4 read as follows:

5 (2) Benefits payable to any claimant with respect to the claimant's  
6 then current benefit year shall be charged, when paid, to the account of  
7 the last employer prior to the filing of a valid original claim in an  
8 amount equal to seven times the claimant's benefit rate. Thereafter,  
9 such charges shall be made to the account of each employer in the base  
10 period used to establish the valid original claim in the same proportion  
11 that the remuneration paid by each employer to the claimant during that  
12 base period bears to the remuneration paid by all employers to the  
13 claimant during that base period except as provided below:

14 (i) In those instances where the claimant may not utilize wages paid  
15 to establish entitlement based upon subdivision ten of section five  
16 hundred ninety of this article and an educational institution is the  
17 claimant's last employer prior to the filing of the claim for benefits,  
18 or the claimant performed services in such educational institution in  
19 such capacity while employed by an educational service agency which is  
20 the claimant's last employer prior to the filing of the claim for bene-  
21 fits, such employer shall not be liable for benefit charges for the  
22 first [twenty-eight effective days] SEVEN EFFECTIVE WEEKS of benefits  
23 paid as otherwise provided by this section. Under such circumstances,  
24 benefits paid shall be charged to the general account. In addition,  
25 wages paid during the base period by such educational institutions, or  
26 for services in such educational institutions for claimants employed by  
27 an educational service agency shall not be considered base period wages  
28 during periods that such wages may not be used to gain entitlement to  
29 benefits pursuant to subdivision ten of section five hundred ninety of  
30 this article.

31 (ii) In those instances where the claimant may not utilize wages paid  
32 to establish entitlement based upon subdivision eleven of section five  
33 hundred ninety of this article and an educational institution is the  
34 claimant's last employer prior to the filing of the claim for benefits,  
35 or the claimant performed services in such educational institution in  
36 such capacity while employed by an educational service agency which is  
37 the claimant's last employer prior to the filing of the claim for bene-  
38 fits, such employer shall not be liable for benefit charges for the  
39 first [twenty-eight effective days] SEVEN EFFECTIVE WEEKS of benefits  
40 paid as otherwise provided by this section. Under such circumstances,  
41 benefits paid will be charged to the general account. In addition, wages  
42 paid during the base period by such educational institutions, or for  
43 services in such educational institutions for claimants employed by an  
44 educational service agency shall not be considered base period wages  
45 during periods that such wages may not be used to gain entitlement to  
46 benefits pursuant to subdivision eleven of section five hundred ninety  
47 of this article. However, in those instances where a claimant was not  
48 afforded an opportunity to perform services for the educational institu-  
49 tion for the next academic year or term after reasonable assurance was  
50 provided, such employer shall be liable for benefit charges as provided  
51 for in this paragraph for any retroactive payments made to the claimant.

52 (iii) In those instances where the federal government is the claim-  
53 ant's last employer prior to the filing of the claim for benefits and  
54 such employer is not a base-period employer, payments equaling the first  
55 [twenty-eight effective days] SEVEN EFFECTIVE WEEKS of benefits as  
56 otherwise prescribed by this section shall be charged to the general

1 account. In those instances where the federal government is the claim-  
2 ant's last employer prior to the filing of the claim for benefits and a  
3 base-period employer, such employer shall be liable for charges for all  
4 benefits paid on such claim in the same proportion that the remuneration  
5 paid by such employer during the base period bears to the remuneration  
6 paid by all employers during the base period. In addition, benefit  
7 payment charges for the first [twenty-eight effective days] SEVEN EFFEC-  
8 TIVE WEEKS of benefits other than those chargeable to the federal  
9 government as prescribed above shall be made to the general account.

10 (iv) In those instances where a combined wage claim is filed pursuant  
11 to interstate reciprocal agreements and the claimant's last employer  
12 prior to the filing of the claim is an out-of-state employer and such  
13 employer is not a base-period employer, benefit payments equaling the  
14 first [twenty-eight effective days] SEVEN EFFECTIVE WEEKS of benefits as  
15 otherwise prescribed by this section shall be charged to the general  
16 account. In those instances where the out-of-state employer is the last  
17 employer prior to the filing of the claim for benefits and a base-period  
18 employer such employer shall be liable for charges for all benefits paid  
19 on such claim in the same proportion that the remuneration paid by such  
20 employer during the base period bears to the remuneration paid by all  
21 employers during the base period. In addition, benefit payment charges  
22 for the [twenty-eight effective days] SEVEN EFFECTIVE WEEKS of benefits  
23 other than those chargeable to the out-of-state employer as prescribed  
24 above shall be made to the general account.

25 (v) In those instances where the last employer prior to the filing of  
26 a valid original claim has paid total remuneration to the claimant  
27 during the period from the start of the base period used to establish  
28 the benefit claim until the date of the claimant's filing of the valid  
29 original claim in an amount less than or equal to six times the claim-  
30 ant's benefit rate and the last employer has substantiated such amount  
31 to the satisfaction of the commissioner within ten days of the commis-  
32 sioner's original notice of potential charges to such last employer's  
33 account, benefits shall be charged as follows: benefits payable to the  
34 claimant with respect to the claimant's then current benefit year shall  
35 be charged, when paid, to the account of such last employer prior to the  
36 filing of a valid original claim in an amount equal to the lowest whole  
37 number (one, two, three, four, five, or six) times the claimant's bene-  
38 fit rate where the product of such lowest whole number times the claim-  
39 ant's benefit rate is equal to or greater than such total remuneration  
40 paid by such last employer to the claimant. Thereafter, such charges  
41 shall be made to the account of each employer in the base period used to  
42 establish the valid original claim in the same proportion that the  
43 remuneration paid by each employer to the claimant during that base  
44 period bears to the remuneration paid by all employers to the claimant  
45 during that base period. Notice of such recalculation of potential  
46 charges shall be given to the last employer and each employer of the  
47 claimant in the base period used to establish the valid original claim.

46 fitted by training and experience. A claimant who is receiving benefits  
47 under this article shall not be denied such benefits pursuant to this  
48 subdivision or to subdivision two of this section because of such claim-  
49 ant's service on a grand or petit jury of any state or of the United  
50 States.

51 S 7. Subdivision 1 of section 591 of the labor law, as amended by  
52 chapter 446 of the laws of 1981, is amended to read as follows:

53 1. Unemployment. Benefits shall be paid only to a claimant who is  
54 totally unemployed OR PARTIALLY UNEMPLOYED and who is unable to engage  
55 in his usual employment or in any other for which he is reasonably  
56 fitted by training and experience. A claimant who is receiving benefits

under this article shall not be denied such benefits pursuant to this subdivision or to subdivision two of this section because of such claimant's service on a grand or petit jury of any state or of the United States.

S 8. Subparagraph (i) of paragraph (b) of subdivision 2 of section 591-a of the labor law, as amended by section 14 of part 0 of chapter 57 of the laws of 2013, is amended to read as follows:

S 9. Subdivision 2 of section 592 of the labor law, as amended by chapter 415 of the laws of 1983, is amended to read as follows:

2. Concurrent payments prohibited. No [days] WEEKS of total unemployment OR PARTIAL UNEMPLOYMENT shall be deemed to occur in any week with respect to which [or a part of which] a claimant has received or is seeking unemployment benefits under an unemployment compensation law of any other state or of the United States, provided that this provision shall not apply if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such unemployment benefits.

S 10. Paragraph (a) of subdivision 1 of section 593 of the labor law, as amended by section 15 of part 0 of chapter 57 of the laws of 2013, is amended to read as follows:

(a) No [days] WEEKS of total unemployment OR PARTIAL UNEMPLOYMENT shall be deemed to occur after a claimant's voluntary separation without good cause from employment until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate. In addition to other circumstances that may be found to constitute good cause, including a compelling family reason as set forth in paragraph (b) of this subdivision, voluntary separation from employment shall not in itself disqualify a claimant if circumstances have developed in the course of such employment that would have justified the claimant in refusing such employment in the first instance under the terms of subdivision two of this section or if the claimant, pursuant to an option provided under a collective bargaining agreement or written employer plan which permits waiver of his or her right to retain the employment when there is a temporary layoff because of lack of work, has elected to be separated for a temporary period and the employer has consented thereto.

