Introduced by M. of A. ABINANTI -- read once and referred to the Committee on Transportation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the vehicle and traffic law, in relation to the residential parking system in the village of Dobbs Ferry in the county of Westchester; and providing for the repeal of such provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Legislative findings and intent. The legislature finds
2 that the village of Dobbs Ferry encompasses approximately 3 miles, has
3 over 11,000 residents and has within its boundaries a railroad station
4 maintained and operated by the Metro North division of the Metropolitan
5 Transportation Authority. The Dobbs Ferry Station attracts a large
6 number of commuters and travelers from outside of the village. The
7 station generates significant traffic and congestion and while there are
8 public and private off-street parking areas, commuters and train passengers
9 park on local streets adjoining the station. The residential neighborhoods
10 adjoining the train station are among Dobbs Ferry's oldest
11 neighborhoods and lack sufficient off-street parking to serve local
12 residents. Many homes lack adequate off-street parking. The additional
13 burden of commuter parking has resulted in traffic hazards, congestion
14 and air and noise pollution. In addition the overflow of commuter parking
15 on the residential streets poses a hazard to residents and pedestrians
16 in the area.
17 The legislature further finds that a residential parking system will
18 reduce such hazards and will reduce pollution levels as well. The legislature
19 therefore declares the necessity of this act to authorize the
20 village of Dobbs Ferry in the county of Westchester to adopt a residential
21 parking system in accordance with the provisions of this act.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.
