AN ACT to amend the retirement and social security law, in relation to accidental disability retirement

THE PEOPLE OF THE STATE OF NEW YORK, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 Section 1. Paragraph 2 of subdivision a of section 363 of the retire-
2 ment and social security law, as amended by chapter 489 of the laws of
3 2008, is amended to read as follows:
4 2. Actually in service upon which his membership is based. However, in
5 a case where a member is discontinued from service subsequent to the
6 accident, either voluntarily or involuntarily, and provided that the
7 member meets the requirements of paragraph one of this subdivision,
8 application may be made, either (a) by a vested member incapacitated as
9 the result of a qualifying World Trade Center condition as defined in
10 section two of this chapter at any time, or (b) not later than two years
11 after the member is first discontinued from service. PROVIDED FURTHER
12 THAT IN THE CASE OF AN APPLICATION FILED FOR ACCIDENTAL DISABILITY BENE-
13 FITS PURSUANT TO SECTION THREE HUNDRED SIXTY-THREE-D OF THIS TITLE, THE
14 REQUIREMENTS FOR FILING FOR SUCH BENEFITS SHALL BE FIVE YEARS.
15 S 2. This act shall take effect immediately and apply to all applica-
16 tions filed on or after January 1, 2014.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would extend the filing deadline from 2 years to 5 years for active and retired firefighters in the New York State and Local Police and Fire Retirement System to file an application for accidental disa-

bility retirement due to certain cancers. It will apply to all disability applications filed on or after January 1, 2014.

If this bill is enacted, the cost would depend on the age, service, salary and plan of the affected firefighters, as well as whether such person would have otherwise been eligible for, or has been receiving an ordinary disability, a performance of duty disability or a service retirement.

For those who apply for this benefit subsequent to a service retirement, it is estimated that there would be an average per person cost of approximately 2 times final average salary. For those who apply subsequent to a performance of duty retirement, it is estimated that there would be an average per person cost of approximately 2.5 times final average salary. For those who apply subsequent to an ordinary disability retirement, it is estimated that there would be an average per person cost of approximately 5 times final average salary. The number of members and retirees who could be affected by this legislation cannot be readily determined. These costs would be borne by the State of New York and all the participating employers in the New York State and Local Police and Fire Retirement System.

For the one person known to be affected, there will be a one-time cost of approximately \$244,000. This cost will be shared by the State of New York and all the participating employers in the New York State and Local Police and Fire Retirement System.
