I N S E N A T E

April 28, 2015

Introduced by Sen. LITTLE -- read twice and ordered printed, and when printed to be committed to the Committee on Cultural Affairs, Tourism, Parks and Recreation

AN ACT to amend the arts and cultural affairs law, in relation to providing educational services aid to eligible museums, historical societies and other cultural institutions for the provision of curriculum-based educational programs for students and teachers in grades pre-kindergarten through twelve and adults enrolled in continuing education programs

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Statement of legislative findings and intent. The legisla-
2 ture finds and declares that the state of New York has the greatest
3 museums, historical societies, zoos, botanical gardens, aquariums and
4 cultural arts institutions in the United States, and that these organ-
5 izations are major tourism and economic drivers with a wealth of ways to
6 engage children and adults and instill in them a lasting love of learn-
7 ing.
8 The legislature finds and declares that museums, historical societies,
9 zoos, botanical gardens, aquariums and cultural arts institutions
10 attract millions of visitors each year and provide vitally important
11 instructional services to the schoolchildren of this state, and that
12 children, in grades pre-kindergarten through twelve and adults enrolled
13 in continuing education programs should have broad and equal access to
14 such services.
15 The legislature finds that over 1,300 museums, historical societies,
16 zoos, botanical gardens, aquariums and cultural arts institutions in
17 this state now provide instruction to over six million children, and
18 that these institutions now receive no direct state support to initiate,
19 expand and enhance these educational services through access to museum
20 collections, scholarship and virtual learning.

EXPLANATION--Matter in *ITALICS* (underscored) is new; matter in brackets [] is old law to be omitted.

LBD10697-01-5

1 The legislature finds that museums, historical societies, zoos, botan-
2 ical gardens, aquariums and cultural arts institutions, in collaboration
3 with teachers and schools, must design new and innovative museum
4 programs to address such pressing issues as science, anthropology,
5 history and arts literacy, and under-resourced schools.

6 It is the intent of the legislature that the state provide financial
7 assistance to museums, zoos, botanical gardens, aquariums and other
8 cultural institutions so that these major tourist attractions can extend
9 their uniquely valuable educational resources to the children and life-
10 long learners of the state.
