51 requirement of section twenty-five of the retirement and social security
52 law.

53 S 5. This act shall take effect immediately.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would allow Nassau County and Suffolk County to elect to provide that creditable service on the 20 year retirement plan for sher-

iffs shall also include all service performed by a deputy sheriff who is a police officer pursuant to subdivision thirty-four of section 1.20 of the criminal procedure law as certified by the municipal police council.

If this bill is enacted, this bill could provide service credit on a 20 year retirement plan or a 25 year retirement plan, where it otherwise would not be creditable. However, in all likelihood this bill would affect very few members. The cost of this bill would be minimal.