S 11. The opening paragraph and paragraph (a) of subdivision 2 of section 593 of the labor law, the opening paragraph as amended by section 15 of part 0 of chapter 57 of the laws of 2013, paragraph (a) as added by chapter 589 of the laws of 1998, is amended to read as follows:

No [days] WEEKS of total unemployment OR PARTIAL UNEMPLOYMENT shall be deemed to occur beginning with the [day on] WEEK IN which a claimant, without good cause, refuses to accept an offer of employment for which he or she is reasonably fitted by training and experience, including employment not subject to this article, until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate. Except that claimants who are not subject to a recall date or who do not obtain employment through a union hiring hall and who are still unemployed after receiving ten weeks of benefits shall be required to accept any employment proffered that such

claimants are capable of performing, provided that such employment would result in a wage not less than eighty percent of such claimant's high calendar quarter wages received in the base period and not substantially less than the prevailing wage for similar work in the locality as provided for in paragraph (d) of this subdivision. No refusal to accept employment shall be deemed without good cause nor shall it disqualify any claimant otherwise eligible to receive benefits if:

(a) a refusal to accept employment which would interfere with a claimant's right to join or retain membership in any labor organization or otherwise interfere with or violate the terms of a collective bargaining agreement shall be with good cause; OR

S 12. Subdivisions 3 and 4 of section 593 of the labor law, subdivision 3 as amended by section 15 of part O of chapter 57 of the laws of 2013, subdivision 4 as amended by chapter 589 of the laws of 1998, are amended to read as follows:

3. Misconduct. No [days] WEEKS of total unemployment OR PARTIAL UNEMPLOYMENT shall be deemed to occur after a claimant lost employment through misconduct in connection with his or her employment until he or she has subsequently worked in employment and earned remuneration at least equal to ten times his or her weekly benefit rate.

4. Criminal acts. No [days] WEEKS of total unemployment OR PARTIAL UNEMPLOYMENT shall be deemed to occur during a period of twelve months after a claimant loses employment as a result of an act constituting a felony in connection with such employment, provided the claimant is duly convicted thereof or has signed a statement admitting that he or she has committed such an act. Determinations regarding a benefit claim may be reviewed at any time. Any benefits paid to a claimant prior to a determination that the claimant has lost employment as a result of such act shall not be considered to have been accepted by the claimant in good faith. In addition, remuneration paid to the claimant by the affected employer prior to the claimant's loss of employment due to such criminal act may not be utilized for the purpose of establishing entitlement to a subsequent, valid original claim. The provisions of this subdivision shall apply even if the employment lost as a result of such act is not the claimant's last employment prior to the filing of his or her claim.

S 13. Section 594 of the labor law, as amended by section 16 of part O of chapter 57 of the laws of 2013, is amended to read as follows:

S 594. Reduction and recovery of benefits and penalties for wilful false statement. (1) A claimant who has wilfully made a false statement or representation to obtain any benefit under the provisions of this article shall forfeit benefits for at least the first [four] ONE but not more than the first [eighty] TWENTY effective [days] WEEKS following discovery of such offense for which he or she otherwise would have been entitled to receive benefits. Such penalty shall apply only once with respect to each such offense.

(2) For the purpose of subdivision four of section five hundred ninety of this article, the claimant shall be deemed to have received benefits for such forfeited effective [days] WEEKS.

(3) The penalty provided in this section shall not be confined to a single benefit year but shall no longer apply in whole or in part after the expiration of two years from the date of the final determination. Such two-year period shall be tolled during the time period a claimant has an appeal pending.

(4) A claimant shall refund all moneys received because of such false statement or representation and pay a civil penalty in an amount equal to the greater of one hundred dollars or fifteen percent of the total

overpaid benefits determined pursuant to this section. The penalties collected hereunder shall be deposited in the fund. The penalties assessed under this subdivision shall apply and be assessed for any benefits paid under federal unemployment and extended unemployment programs administered by the department in the same manner as provided in this article. The penalties in this section shall be in addition to any penalties imposed under this chapter or any state or federal criminal statute. No penalties or interest assessed pursuant to this section may be deducted or withheld from benefits.

