragraph (b) of this subdivision shall apply to all such real property (i) which is classified within the homestead class pursuant to paragraph one of subdivision (e) of section one thousand nine hundred one of the real property tax law and (ii) which, regardless of classification, was on the assessment roll prior to the effective date of this subdivision unless the governing body of such approved assessing unit provides by local law adopted after a public hearing, prior to the taxable status date of such assessing unit next occurring after December thirty-first, nineteen hundred eighty-three, that such paragraph (b) shall not apply to such real property to which this clause applies. Provided further, however, real property subject to the provisions of this subparagraph shall be assessed pursuant to subdivision two of section five hundred eighty-one of the real property tax law.

(e)] (C) On the first assessment roll with a taxable status date on or after the effective date of a declaration filed with the recording officer and on every assessment roll thereafter, the assessor shall enter each unit as a parcel, as provided in paragraph (a) of this subdivision, based upon the condition and ownership of each such unit on the appropriate valuation and taxable status dates. Units owned by a developer may be entered as a single parcel with a parcel description corresponding to the entire development, including the land under such development, and excluding those units appearing separately. Upon the first assessment roll where each unit is separately assessed, only an individual unit and its common interest shall constitute a parcel.
