55 provided with a copy of the two thousand ten disparity study.

1 1-b. Each agency shall develop and adopt agency-specific goals based
2 on the findings of the two thousand ten disparity study.

3 2. The director shall promulgate rules and regulations pursuant to the
4 goals established in subdivision one of this section that provide meas-
5 ures and procedures to ensure that certified minority, HONORABLY
6 DISCHARGED VETERAN and women-owned businesses shall be given the oppor-
7 tunity for maximum feasible participation in the performance of state
8 contracts and to assist in the agency's identification of those state
9 contracts for which minority, HONORABLY DISCHARGED VETERAN and women-

11 promote and assist their participation in the performance of state
12 contracts so as to facilitate the agency's achievement of the maximum
13 feasible portion of the goals for state contracts to such businesses.

14 2-a. The director shall promulgate rules and regulations that will
15 accomplish the following:

16 (a) provide for the certification and decertification of minority,
17 HONORABLY DISCHARGED VETERAN and women-owned business enterprises for
18 all agencies through a single process that meets applicable require-
19 ments;

20 (b) require that each contract solicitation document accompanying each
21 solicitation set forth the expected degree of minority, HONORABLY
22 DISCHARGED VETERAN and women-owned business enterprise participation
23 based, in part, on:

24 (i) the potential subcontract opportunities available in the prime
25 procurement contract; and

26 (ii) the availability, as contained within the study, of certified
27 minority, HONORABLY DISCHARGED VETERAN and women-owned business enter-
28 prises to respond competitively to the potential subcontract opportu-
29 nities;

30 (c) require that each agency provide a current list of certified
31 minority business enterprises to each prospective contractor;

32 (d) allow a contractor that is a certified minority-owned, HONORABLY
33 DISCHARGED VETERAN-OWNED or women-owned business enterprise to use the
34 work it performs to meet requirements for use of certified minority-
35 owned, HONORABLY DISCHARGED VETERAN-OWNED or women-owned business enter-
36 prises as subcontractors;

37 (e) provide for joint ventures, which a bidder may count toward meet-

39 enterprise participation;

43 women-owned business enterprise participation;

44 (g) require that an agency verify that minority, HONORABLY DISCHARGED
45 VETERAN and women-owned business enterprises listed in a successful bid
46 are actually participating to the extent listed in the project for which
47 the bid was submitted;

48 (h) provide for the collection of statistical data by each agency
49 concerning actual minority, HONORABLY DISCHARGED VETERAN and women-owned
50 business enterprise participation; and

51 (i) require each agency to consult the most current disparity study
52 when calculating agency-wide and contract specific participation goals
53 pursuant to this article.

54 3. Solely for the purpose of providing the opportunity for meaningful
55 participation by certified businesses in the performance of state
56 contracts as provided in this section, state contracts shall include

1 leases of real property by a state agency to a lessee where: the terms
2 of such leases provide for the construction, demolition, replacement,
3 major repair or renovation of real property and improvements thereon by
4 such lessee; and the cost of such construction, demolition, replacement,
5 major repair or renovation of real property and improvements thereon
6 shall exceed the sum of one hundred thousand dollars. Reports to the
7 director pursuant to section three hundred fifteen of this article shall
8 include activities with respect to all such state contracts. Contracting
9 agencies shall include or require to be included with respect to state
10 contracts for the acquisition, construction, demolition, replacement,
11 major repair or renovation of real property and improvements thereon,
12 such provisions as may be necessary to effectuate the provisions of this
13 section in every bid specification and state contract, including, but
14 not limited to: (a) provisions requiring contractors to make a good
15 faith effort to solicit active participation by enterprises identified
16 in the directory of certified businesses provided to the contracting
17 agency by the office; (b) requiring the parties to agree as a condition
18 of entering into such contract, to be bound by the provisions of section
19 three hundred sixteen of this article; and (c) requiring the contractor
20 to include the provisions set forth in paragraphs (a) and (b) of this
21 subdivision in every subcontract in a manner that the provisions will be
22 binding upon each subcontractor as to work in connection with such
23 contract. Provided, however, that no such provisions shall be binding
24 upon contractors or subcontractors in the performance of work or the
25 provision of services that are unrelated, separate or distinct from the
26 state contract as expressed by its terms, and nothing in this section
27 shall authorize the director or any contracting agency to impose any
28 requirement on a contractor or subcontractor except with respect to a
29 state contract.

