ment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2015 through March 31, 2016 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2014 that are submitted on or before January 2, 2015 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2015.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services

13 claim title IV-E funding only for cases  
14 that meet all of the title IV-E eligibil-  
15 ity criteria; and fully implement the  
16 social services payment system on or  
17 before April 1, 2005 for all direct and  
18 voluntary agency foster care services.

19 Notwithstanding any law to the contrary, the  
20 office of children and family services  
21 shall impose on social services districts  
22 any federal disallowance issued against  
23 the state as a result of a federal title  
24 IV-E secondary eligibility review regard-  
25 less of the date the children may have  
26 entered foster care, the date the eligi-  
27 bility or payment errors occurred, or the  
28 filing date of any federal claims for  
29 reimbursement; provided, however, that the  
30 state shall be responsible for the disal-  
31 lowed costs and expenditures related to  
32 the placement of children in a facility  
33 operated by the office of children and  
34 family services, which shall be determined  
35 in the same manner as the disallowed costs  
36 and expenditures for social services  
37 districts other than the city of New York.  
38 In order to reimburse the federal govern-  
39 ment for the full amount of any disallow-  
40 ance imposed on the state by the federal  
41 administration for children and families  
42 within the timeframes necessary to avoid  
43 any potential interest payments on such  
44 amount, the office of children and family  
45 services is authorized to immediately  
46 offset funds otherwise due to each  
47 district for a pro rata share of the total  
48 disallowed costs based on the percentage  
49 of applicable federal title IV-E claims  
50 made by that district for the relevant  
51 time period as compared to the total

1 applicable statewide title IV-E claims.  
2 The amount of the offset against each  
3 district will be adjusted, if necessary,  
4 upon completion of the disallowance allo-  
5 cation process. The final allocation of  
6 the amount of any federal disallowance  
7 resulting from a title IV-E secondary  
8 eligibility review shall be allocated  
9 among the districts so that each district  
10 shall be responsible for the amount  
11 attributable to each of the district's  
12 children or cases that are determined by  
13 the federal review to be unallowable. Each  
14 district shall also be responsible for a  
15 portion of the federal extrapolated disal-  
16 lowance amount based on the relative error  
17 rate for the district. The city of New  
18 York's error rate will be based on the  
19 federal sample and federal statistics. For  
20 all social services districts other than  
21 the city of New York, the error rate will  
22 be based on a review conducted by the  
23 district of a sample of children and/or  
24 cases determined by the office of children  
25 and family services and a re-review of a  
26 sub-sample by the office of those children  
27 and/or cases determined by the office. The  
28 office of children and family services  
29 will determine what is reasonable in  
30 establishing the size of the sample and  
31 sub-sample for each district. The office  
32 of children and family services shall  
33 notify each social services district of  
34 the sample of children and/or cases from  
35 the federal audit period that the social  
36 services district must review. Any child  
37 or case from the social services district  
38 that was included in the federal sample  
39 will automatically be included in the  
40 social services district's review sample  
41 and the determination made at the federal  
42 review regarding that child or case will  
43 govern for the purposes of the social  
44 services district's review. The social  
45 services district must complete and submit  
46 the results of its review to the office of  
47 children and family services within 60  
48 days of receipt of the sample. The error  
49 rate for the district will be based on the  
50 findings of the district's review and the  
51 office of children and family services'

