2 1 of part D of chapter 56 of the laws of 2012, is amended to read as
3 follows:
4 S 2823. Supportive housing development program. 1. For the purposes of
5 this section "eligible applicant" shall mean (a) a unit of local govern-
6 ment, or (b) a not-for-profit corporation that has been in existence for

1 3. The commissioner shall establish an application process by which
2 eligible applicants may apply for a grant under this section. The appli-
3 cation shall include:

4 (a) the geographic area in which the housing/services shall be
5 provided;

6 (b) a detailed description of the housing/services to be provided;

7 (c) a plan for the efficient and effective use of funding for the
8 development of adequate and accessible housing to support vulnerable
9 persons, INCLUDING SENIOR CITIZENS, in the community;

10 (d) other relevant factors relating to the need for maintenance of
11 existing supportive housing and the development of new supportive hous-
12 ing and associated services; and

13 (e) any other information that the commissioner deems relevant and
14 appropriate.

15 4. Grantees under this section shall file an annual report with the
16 commissioner, in such form and with such information and data as the
17 commissioner prescribes detailing the expenditure of grant funds. In
18 addition, the commissioner is authorized and empowered to make
19 inspections and examine records of any entity funded pursuant to subdi-
20 vision two of this section. Such examination shall include all medical,
21 service and financial records, receipts, disbursements, contracts, loans
22 and other moneys relating to the financial operation of the provider.

23 5. The amount of supportive housing development reinvestment funds for
24 the department shall be subject to annual appropriation. The methodol-
25 ogies used to calculate the savings shall be developed by the commis-
26 sioner and the director of the budget. In no event shall the full annual
27 value of supportive housing development reinvestment programs attribut-
28 able to inpatient hospital and nursing home bed decertification and/or
29 facility closure exceed the twelve month value of the department of
30 health general fund reductions resulting from such decertification
31 and/or facility closure.

32 6. The annual supportive housing development reinvestment appropri-
33 ation shall reflect a proportion of the amount of general fund savings
34 resulting from subdivision five of this section. Within any fiscal year
35 where appropriation increases are recommended for the supportive housing
36 development reinvestment program, insofar as projected bed decertif-
37 ication and/or facility closures do not occur as estimated, and general
38 fund savings do not result, then the reinvestment appropriations may be
39 reduced in the next year's annual budget itemization.

40 7. No provision in this section shall create or be deemed to create
41 any right, interest or entitlement to services or funds that are subject
42 to this section, or to any other services or funds, whether to individ-
43 uals, localities, providers or others, individually or collectively.

44 8. The commissioner shall promulgate regulations, and may promulgate
45 emergency regulations, to effectuate the provisions of this section.

46 S 2. This act shall take effect immediately.