30 4. In the implementation of this section, the contracting agency shall
31 (a) consult the findings contained within the disparity study evidencing
32 relevant industry specific availability of certified businesses;

33 (b) implement a program that will enable the agency to evaluate each
34 contract to determine the appropriateness of the goal pursuant to subdivi-
35 sion one of this section;

36 (c) consider where practicable, the severability of construction
37 projects and other bundled contracts; and

38 (d) consider compliance with the requirements of any federal law
39 concerning opportunities for minority, HONORABLY DISCHARGED VETERAN and
40 women-owned business enterprises which effectuates the purpose of this
41 section. The contracting agency shall determine whether the imposition
42 of the requirements of any such law duplicate or conflict with the
43 provisions hereof and if such duplication or conflict exists, the
44 contracting agency shall waive the applicability of this section to the
45 extent of such duplication or conflict.

46 5. (a) Contracting agencies shall administer the rules and regulations
47 promulgated by the director in a good faith effort to meet the maximum
48 feasible portion of the agency's goals adopted pursuant to this article
49 and the regulations of the director. Such rules and regulations: shall
50 require a contractor to submit a utilization plan after bids are opened,
51 when bids are required, but prior to the award of a state contract;
52 shall require the contracting agency to review the utilization plan
53 submitted by the contractor and to post the utilization plan and any
54 waivers of compliance issued pursuant to subdivision six of this section
55 on the website of the contracting agency within a reasonable period of
56 time as established by the director; shall require the contracting agen-

1 cy to notify the contractor in writing within a period of time specified
2 by the director as to any deficiencies contained in the contractor's
3 utilization plan; shall require remedy thereof within a period of time
4 specified by the director; shall require the contractor to submit peri-
5 odic compliance reports relating to the operation and implementation of
6 any utilization plan; shall not allow any automatic waivers but shall
7 allow a contractor to apply for a partial or total waiver of the minori-
8 ty, HONORABLY DISCHARGED VETERAN and women-owned business enterprise
9 participation requirements pursuant to subdivisions six and seven of
10 this section; shall allow a contractor to file a complaint with the
11 director pursuant to subdivision eight of this section in the event a
12 contracting agency has failed or refused to issue a waiver of the minor-
13 ity, HONORABLY DISCHARGED VETERAN and women-owned business enterprise
14 participation requirements or has denied such request for a waiver; and
15 shall allow a contracting agency to file a complaint with the director
16 pursuant to subdivision nine of this section in the event a contractor
17 is failing or has failed to comply with the minority, HONORABLY
18 DISCHARGED VETERAN and women-owned business enterprise participation
19 requirements set forth in the state contract where no waiver has been
20 granted.

21 (b) The rules and regulations promulgated pursuant to this subdivision
22 regarding a utilization plan shall provide that where enterprises have
23 been identified within a utilization plan, a contractor shall attempt,
24 in good faith, to utilize such enterprise at least to the extent indi-
25 cated. A contracting agency may require a contractor to indicate, within
26 a utilization plan, what measures and procedures he or she intends to
27 take to comply with the provisions of this article, but may not require,
28 as a condition of award of, or compliance with, a contract that a
29 contractor utilize a particular enterprise in performance of the
30 contract.

31 (c) Without limiting other grounds for the disqualification of bids or
32 proposals on the basis of non-responsibility, a contracting agency may
33 disqualify the bid or proposal of a contractor as being non-responsible
34 for failure to remedy notified deficiencies contained in the contrac-
35 tor's utilization plan within a period of time specified in regulations
36 promulgated by the director after receiving notification of such defi-
37 ciencies from the contracting agency. Where failure to remedy any noti-
38 fied deficiency in the utilization plan is a ground for disqualifica-
39 tion, that issue and all other grounds for disqualification shall be
40 stated in writing by the contracting agency. Where the contracting agen-
41 cy states that a failure to remedy any notified deficiency in the utili-
42 zation plan is a ground for disqualification the contractor shall be
43 entitled to an administrative hearing, on a record, involving all
44 grounds stated by the contracting agency. Such hearing shall be
45 conducted by the appropriate authority of the contracting agency to
46 review the determination of disqualification. A final administrative
47 determination made following such hearing shall be reviewable in a
48 proceeding commenced under article seventy-eight of the civil practice
49 law and rules, provided that such proceeding is commenced within thirty
50 days of the notice given by certified mail return receipt requested
51 rendering such final administrative determination. Such proceeding shall
52 be commenced in the supreme court, appellate division, third department
53 and such proceeding shall be preferred over all other civil causes
54 except election causes, and shall be heard and determined in preference
55 to all other civil business pending therein, except election matters,
56 irrespective of position on the calendar. Appeals taken to the court of

1 appeals of the state of New York shall be subject to the same prefer-
2 ence.