(5) (a) Upon a determination based upon a willful false statement or representation becoming final through exhaustion of appeal rights or failure to exhaust hearing rights, the commissioner may recover the amount found to be due by commencing a civil action, or by filing with the county clerk of the county where the claimant resides the final determination of the commissioner or the final decision by an administrative law judge, the appeal board, or a court containing the amount found to be due including interest and civil penalty. The commissioner may only make such a filing with the county clerk when:

(i) The claimant has responded to requests for information prior to a determination and such requests for information notified the claimant of his or her rights to a fair hearing as well as the potential consequences of an investigation and final determination under this section including the notice required by subparagraph (iii) of paragraph (b) of this subdivision. Additionally if the claimant requested a fair hearing or appeal subsequent to a determination, that the claimant was present either in person or through electronic means at such hearing, or subsequent appeal from which a final determination was rendered;

(ii) The commissioner has made efforts to collect on such final determination; and

(iii) The commissioner has sent a notice, in accordance with paragraph (b) of this subdivision, of intent to docket such final determination by first class or certified mail, return receipt requested, ten days prior to the docketing of such determination.

(b) The notice required in subparagraph (iii) of paragraph (a) of this subdivision shall include the following:

(i) That the commissioner intends to docket a final determination against such claimant as a judgment;

(ii) The total amount to be docketed; and

(iii) Conspicuous language that reads as follows: "Once entered, a judgment is good and can be used against you for twenty years, and your money, including a portion of your paycheck and/or bank account, may be taken. Also, a judgment will hurt your credit score and can affect your ability to rent a home, find a job, or take out a loan."

S 14. Subdivisions 1 and 4 of section 596 of the labor law, subdivision 1 as amended by chapter 204 of the laws of 1982 and subdivision 4 as added by chapter 705 of the laws of 1944, such section as renumbered by chapter 663 of the laws of 1946, and subdivision 4 as renumbered by section 148-a of part B of chapter 436 of the laws of 1997, are amended to read as follows:

1 the commissioner shall notify the state or local child support enforce-  
2 ment agency, as hereafter defined, that the claimant is eligible.

3 A claimant shall correctly report any [days] WEEKS of employment and  
4 any compensation he received for such employment, including employments  
5 not subject to this article, and the [days on] WEEKS DURING which he was  
6 totally unemployed OR PARTIALLY UNEMPLOYED and shall make such reports  
7 in accordance with such regulations as the commissioner shall prescribe.

8 4. Registration and reporting for work. A claimant shall register as  
9 totally unemployed OR PARTIALLY UNEMPLOYED at a local state employment  
10 office serving the area in which he was last employed or in which he

12 prescribe. After so registering, such claimant shall report for work at  
13 the same local state employment office or otherwise give notice of the  
14 continuance of his unemployment as often and in such manner as the  
15 commissioner shall prescribe.

17 as amended by chapter 593 of the laws of 1991, is amended to read as  
18 follows:

21 receive additional benefits of up to [one hundred four] TWENTY-SIX  
22 effective [days] WEEKS following exhaustion of regular and, if in  
23 effect, any other extended benefits, provided that entitlement to a new  
24 benefit claim cannot be established. Certification of continued satis-  
25 factory participation and progress in such training course or program  
26 must be submitted to the commissioner prior to the payment of any such  
27 benefits. The duration of such additional benefits shall in no case

48 issued by the secretary of labor of the United States;

49 (c) has not received and is not seeking unemployment benefits under  
50 the unemployment compensation law of the Virgin Islands or of Canada

53 law;

54 (d) has satisfied the conditions of this article, required to render a  
55 claimant eligible for regular benefits, which are applicable to extended  
56 benefits, including not being subject to a disqualification or suspen-

Notwithstanding the foregoing, where the state has entered an extended benefit period triggered pursuant to subparagraph one of paragraph (a) of subdivision one of this section for which federal law provides for one hundred percent federal sharing of the costs of benefits, all charges shall be debited to the general account and such account shall be credited with the amount of payments received in the fund pursuant to the provisions of the federal-state extended unemployment compensation act or other federal law providing for one hundred percent federal sharing for the cost of such benefits.
