2015-2016 Regular Sessions

IN SENATE

February 13, 2015

Introduced by Sen. ESPAILLAT -- read twice and ordered printed, and when printed to be committed to the Committee on Housing, Construction and Community Development

AN ACT authorizing the New York state division of housing and community renewal to study state and locally aided housing programs and make recommendations for the preservation, modernization, and increase in the supply of such housing; to amend the private housing finance law, in relation to providing a moratorium on the voluntary dissolution of limited profit, limited dividend and redevelopment housing companies; and providing for the repeal of certain provisions upon expiration thereof

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. New York state and its localities have invested for more than a half century in the creation of low and middle income housing to benefit those most in need and to the general benefit of state and local economies. In many cases such housing has fallen into disrepair or is being lost as affordable housing due to statutory provisions allowing owners to dissolve housing companies. The unmet need for affordable housing is presently greater than at any time in the state's history. A temporary moratorium on the dissolution of any housing company is necessary for the New York state division of housing and community renewal to complete its work and make recommendations.
