This bill would add a new Section 3653 to the Education Law to permit the board of education or trustees of a participating employer of the New York State Teachers' Retirement System (NYSTRS) to establish a retirement contribution reserve fund for the purpose of offsetting future required employer contributions. The money that may be paid into a retirement contribution reserve fund shall consist of amounts provided for by budgetary appropriation, revenues that are not required by law to be paid into any other fund or account, such other funds as may be legally appropriated, and transfers from other reserve funds.

The moneys in the retirement contribution reserve fund shall be deposited and secured in the manner provided by Section 10 of the General Municipal Law, and may be invested in the manner provided by Section 11 of the General Municipal Law. Any interest earned or capital gain realized shall accrue to and become part of the retirement contribution reserve fund.

Except as otherwise provided by law, the moneys in the retirement contribution reserve fund may only be expended to offset required employer contributions payable in accordance with Article 11 of the Education Law.

This act shall take effect on the first day of July next succeeding the date on which it shall have become a law.

It is estimated that there will be no annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted.
