S 2. Subdivision (b) of section 3 of chapter 524 of the laws of 1987, relating to establishing the Greater Poughkeepsie library district, in the city and town of Poughkeepsie, Dutchess county, as amended by chapter 361 of the laws of 1997, is amended to read as follows:

(b) Commencing in 1997 for the budget to be prepared for fiscal year 1998 the proposed annual budget, and propositions of supplemental appropriations, if any, and a proposition for capital expenditure, if any, for the district as established by the trustees shall be placed before the voters in the general election ON THE SAME DAY AND BALLOT AS THE GENERAL ELECTION AS ADMINISTERED BY THE BOARD OF ELECTIONS WITH THE RESULTS OF SAID ELECTION BEING CERTIFIED BY THE BOARD OF ELECTIONS in the year preceding the year for which the proposed budget has been established. Each proposition for supplemental appropriation shall identify a singular purpose and specific dollar appropriation and shall be

worded in such a manner as to require an affirmative vote for passage. All budget propositions, including the annual budget propositions for supplemental appropriations, and propositions for capital expenditures will require approval by a majority of voters in the city and, also, a majority of voters in the town, hereinafter referred to as the majority. Upon approval of such proposed operating budget, and of the proposition for supplemental appropriations, and of the proposition authorizing indebtedness for capital construction by the majority, the proposed budget including the supplemental appropriations and capital revenues and expenditures shall become the budget of the district for the following fiscal year. In the event that the proposition for indebtedness is approved by the majority, the city and the town shall incur such indebtedness on behalf of the district, and such indebtedness shall be apportioned between the city and the town pursuant to the formula set forth in this section. In the event that the proposed budget is not approved by the majority, the proposed budget shall be deemed amended so that the portion of the proposed budget providing for real property tax revenue to be received from the city and town be changed to equal the real property tax revenue provided for in the district budget in effect as of the time of the vote as amended by the supplemental appropriations if approved. In the event that a proposition for supplemental appropriations or for capital purposes is not approved by the majority, no appropriation shall be included for such unapproved proposition. In the event that the voters do not approve the proposed budget as aforesaid, and upon the proposed budget being deemed amended as aforesaid, the real property taxes to be levied by the city and the town for the district shall be levied in an amount required to provide the city and town contribution as herein set forth rather than the city and town contribution as set forth in the proposed budget. After the annual budgets for the city and the town have been adopted by the city and the town , the city and town shall assess and levy upon the taxable real property within the district the amounts to be raised by tax for the purposes of the district as specified in the district's annual budget and shall cause the amount so assessed and levied to be collected, in the same manner and at the same time and by the same officers as city taxes and town taxes are assessed, levied and collected.

S 3. This act shall take effect immediately.