1 re-review. If a social services district  
2 does not complete its review within 60  
3 days of receiving the sample from the  
4 office of children and family services,  
5 the office of children and family services  
6 shall assign an error rate to the social  
7 services district based on the relative  
8 percentage of the district's applicable  
9 title IV-E claims for the relevant period  
10 as compared to applicable statewide title  
11 IV-E claims for that period and other  
12 circumstances that the office of children  
13 and family services may consider in order  
14 to allocate 100 percent of the federal  
15 disallowance. The office of children and  
16 family services shall apply each social  
17 services district's error rate to the  
18 total amount of the district's applicable  
19 title IV-E claims including associated  
20 administrative expenses. The resulting  
21 dollar amounts for all of the social  
22 services districts will be summed to  
23 derive the total amount of title IV-E  
24 claims deemed to be in error statewide. To  
25 establish a disallowance percentage for  
26 each social services district, the amount  
27 of the district's title IV-E claims deemed  
28 to be in error will be divided by the  
29 amount of statewide title IV-E claims  
30 deemed to be in error. The resulting  
31 disallowance percentage for each district  
32 will be applied to the entire title IV-E  
33 extrapolated disallowance calculated by  
34 the federal review to determine the amount  
35 of the extrapolated disallowance for which  
36 the district is responsible. Each district  
37 will be credited for the amount already  
38 disallowed for any individual children or  
39 cases found to be in error during the  
40 federal review. The exclusive appeal  
41 rights for the review of the amount of the  
42 federal disallowance assigned to each  
43 social services district shall be pursuant  
44 to article 78 of the civil practice laws  
45 and rules; provided, however, that in any  
46 such action all of the social services  
47 districts shall be joined as necessary  
48 parties and the venue of any such action  
49 shall be in Rensselaer county. Any social  
50 services district that fails to complete

Notwithstanding any inconsistent provision of law, the amount herein appropriated may be transferred to any other appropriation within the office of children and family services and/or the office of temporary and disability assistance and/or suballotted to the office of temporary and disability assistance for the purpose of paying local social services districts' costs of the above program and may be increased or decreased by interchange with any other appropriation or with any other item or items within the amounts appropriated within the office of children and family services general fund - local assistance account with the approval of the director of the budget who shall file such approval with the department of audit and control and copies thereof with the chairman of the senate finance committee and the chairman of the assembly ways and means committee.

Notwithstanding any inconsistent provision of law, in lieu of payments authorized by the social services law, or payments of federal funds otherwise due to the local social services districts for programs provided under the federal social security act or the federal food stamp act, funds herein appropriated, in amounts certified by the state comptroller or the state commissioner of health as due from local social services districts each month as their share of payments made pursuant to section 367-b of the social services law may be set aside by the state comptroller in an interest bearing account with such interest accruing to the credit of the locality in order to ensure the orderly

16 the costs of administering such direct  
17 deposit or debit card payments.

18 Notwithstanding any inconsistent provision  
19 of the social services law or the state  
20 finance law, the office of children and  
21 family services shall, on a quarterly  
22 basis, request that the office of tempo-

24 the office of children and family services  
25 for the non-federal share of the costs of  
26 administering such direct deposit or debit

DEPARTMENT OF FAMILY ASSISTANCE  
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES - REAPPROPRIATIONS 2015-16

Each authorized agency operating a congregate care or foster boarding home program in New York state for which the office sets a maximum state aid rate pursuant to section 398-a of the social services law or section 4003 or 4405 of the education law shall submit, at the time and in a manner to be determined by the office, a written certification, attesting that the funds received for the continuation of the cost of living adjustment to the maximum state aid rate that became effective April 1, 2008 for that program will be or were used solely in accordance with the requirements of the cost of living adjustment established by the office. Notwithstanding any inconsistent provision of law, including section 1 of part C of chapter 57 of the laws of 2006, as amended by section 1 of part N of chapter 56 of the laws of 2013, for the period commencing on April 1, 2014 and ending March 31, 2015 the commissioner shall not apply any cost of living adjustment for the purpose of establishing rates of payments, contracts or any other form of reimbursement.

