AN ACT to amend the retirement and social security law, in relation to eligible investments in foreign equity securities by public retirement systems of the state

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Subdivision 8 of section 177 of the retirement and social
2 security law, as amended by chapter 594 of the laws of 1993, is amended
3 to read as follows:
4 8. The trustees of a fund shall have the power to invest the moneys
5 thereof in foreign equity securities provided that (a) any such equity
6 security is registered on a national securities exchange, as provided in
7 an act of congress of the United States, entitled the "Securities
8 Exchange Act of 1934", approved June sixth, nineteen hundred thirty-
9 four, as amended, or otherwise registered pursuant to said act and, if
10 such equity security is so otherwise registered, price quotations there-
11 for are furnished through a nationwide automated quotation system

17 which the investment is made or has market capitalization of at least
18 one billion dollars at the time the investment is made. Investments in
19 such foreign equities shall be included together with a fund's invest-

21 tions set forth in [the foregoing subdivisions] SUBDIVISION TWO of this
22 section, and not more than [ten] TWELVE AND A HALF per centum of the

1 assets of any fund shall be invested in the aggregate in such foreign
2 equities PURSUANT TO THIS SUBDIVISION.

3 S 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend subdivision 8 of Section 177 of the Retirement and Social Security Law to increase to 12.5% the percentage of assets which may be invested by the New York State Teachers' Retirement System in foreign equity securities. The current limit is 10%.

If this bill is enacted, any cost or savings to the employers of members of the New York State Teachers' Retirement System would depend on the investment performance of any assets that are invested in foreign equity securities due to this change in the investment restrictions. Additional investment income results in lower required employer contributions, and vice-versa.

Employee data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Comprehensive Annual Financial Report (CAFR). System assets are as reported in the System's financial statements, and can also be found in the CAFR. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

The source of this estimate is Fiscal Note 2015-4 dated December 30, 2014, prepared by the Actuary of the New York State Teachers' Retirement System and is intended for use only during the 2015 Legislative Session. I, Richard A. Young, am the Actuary for the New York State Teachers' Retirement System. I am a member of the American Academy of Actuaries and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law to allow the 8 public retirement systems of New York State to invest up to 12.5 percent of their assets in Foreign Equity Securities. The current limit on foreign equities is 10 percent.

If this bill is enacted, insofar as this bill affects the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System, we assume that there would be small investment changes. Any increases or decreases in investment earnings will result in decreases or increases, respectively, in employer contributions. Annual changes in assets will be shared by all employers and will be spread over the future working lifetimes of active members.

This estimate, dated February 5, 2015, and intended for use only during the 2015 Legislative Session, is Fiscal Note No. 2015-62 prepared by the Actuary for the New York State and Local Employees' Retirement System and the New York State and Local Police and Fire Retirement System.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

PROVISIONS OF PROPOSED LEGISLATION: With respect to the New York City Retirement Systems ("NYCRS"), this proposed legislation would amend Retirement and Social Security Law ("RSSL") Section 177.8 to provide for an increase in the percentage of the assets of a fund that can be invested in foreign equity securities from 10.0% to 12.5%.

The Effective Date of the proposed legislation would be the date of enactment.

FINANCIAL IMPACT - EMPLOYER CONTRIBUTIONS: With respect to the NYCRS, the enactment of this proposed legislation would not, in and of itself, result in any change in employer contributions.

The ultimate cost of a Retirement Program is the benefits it pays. The financing of that ultimate cost is provided by contributions and investment income.

Investment income depends upon the amount of assets of the respective NYCRS fund and the rate of return received on those assets. The rate of return depends to a large extent upon the asset allocation policy of the respective NYCRS fund.

To the extent that the NYCRS increase their investments in the securities authorized by this proposed legislation and those securities produce greater (lesser) rates of return than the NYCRS would otherwise have achieved, then employer contributions to the NYCRS will be lesser (greater).

STATEMENT OF ACTUARIAL OPINION: I, Robert C. North, Jr., am the Acting Chief Actuary for the New York City Retirement Systems. I am a Fellow of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein.

FISCAL NOTE IDENTIFICATION: This estimate is intended for use only during the 2015 Legislative Session. It is Fiscal Note 2015-05, dated February 5, 2015, prepared by the Acting Chief Actuary for the New York City Retirement Systems.
