The legislature further finds that granting the trustees of the State University of New York the authority and power to lease and otherwise contract to make available grounds and facilities of the campus of the State University of New York College at Old Westbury will facilitate the development, construction and operation of such child-care center and also promote the effective use of such grounds and facilities which support the educational activities of Old Westbury.

35 this act where all or any portion thereof involves a lease or agreement
36 for construction, demolition, reconstruction, excavation, rehabili-
37 tation, repair, renovation, alteration or improvement shall be deemed
38 public work and shall be subject to and performed in accordance with the
39 provisions of article 8 of the labor law to the same extent and in the
40 same manner as a contract of the state, and compliance with all the
41 provisions of article 8 of the labor law shall be required of any

46 S 6. Notwithstanding any law, rule or regulation to the contrary, the
47 State University of New York shall not contract out to Old Westbury

13 between the certified representatives of such employees and the state of
14 New York pursuant to article 14 of the civil service law; all work
15 performed on such property that ordinarily would be performed by employ-

17 performed by such employees.

18 S 8. Notwithstanding the provisions of any general, special, or local

21 awarded a contract, subcontract, lease, grant, bond, covenant or other
22 agreement for a project to enter into a project labor agreement during
23 and for the work involved with such project when such requirement is
24 part of The Old Westbury College Foundation, Inc. request for proposals
25 for the project and when The Old Westbury College Foundation, Inc.
26 determines that the record supporting the decision to enter into such an
27 agreement establishes that the interests underlying the competitive
28 bidding laws are best met by requiring a project labor agreement includ-
29 ing: obtaining the best work at the lowest possible price; preventing
30 favoritism, fraud and corruption; the impact of delay; the possibility
31 of cost savings; and any local history of labor unrest.

32 (b) If The Old Westbury College Foundation, Inc. does not require a
33 project labor agreement, then any contractor, subcontractor, lease,
34 grant, bond, covenant or other agreements for a project shall be awarded
35 pursuant to section 135 of the state finance law.

36 S 9. Without limiting the determination of the terms and conditions of

49 act.

50 S 10. Such lease shall include an indemnity provision whereby the
51 lessee or sublessee promises to indemnify, hold harmless and defend the
52 lessor against all claims, suits, actions, and liability to all persons
53 on the leased premises, including tenant, tenant's agents, contractors,
54 subcontractors, employees, customers, guests, licensees, invitees and