Within the amounts appropriated herein, state reimbursement to each social services district for services identified herein that are otherwise reimbursable by the state from April 1, 2014 through March 31, 2015 shall be limited to a district allocation, hereinafter referred to as the district's block grant allocation. Notwithstanding any other provision of law, such block grant allocation shall be based, in part, on each district's claims for such costs, adjusted by the applicable cost allocation methodology and net of any retroactive payments for the 12 month period ending June 30, 2013 that are submitted on or before January 2, 2014 and, in part, on such other factors as determined by the office of children and family services and approved by the director of the budget. Any portion of a social services district's allocation from funds appropriated herein not claimed by such district during the state fiscal year may be used by such district for expenditures on preventive services provided pursuant to section 409-a of the social services law, independent living services and aftercare services provided pursuant to regulations of the department of family assistance, claimed by such district during the next state fiscal year up to the amount remaining from the district's foster care block grant allocation, provided however, that any claims for such services during the next state fiscal year in excess of such amount shall be subject to 62 percent state reimbursement exclusive of any federal funds made available for such purposes, in accordance with directives of the department of family assistance and subject to the approval of the director of the budget. Any claims submitted by a social services district for reimbursement for a particular state fiscal year for which the social services district does not receive state or federal reimbursement during that state fiscal year may not be claimed against that district's block grant apportionment for the next state fiscal year.

The office of children and family services, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share decrease related to federal retroactive reimbursement for such foster care services identified herein. The

office, with the approval of the director of the budget, may reduce a district's block grant allocation by the state share of disallowances or sanctions taken against the district pursuant to the social services law or federal law.

Notwithstanding any other provision of law, the state shall not be responsible for reimbursing a social services district and a district shall not seek state reimbursement for any portion of any state disallowance or sanction taken against the social services district, or any federal disallowance attributable to final federal agency decisions or to settlement made, on or after July 1, 1995, when such disallowance or sanction results from the failure of the social services district to comply with federal or state requirements, including, but not limited to, failure to document eligibility for federal or state funds in the case record; provided, however, if the office determines that any federal disallowance for services provided between January 1, 1999 and May 31, 1999 results solely from the late enactment of the state legislation implementing the federal adoption and safe families act, the state shall be solely responsible for the full amount of the disallowance or sanction; provided, further, however, this provision shall be deemed to apply both prospectively and retroactively regardless of whether such sanctions or disallowances are for services provided or claims made prior to or after April 1, 2014.

Notwithstanding any other provision of law, any federal disallowance resulting from a federal title IV-E eligibility review or audit that uses extrapolated statistic techniques shall be passed along by the state to any and all social services districts that the office of children and family services has determined have not complied with the title IV-E eligibility requirements or have not taken the necessary actions to ensure compliance with such requirements including, but not limited to, failing to: assess and fully document all the criteria and have readily available all the necessary documents to establish and continue title IV-E eligibility for all title IV-E eligible children within the required time frames; claim title IV-E funding only for cases that meet all of the title IV-E eligibility criteria; and fully implement the social services payment system on or before April 1, 2005 for all direct and voluntary agency foster care services.

Notwithstanding any law to the contrary, the office of children and family services shall impose on social services districts any federal disallowance issued against the state as a result of a federal title IV-E secondary eligibility review regardless of the date the children may have entered foster care, the date the eligibility or payment errors occurred, or the filing date of any federal claims for reimbursement; provided, however, that the state shall be responsible for the disallowed costs and expenditures related to the placement of children in a facility operated by the office of children and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed

DEPARTMENT OF FAMILY ASSISTANCE  
OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES - REAPPROPRIATIONS 2015-16

on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children and/or cases determined by the office. The office of children and family services will determine what is reasonable in establishing the size of the sample and sub-sample for each district. The office of children and family services shall notify each social services district of the sample of children and/or cases from the federal audit period that the social services district must review. Any child or case from the social services district that was included in the federal sample will automatically be included in the social services district's review sample and the determination made at the federal review regarding that child or case will govern for the purposes of the social services district's review. The social services district must complete and submit the results of its review to the office of children and family services within 60 days of receipt of the sample. The error rate for the district will be based on the findings of the district's review and the office of children and family services' re-review. If a social services district does not complete its review within 60 days of receiving the sample from the office of children and family services, the office of children and family services shall assign an error rate to the social services district based on the relative percentage of the district's applicable title IV-E claims for the relevant period as compared to applicable statewide title IV-E claims for that period and other circumstances that the office of children and family services may consider in order to allocate 100 percent of the federal disallowance. The office of children and family services shall apply each social services district's error rate to the total amount of the district's applicable title IV-E claims including associated administrative expenses. The resulting dollar amounts for all of the

OFFICE OF CHILDREN AND FAMILY SERVICES

AID TO LOCALITIES - REAPPROPRIATIONS 2015-16

1 social services districts will be summed to derive the total amount  
2 of title IV-E claims deemed to be in error statewide. To establish a  
3 disallowance percentage for each social services district, the  
4 amount of the district's title IV-E claims deemed to be in error  
5 will be divided by the amount of statewide title IV-E claims deemed  
6 to be in error. The resulting disallowance percentage for each  
7 district will be applied to the entire title IV-E extrapolated  
8 disallowance calculated by the federal review to determine the  
9 amount of the extrapolated disallowance for which the district is  
10 responsible. Each district will be credited for the amount already  
11 disallowed for any individual children or cases found to be in error  
12 during the federal review. The exclusive appeal rights for the  
13 review of the amount of the federal disallowance assigned to each  
14 social services district shall be pursuant to article 78 of the  
15 civil practice laws and rules; provided, however, that in any such  
16 action all of the social services districts shall be joined as  
17 necessary parties and the venue of any such action shall be in Rens-  
18 selaer county. Any social services district that fails to complete  
19 its sample review in the required time frames shall have no right to  
20 appeal and shall not be a necessary party to any action brought by  
21 another social services district.

22 The money hereby appropriated is to be available for payment of state  
23 aid heretofore accrued or hereafter to accrue to municipalities.  
24 Subject to the approval of the director of the budget, the money  
25 hereby appropriated shall be available to the office net of disal-  
26 lowances, refunds, reimbursements, and credits.

27 Notwithstanding any inconsistent provision of law, the amount herein

35 The commissioner shall seek the input of the  
36 legislature, as well as organizations  
37 representing health care providers,

13 provided below and state share medicaid spending, in the aggregate,  
14 for the period April 1, 2015 through [March 31] SEPTEMBER 15, 2016,

16 of health state funds medicaid spending for the period April 1, 2014  
17 through [March 31] SEPTEMBER 15, 2016 exceed \$35,020,738,000  
18 provided, however, such aggregate limits may be adjusted by the  
19 director of the budget to account for any changes in the New York  
20 state federal medical assistance percentage amount established  
21 pursuant to the federal social security act, increases in provider  
22 revenues, reductions in local social services district payments for  
23 medical assistance administration and beginning April 1, 2012 the  
24 operational costs of the New York state medical indemnity fund,  
25 pursuant to a chapter establishing such fund. Such projections may  
26 be adjusted by the director of the budget to account for increased  
27 or expedited department of health state funds medicaid expenditures  
28 as a result of a natural or other type of disaster, including a  
29 governmental declaration of emergency. The director of the budget,  
30 in consultation with the commissioner of health, shall assess on a  
31 monthly basis known and projected medicaid expenditures by category  
32 of service and by geographic region, as determined by the commis-  
33 sioner of health, incurred both prior to and subsequent to such  
34 assessment for each such period, and if the director of the budget  
35 determines that such expenditures are expected to cause medicaid  
36 spending for such period to exceed the aggregate limit specified  
37 herein for such period, the state medicaid director, in consultation  
38 with the director of the budget and the commissioner of health,  
39 shall develop a medicaid savings allocation plan to limit such  
40 spending to the aggregate limit specified herein for such period.  
41 Such medicaid savings allocation plan shall be designed, to reduce the  
42 expenditures authorized by the appropriations herein in compliance  
43 with the following guidelines: (1) reductions shall be made in

4 made in a manner that maximizes federal financial participation, to

6 ipation that is available or is reasonably expected to become avail-  
7 able, in the discretion of the commissioner, under the Affordable  
8 Care Act; (4) reductions shall be made uniformly among categories of  
9 services and geographic regions of the state, to the extent practi-  
10 cable, and shall be made uniformly within a category of service, to  
11 the extent practicable, except where the commissioner determines  
12 that there are sufficient grounds for non-uniformity, including but  
13 not limited to: the extent to which specific categories of services  
14 contributed to department of health medicaid state funds spending in  
15 excess of the limits specified herein; the need to maintain safety  
16 net services in underserved communities; or the potential benefits  
17 of pursuing innovative payment models contemplated by the Affordable  
18 Care Act, in which case such grounds shall be set forth in the medi-  
19 caid savings allocation plan; and (5) reductions shall be made in a  
20 manner that does not unnecessarily create administrative burdens to  
21 medicaid applicants and recipients or providers.

22 The commissioner shall seek the input of the legislature, as well as  
23 organizations representing health care providers, consumers, busi-  
24 nesses, workers, health insurers, and others with relevant exper-  
25 tise, in developing such medicaid savings allocation plan, to the  
26 extent that all or part of such plan, in the discretion of the  
27 commissioner, is likely to have a material impact on the overall  
28 medicaid program, particular categories of service or particular  
29 geographic regions of the state.

30 (a) The commissioner shall post the medicaid savings allocation plan  
31 on the department of health's website and shall provide written  
32 copies of such plan to the chairs of the senate finance and the  
33 assembly ways and means committees at least 30 days before the date  
34 on which implementation is expected to begin.

35 (b) The commissioner may revise the medicaid savings allocation plan  
36 subsequent to the provisions of notice and prior to implementation  
37 but need provide a new notice pursuant to subparagraph (i) of this  
38 paragraph only if the commissioner determines, in his or her  
39 discretion, that such revisions materially alter the plan.

40 Notwithstanding the provisions of paragraphs (a) and (b) of this  
41 subdivision, the commissioner need not seek the input described in  
42 paragraph (a) of this subdivision or provide notice pursuant to  
43 paragraph (b) of this paragraph if, in the discretion of the commis-  
44 sioner, expedited development and implementation of a medicaid  
45 savings allocation plan is necessary due to a public health emergen-  
46 cy.

47 For purposes of this section, a public health emergency is defined as:

48 (i) a disaster, natural or otherwise, that significantly increases  
49 the immediate need for health care personnel in an area of the  
50 state; (ii) an event or condition that creates a widespread risk of  
51 exposure to a serious communicable disease, or the potential for

tion determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation plan from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation plan, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a monthly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation plan implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such monthly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

4 services and geographic regions of the state, to the extent practi-  
5 cable, and shall be made uniformly within a category of service, to  
6 the extent practicable, except where the commissioner determines  
7 that there are sufficient grounds for non-uniformity, including but  
8 not limited to: the extent to which specific categories of services  
9 contributed to department of health medicaid state funds spending in  
10 excess of the limits specified herein; the need to maintain safety  
11 net services in underserved communities; or the potential benefits  
12 of pursuing innovative payment models contemplated by the Affordable  
13 Care Act, in which case such grounds shall be set forth in the medi-

29 on which implementation is expected to begin.

30 (b) The commissioner may revise the medicaid savings allocation plan  
31 subsequent to the provisions of notice and prior to implementation  
32 but need provide a new notice pursuant to subparagraph (i) of this  
33 paragraph only if the commissioner determines, in his or her

36 subdivision, the commissioner need not seek the input described in  
37 paragraph (a) of this subdivision or provide notice pursuant to  
38 paragraph (b) of this paragraph if, in the discretion of the commis-

