AN ACT to authorize the Empire State Development Corporation to acquire, by eminent domain, a certain parcel of real property in the borough of Brooklyn; and to authorize the city of New York to develop certain parkland

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. The legislature finds that the 2005 Greenpoint-Williams-
2 burg Waterfront Rezoning included city commitments, and created an
3 expectation in the community, that the future Bushwick Inlet Park would
4 include the parcel that is described in section two of this act. The
5 legislature further finds that these commitments were included in the
6 Environmental Impact Statement and City Planning resolution prepared at
7 that time and that the city zoning map today shows the parcel to be
8 parkland.
9 S 2. Notwithstanding the provisions of article two of the eminent
10 domain procedure law, where, as part of a rezoning, an official of the
11 city has signed a memorandum of understanding with the community, the
12 Empire State Development Corporation, acting by and through its board,
13 is authorized, without consideration of other sites for a public project
14 and any other requirement of such article, to acquire by eminent domain
15 the real property in the borough of Brooklyn at North 11th Street,
16 otherwise known on the tax map of the city of New York as block 2287,
17 lot 30, block 2294, lot 1, block 2294, lot 5, and block 2287, lot 16,
18 for the purpose of a public project.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets
