AN ACT to amend the education law, in relation to the computation of foundation aid and successful schools aid for small city school districts

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1     Section 1. This act shall be known and may be cited as the "small city  
2     successful schools act".  
3     S 2. Legislative Intent. It is the responsibility of the legislature  
4     under article XI of the constitution of the state of New York to estab-  
5     lish and maintain a system that will provide all children an opportunity  
6     to receive a meaningful high school education. Certain provisions of the  
7     education law are not adequate to provide the funding necessary to  
8     fulfill that obligation in certain school districts, particularly those  
9     in our small cities, many of which have lower wealth and higher student  
10    needs than average and are faced with high concentrations of poverty.  
11    Moreover, small city school districts function as centers not only for  
12    educational purposes but also for health, civic and public safety uses.  
13    These services and uses are not adequately supported by existing educa-  
14    tion aid.  
15    Therefore, it is the intention of the legislature to amend certain  
16    provisions of the education law to insure that the necessary funding is  
17    available in those districts to help them provide all their children an  
18    opportunity to receive a meaningful high school education and to main-  
19    tain healthy vibrant educational communities.  
20    S 3. Subdivision 1 of section 3602 of the education law is amended by  
21    adding a new paragraph hh to read as follows:

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets  
[ ] is old law to be omitted.
