The superintendent shall ensure that notice for the public hearing or hearings are posted in a manner to maximize the participation of parents, students, residents and school personnel.

2. The plan must establish a set of goals with appropriate benchmarks and measurable objectives and identify strategies to address areas where improvements are needed in school district operations, including but not limited to its financial stability, academic opportunities and outcomes, education of students with disabilities, education of English language learners, community relations and board governance practices, and shall ensure district compliance with all applicable state and federal laws and regulations.

3. The plan shall be publicly available at least fourteen days before the hearing or hearings at which it will be presented and the superintendent shall ensure that copies thereof shall be prepared and made available, upon request, to residents within the district at each schoolhouse in the district in which school is maintained during certain designated hours on each day other than a Saturday, Sunday or holiday during the seven days immediately preceding such hearing or hearings.

S 5. Appeal process for monitor decisions. Notwithstanding any other law, rule or regulation to the contrary, all decisions made by the state monitor, including decisions to overturn board and superintendent actions, shall be final and conclusive unless and until modified or reversed in an appeal to the commissioner pursuant to this section. When the board alleges that a reversal of a board or superintendent decision by the state monitor violates the education law, the rules of the board of regents, the regulations of the commissioner, or the terms of a certified five-year strategic academic and fiscal improvement plan, the board may appeal by petition to the commissioner in accordance with procedures established by the commissioner pursuant to section three hundred eleven of the education law.

The appointment may be extended, for a term or terms as the commissioner deems necessary consistent with the repeal date of this act.

S 8. This act shall take effect immediately and shall expire and be deemed repealed December 31, 2025.