8 of health state funds medicaid spending for the period April 1, 2014  
9 through [March 31] SEPTEMBER 15, 2016 exceed \$35,020,738,000  
10 provided, however, such aggregate limits may be adjusted by the  
11 director of the budget to account for any changes in the New York  
12 state federal medical assistance percentage amount established  
13 pursuant to the federal social security act, increases in provider  
14 revenues, reductions in local social services district payments for  
15 medical assistance administration and beginning April 1, 2012 the  
16 operational costs of the New York state medical indemnity fund,  
17 pursuant to a chapter establishing such fund. Such projections may  
18 be adjusted by the director of the budget to account for increased  
19 or expedited department of health state funds medicaid expenditures  
20 as a result of a natural or other type of disaster, including a  
21 governmental declaration of emergency. The director of the budget,  
22 in consultation with the commissioner of health, shall assess on  
23 monthly basis known and projected medicaid expenditures by category  
24 of service and by geographic region, as determined by the commis-  
25 sioner of health, incurred both prior to and subsequent to such  
26 assessment for each such period, and if the director of the budget  
27 determines that such expenditures are expected to cause medicaid  
28 spending for such period to exceed the aggregate limit specified  
29 herein for such period, the state medicaid director, in consultation  
30 with the director of the budget and the commissioner of health,  
31 shall develop a medicaid savings allocation plan to limit such  
32 spending to the aggregate limit specified herein for such period.  
33 Such medicaid savings allocation plan shall be designed, to reduce the  
34 expenditures authorized by the appropriations herein in compliance  
35 with the following guidelines: (1) reductions shall be made in  
36 compliance with applicable federal law, including the provisions of  
37 the Patient Protection and Affordable Care Act, Public Law No.  
38 111-148, and the Health Care and Education Reconciliation Act of  
39 2010, Public Law No. 111-152 (collectively "Affordable Care Act")  
40 and any subsequent amendments thereto or regulations promulgated  
41 thereunder; (2) reductions shall be made in a manner that complies  
42 with the state medicaid plan approved by the federal centers for  
43 medicare and medicaid services, provided, however, that the commis-  
44 sioner of health is authorized to submit any state plan amendment or  
45 seek other federal approval, including waiver authority, to imple-  
46 ment the provisions of the medicaid savings allocation plan that  
47 meets the other criteria set forth herein; (3) reductions shall be  
48 made in a manner that maximizes federal financial participation, to  
49 the extent practicable, including any federal financial partic-  
50 ipation that is available or is reasonably expected to become avail-  
51 able, in the discretion of the commissioner, under the Affordable  
52 Care Act; (4) reductions shall be made uniformly among categories of

1 services and geographic regions of the state, to the extent practi-  
2 cable, and shall be made uniformly within a category of service, to  
3 the extent practicable, except where the commissioner determines  
4 that there are sufficient grounds for non-uniformity, including but  
5 not limited to: the extent to which specific categories of services  
6 contributed to department of health medicaid state funds spending in  
7 excess of the limits specified herein; the need to maintain safety  
8 net services in underserved communities; or the potential benefits  
9 of pursuing innovative payment models contemplated by the Affordable  
10 Care Act, in which case such grounds shall be set forth in the medi-  
11 caid savings allocation plan; and (5) reductions shall be made in a  
12 manner that does not unnecessarily create administrative burdens to  
13 medicaid applicants and recipients or providers.

14 The commissioner shall seek the input of the legislature, as well as  
15 organizations representing health care providers, consumers, busi-  
16 nesses, workers, health insurers, and others with relevant exper-  
17 tise, in developing such medicaid savings allocation plan, to the  
18 extent that all or part of such plan, in the discretion of the  
19 commissioner, is likely to have a material impact on the overall  
20 medicaid program, particular categories of service or particular  
21 geographic regions of the state.

22 (a) The commissioner shall post the medicaid savings allocation plan  
23 on the department of health's website and shall provide written  
24 copies of such plan to the chairs of the senate finance and the  
25 assembly ways and means committees at least 30 days before the date  
26 on which implementation is expected to begin.

27 (b) The commissioner may revise the medicaid savings allocation plan  
28 subsequent to the provisions of notice and prior to implementation  
29 but need provide a new notice pursuant to subparagraph (i) of this  
30 paragraph only if the commissioner determines, in his or her  
31 discretion, that such revisions materially alter the plan.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this  
33 subdivision, the commissioner need not seek the input described in  
34 paragraph (a) of this subdivision or provide notice pursuant to  
35 paragraph (b) of this paragraph if, in the discretion of the commis-  
36 sioner, expedited development and implementation of a medicaid  
37 savings allocation plan is necessary due to a public health emergen-  
38 cy.

39 For purposes of this section, a public health emergency is defined as:

40 (i) a disaster, natural or otherwise, that significantly increases  
41 the immediate need for health care personnel in an area of the  
42 state; (ii) an event or condition that creates a widespread risk of  
43 exposure to a serious communicable disease, or the potential for  
44 such widespread risk of exposure; or (iii) any other event or condi-  
45 tion determined by the commissioner to constitute an imminent threat  
46 to public health.

47 Nothing in this paragraph shall be deemed to prevent all or part of  
48 such medicaid savings allocation plan from taking effect retroac-  
49 tively to the extent permitted by the federal centers for medicare  
50 and medicaid services.

51 In accordance with the medicaid savings allocation plan, the commis-

Such projections may be adjusted by the director of the budget to account for increased or expedited department of health state funds medicaid expenditures as a result of a natural or other type of disaster, including a governmental declaration of emergency. The director of the budget, in consultation with the commissioner of health, shall assess on monthly basis known and projected medicaid expenditures by category of service and by geographic region, as determined by the commissioner of health, incurred both prior to and subsequent to such assessment for each such period, and if the director of the budget determines that such expenditures are expected to cause medicaid spending for such period to exceed the aggregate limit specified herein for such period, the state medicaid director, in consultation with the director of the budget and the commissioner of health, shall develop a medicaid savings allocation plan to limit such spending to the aggregate limit specified herein for such period. Such medicaid savings allocation plan shall be designed, to reduce the expenditures authorized by the appropriations herein in compliance with the following guidelines: (1) reductions shall be made in compliance with applicable federal law, including the provisions of the Patient Protection and Affordable Care Act, Public Law No. 111-148, and the Health Care and Education Reconciliation Act of 2010, Public Law No. 111-152 (collectively "Affordable Care Act") and any subsequent amendments thereto or regulations promulgated thereunder; (2) reductions shall be made in a manner that complies with the state medicaid plan approved by the federal centers for medicare and medicaid services, provided, however, that the commissioner of health is authorized to submit any state plan amendment or seek other federal approval, including waiver authority, to implement the provisions of the medicaid savings allocation plan that meets the other criteria set forth herein; (3) reductions shall be made in a manner that maximizes federal financial participation, to the extent practicable, including any federal financial participation that is available or is reasonably expected to become available, in the discretion of the commissioner, under the Affordable Care Act; (4) reductions shall be made uniformly among categories of services and geographic regions of the state, to the extent practicable, and shall be made uniformly within a category of service, to the extent practicable, except where the commissioner determines that there are sufficient grounds for non-uniformity, including but not limited to: the extent to which specific categories of services

5 Care Act, in which case such grounds shall be set forth in the medi-  
6 caid savings allocation plan; and (5) reductions shall be made in a  
7 manner that does not unnecessarily create administrative burdens to  
8 medicaid applicants and recipients or providers.

9 The commissioner shall seek the input of the legislature, as well as  
10 organizations representing health care providers, consumers, busi-  
11 nesses, workers, health insurers, and others with relevant exper-  
12 tise, in developing such medicaid savings allocation plan, to the  
13 extent that all or part of such plan, in the discretion of the

28 subdivision, the commissioner need not seek the input described in  
29 paragraph (a) of this subdivision or provide notice pursuant to  
30 paragraph (b) of this paragraph if, in the discretion of the commis-

43 such medicaid savings allocation plan from taking effect retroac-  
44 tively to the extent permitted by the federal centers for medicare  
45 and medicaid services.
