LBD13611-05-6

If this legislation is enacted during the 2016 legislative session, we anticipate that there will be an increase of approximately $5,330 in the annual contributions of the tow of Haverstraw for the fiscal year ending March 31, 2017. In addition, there will be an increase of approximately $90 in the annual contributions of the town of Highlands. In future years, these costs will vary as the billing rates and salary of Christopher Dyroff change.

In addition to the annual contritions discussed above, there will be an immediate past service cost of approximately $1,730 which will be borne by the town of Highlands as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2017.