3 6. Where it appears that a contractor cannot, after a good faith
4 effort, comply with the minority, HONORABLY DISCHARGED VETERAN and
5 women-owned business enterprise participation requirements set forth in
6 a particular state contract, a contractor may file a written application
7 with the contracting agency requesting a partial or total waiver of such
8 requirements setting forth the reasons for such contractor's inability
9 to meet any or all of the participation requirements together with an
10 explanation of the efforts undertaken by the contractor to obtain the
11 required minority, HONORABLY DISCHARGED VETERAN and women-owned business
12 enterprise participation. In implementing the provisions of this
13 section, the contracting agency shall consider the number and types of
14 minority, HONORABLY DISCHARGED VETERAN and women-owned business enter-
15 prises located in the region in which the state contract is to be
16 performed, the total dollar value of the state contract, the scope of
17 work to be performed and the project size and term. If, based on such
18 considerations, the contracting agency determines there is not a reason-
19 able availability of contractors on the list of certified business to
20 furnish services for the project, it shall issue a waiver of compliance
21 to the contractor. In making such determination, the contracting agency
22 shall first consider the availability of other business enterprises
23 located in the region and shall thereafter consider the financial abili-
24 ty of minority, HONORABLY DISCHARGED VETERAN and women-owned businesses
25 located outside the region in which the contract is to be performed to
26 perform the state contract.

27 7. For purposes of determining a contractor's good faith effort to
28 comply with the requirements of this section or to be entitled to a
29 waiver therefrom the contracting agency shall consider:

30 (a) whether the contractor has advertised in general circulation
31 media, trade association publications, and minority-focus, VETERAN-FOCUS
32 and women-focus media and, in such event, (i) whether or not certified
33 minority, HONORABLY DISCHARGED VETERAN or women-owned businesses which
34 have been solicited by the contractor exhibited interest in submitting
35 proposals for a particular project by attending a pre-bid conference;
36 and

37 (ii) whether certified businesses which have been solicited by the
38 contractor have responded in a timely fashion to the contractor's solici-
39 tations for timely competitive bid quotations prior to the contracting
40 agency's bid date; and

41 (b) whether there has been written notification to appropriate certi-
42 fied businesses that appear in the directory of certified businesses
43 prepared pursuant to paragraph (f) of subdivision three of section three
44 hundred eleven of this article; and

45 (c) whether the contractor can reasonably structure the amount of work
46 to be performed under subcontracts in order to increase the likelihood
47 of participation by certified businesses.

48 8. In the event that a contracting agency fails or refuses to issue a
49 waiver to a contractor as requested within twenty days after having made
50 application therefor pursuant to subdivision six of this section or if
51 the contracting agency denies such application, in whole or in part, the
52 contractor may file a complaint with the director pursuant to section
53 three hundred sixteen of this article setting forth the facts and
54 circumstances giving rise to the contractor's complaint together with a
55 demand for relief. The contractor shall serve a copy of such complaint
56 upon the contracting agency by personal service or by certified mail,

1 return receipt requested. The contracting agency shall be afforded an
2 opportunity to respond to such complaint in writing.

3 9. If, after the review of a contractor's minority, HONORABLY
4 DISCHARGED VETERAN and women owned business utilization plan or review
5 of a periodic compliance report and after such contractor has been
6 afforded an opportunity to respond to a notice of deficiency issued by
7 the contracting agency in connection therewith, it appears that a
8 contractor is failing or refusing to comply with the minority, HONORABLY
9 DISCHARGED VETERAN and women-owned business participation requirements
10 as set forth in the state contract and where no waiver from such
11 requirements has been granted, the contracting agency may file a written
12 complaint with the director pursuant to section three hundred sixteen of
13 this article setting forth the facts and circumstances giving rise to
14 the contracting agency's complaint together with a demand for relief.
15 The contracting agency shall serve a copy of such complaint upon the
16 contractor by personal service or by certified mail, return receipt
17 requested. The contractor shall be afforded an opportunity to respond to
18 such complaint in writing.

19 S 6. Section 317 of the executive law, as added by chapter 261 of the
20 laws of 1988, is amended to read as follows:

21 S 317. Superseding effect of article with respect to state law. The
22 provisions of this article shall supersede any other provision of state
23 law, which expressly implements or mandates an equal employment opportu-
24 nity program or a program for securing participation by minority, HONOR-
25 ABLY DISCHARGED VETERAN and women-owned business enterprises, concerning
26 action to be taken by any party to a state contract, to which the
27 provisions of this article apply; provided, however, that the provisions
28 of any state law, not as hereinabove superseded, which expressly imple-
29 ment or mandate such programs shall remain unimpaired by the provisions
30 of this article, except that the provisions of any such law shall be
31 construed as if the provisions of subdivisions five, six, seven and
32 eight of section three hundred thirteen and section three hundred
33 sixteen of this article were fully set forth therein and made applicable
34 only to complaints of violations under such provisions of law occurring
35 on or after September first, nineteen hundred eighty-eight; provided,
36 further, that nothing contained in this article shall be construed to
37 limit, impair, or otherwise restrict any state agency's authority or
38 discretionary power in effect prior to the enactment of this article to
39 establish or continue, by rule, regulation or resolution, an equal
40 opportunity program or a program for securing participation of minority,
41 HONORABLY DISCHARGED VETERAN and women-owned business enterprises with
42 regard to banking relationships, the issuance of insurance policies or
43 contracts for the sale of bonds, notes or other securities; and,
44 provided further, that nothing contained in the immediately preceding
45 proviso shall be construed to create, impair, alter, limit, modify,
46 enlarge, abrogate or restrict any agency's authority or discretionary
47 power with respect to an equal opportunity program or a program for
48 securing participation of minority, HONORABLY DISCHARGED VETERAN and
49 women-owned enterprises.

50 S 7. Section 136-b of the state finance law, as added by chapter 261
51 of the laws of 1988, is amended to read as follows:

52 S 136-b. Selection of underwriters by state agencies. Whenever a state
53 agency, as defined in article fifteen-A of the executive law, sells its
54 bonds, notes or other securities at a private sale, in selecting one or
55 more underwriters to purchase such securities the state agency shall
56 consider, among other things, the participation of firms certified

1 pursuant to such article as minority, HONORABLY DISCHARGED VETERAN or
2 women-owned firms and the ability of other firms under consideration to
3 work with minority, HONORABLY DISCHARGED VETERAN and women-owned busi-
4 ness enterprises so as to promote and assist participation by such
5 enterprises.

6 S 8. Paragraphs (b) and (d) of subdivision 2 of section 139-i of the
7 state finance law, as amended by chapter 531 of the laws of 1993, are
8 amended to read as follows:

9 (b) include in all bid documents provided to potential bidders a
10 statement that information concerning the availability of New York state
11 subcontractors and suppliers is available from the New York state
12 department of economic development, which shall include the directory of
13 certified minority and women-owned businesses, and it is the policy of
14 New York state to encourage the use of New York state subcontractors and
15 suppliers, and to promote the participation of minority, HONORABLY
16 DISCHARGED VETERAN and women-owned businesses, where possible, in the
17 procurement of goods and services.

18 (d) adopt policies to promote the participation by New York state
19 business enterprises and New York state residents in procurement
20 contracts, with the cooperation of the department of economic develop-
21 ment and the community services division of the department of labor
22 including, but not limited to, providing through cooperative efforts
23 with contractors for the notification of New York state business enter-
24 prises of opportunities to participate as subcontractors and suppliers
25 on procurement contracts in an amount estimated to be equal to or great-
26 er than one million dollars and for the notification of New York state
27 residents of employment opportunities arising in New York state out of
28 procurement contracts in an amount estimated to be equal to or greater
29 than one million dollars; and promulgating procedures which will assure
30 compliance by contractors with such notification. Once awarded the
31 contract, such contractors shall document their efforts to encourage the
32 participation of New York state business enterprises as suppliers and
33 subcontractors on procurement contracts equal to or greater than one
34 million dollars. Documented efforts by a successful contractor shall
35 consist of and be limited to showing that such contractor has [(a)] (I)
36 solicited bids, in a timely and adequate manner, from New York state
37 business enterprises including certified minority, HONORABLY DISCHARGED
38 VETERAN and women-owned business, or [(b)] (II) contacted the New York
39 state department of economic development to obtain listings of New York
40 state business enterprises, or [(c)] (III) placed notices for subcon-
41 tractors and suppliers in newspapers, journals and other trade publica-
42 tions distributed in New York state, or [(d)] (IV) participated in
43 bidder outreach conferences. If the contractor determines that New York
44 state business enterprises are not available to participate on the
45 contract as subcontractors or suppliers, the contractor shall provide a
46 statement indicating the method by which such determination was made. If
47 the contractor does not intend to use subcontractors on the contract,
48 the contractor shall provide a statement verifying such intent. Such
49 contractors shall also provide notification to New York state residents
50 of employment opportunities through listing any such positions with the
51 community services division, or providing for such notification in such
52 manner as is consistent with existing collective bargaining contracts or
53 agreements. On or before the effective date of this section, each state
54 agency or department shall submit such policies to the division of the
55 budget and copies thereof to the department of audit and control, the

department of economic development, the senate finance committee and the assembly ways and means committee.

S 9.
