3 follows:
4 8. No school shall be in session on a Saturday, GENERAL ELECTION DAY
5 or a legal holiday, except [general election day,] Washington's birthday
6 and Lincoln's birthday, and except that driver education classes may be
7 conducted on a Saturday. A SCHOOL DISTRICT MAY ELECT TO REQUIRE STAFF
8 ATTENDANCE ON A GENERAL ELECTION DAY OR TO SCHEDULE A PROFESSIONAL
9 DEVELOPMENT DAY. A deficiency not exceeding four days during any school
10 year caused by teachers' attendance upon conferences held by superinten-
11 dents of schools of city school districts or other school districts
12 employing superintendents of schools shall be excused by the commission-
13 er, notwithstanding any provision of law, rule or regulation to the
14 contrary, a school district may elect to schedule such conference days
15 in the last two weeks of August, subject to collective bargaining

1 obligation of the school district to provide transportation to students
2 in non-public elementary and secondary schools or charter schools. The
3 commissioner shall excuse a deficiency not exceeding four days during
4 such school year caused by teachers' attendance upon conferences held by
5 such superintendents, provided that at least two such conference days
6 during such school year shall be dedicated to staff attendance upon
7 conferences providing staff development relating to implementation of
8 the new high learning standards and assessments, as adopted by the board
9 of regents. Notwithstanding any other provision of law, rule or regu-
10 lation to the contrary, school districts may elect to use one or more of
11 such allowable conference days in units of not less than one hour each
12 to provide staff development activities relating to implementation of
13 the new high learning standards and assessments. A district making such
14 election may provide such staff development during the regularly sched-
15 uled daily session and apply such units to satisfy a deficiency in the
16 length of one or more daily sessions of instruction for pupils as speci-
17 fied in regulations of the commissioner. The commissioner shall assure
18 that such conference days include appropriate school violence prevention
19 and intervention training, and may require that up to one such confer-
20 ence day be dedicated for such purpose.

21 S 2. Subdivision 3 of section 4-104 of the election law, as amended by
22 chapter 694 of the laws of 1989, is amended to read as follows:

23 3. A building exempt from taxation shall be used whenever possible as
24 a polling place if it is situated in the same or a contiguous election
25 district, and may contain as many distinctly separate polling places as
26 public convenience may require. The expense, if any, incidental to its
27 use, shall be paid like the expense of other places of registration and
28 voting. If a board or body empowered to designate polling places chooses
29 a public school building for such purpose, the board or agency which
30 controls such building must make available a room or rooms in such
31 building which are suitable for registration and voting and which are as
32 close as possible to a convenient entrance to such building and must
33 make available any such room or rooms which the board or body designat-
34 ing such building determines are accessible to physically disabled
35 voters as provided in subdivision one-a OF THIS SECTION. Notwithstanding
36 the provisions of any general, special or local law, if a board or body
37 empowered to designate polling places chooses a publicly owned or leased
38 building[, other than a public school building,] for such purposes the
39 board or body which controls such building must make available a room or
40 rooms in such building which are suitable for registration and voting
41 and which are as close as possible to a convenient entrance to such
42 building, and must make available any such room or rooms which the board
43 or body designating such building determines are accessible to phys-
44 ically disabled voters unless, not later than thirty days after notice
45 of its designation as a polling place, the board or body controlling
46 such building, files a written request for a cancellation of such desig-
47 nation with the board or body empowered to designate polling places on
48 such form as shall be provided by the board or body making such desig-
49 nation. The board or body empowered to so designate shall, within twenty
50 days after such request is filed, determine whether the use of such
51 building as a polling place would unreasonably interfere with the usual
52 activities conducted in such building and upon such determination, may
53 cancel such designation.

54 S 3. This act shall take effect January 1, 2017.
