45 S 4. Paragraph (b) of subdivision 1 of section 259-r of the executive 46 law, as amended by section 38-l of subpart A of part C of chapter 62 of 47 the laws of 2011, is amended to read as follows:

(b) Such release shall be granted only after the board considers ether, in light of the inmate's medical condition, there is a reason-48 49 whether, 50 able probability that the inmate, if released, will live and remain at 51 liberty without violating the law, and that such release is not incompatible with the welfare of society and will not so deprecate the seri-52 ousness of the crime as to undermine respect for the law, and shall be 53 54 subject to the limits and conditions specified in subdivision four of 55 this section. [Except as set forth in paragraph (a) of this subdivision,

1 such] SUCH release may be granted at any time during the term of an 2 inmate's sentence, notwithstanding any other provision of law.

3 S 5. Subdivisions 2 and 4 of section 259-r of the executive law, as 4 amended by section 38-l of subpart A of part C of chapter 62 of the laws 5 of 2011, are amended to read as follows:

б 2. (a) The commissioner, on the commissioner's own initiative or at 7 the request of an inmate, [or an inmate's spouse, relative or attorney,] 8 may, in the exercise of the commissioner's discretion, direct [that an 9 investigation be undertaken to determine whether] a diagnosis [should] 10 made of an inmate who appears to be suffering from a terminal condibe 11 tion, disease or syndrome. Any such medical diagnosis shall be made by a 12 physician licensed to practice medicine in this state pursuant to section sixty-five hundred twenty-four of the education law. Such physi-13 14 cian shall either be employed by the department, shall render profes-15 sional services at the request of the department, or shall be employed by a hospital or medical facility used by the department for the medical treatment of inmates. The diagnosis shall be reported to the commission-16 17 18 and shall include but shall not be limited to a description of the er 19 terminal condition, disease or syndrome suffered by the inmate, a prognosis concerning the likelihood that the inmate will not recover from 20 21 such terminal condition, disease or syndrome, a description of the 22 inmate's physical [or cognitive] incapacity which shall include a prediction respecting the likely duration of the incapacity, and a 23 statement by the physician of whether the inmate is so debilitated or 24 25 incapacitated as to be severely restricted in his or her ability to self-ambulate 26 [or to perform significant normal activities of daily 27 living. This report also shall include a recommendation of the type and level of services and treatment the inmate would require if granted 28 29 medical parole and a recommendation for the types of settings in which 30 and treatment should be given] AND CARE FOR HIMSELF OR the services 31 HERSELF.

32 (b) The commissioner, or the commissioner's designee, shall review the 33 diagnosis and may certify that the inmate is suffering from such terminal condition, disease or syndrome and that the inmate is so debilitated 34 35 or incapacitated as to create a reasonable probability that he or she is physically [or cognitively] incapable of presenting any danger to socie-36 37 ty. If the commissioner does not so certify then the inmate shall not be 38 referred to the board for consideration for release on medical parole. 39 If the commissioner does so certify, then the commissioner shall[, with-40 in seven working days of receipt of such diagnosis,] refer the inmate to the board for consideration for release on medical parole. However, no 41 such referral of an inmate to the board shall be made unless the inmate 42 43 has been examined by a physician and diagnosed as having a terminal 44 condition, disease or syndrome as previously described herein at some 45 time subsequent to such inmate's admission to a facility operated by the department [of correctional services]. 46

47 (c) When the commissioner refers an inmate to the board, the commis-48 sioner shall provide an appropriate medical discharge plan established 49 by the department. [The department is authorized to request assistance from the department of health and from the county in which the inmate 50 51 resided and committed his or her crime, which shall provide assistance with respect to the development and implementation of a discharge plan, 52 53 including potential placements of a releasee. The department and the 54 department of health shall jointly develop standards for the medical 55 discharge plan that are appropriately adapted to the criminal justice setting, based on standards established by the department of health for 56

hospital medical discharge planning.] The board may REJECT ALL OR PART 1 2 THE DISCHARGE PLAN SUBMITTED BY THE DEPARTMENT, AND MAY postpone its OF 3 decision pending [completion of an adequate] SUBMISSION OF A NEW 4 discharge plan, or may deny release based on inadequacy of the discharge 5 THE DEPARTMENT SHALL DEVELOP STANDARDS FOR THE MEDICAL DISCHARGE plan. 6 PLAN THAT ARE APPROPRIATELY ADOPTED TO THE CRIMINAL JUSTICE SETTING, 7 BASED ON STANDARDS ESTABLISHED BY THE DEPARTMENT OF HEALTH FOR HOSPITAL 8 MEDICAL DISCHARGE PLANNING.

9 4. (a) Medical parole granted pursuant to this section shall be for a 10 period of six months.

11 The board shall require as a condition of release on medical (b) 12 parole that the release agree to remain under the care of a physician while on medical parole and in a hospital established pursuant to arti-13 cle twenty-eight of the public health law, a hospice established pursu-14 15 ant to article forty of the public health law or any other placement 16 that can provide appropriate medical care as specified in the medical 17 discharge plan required by subdivision two of this section. The medical discharge plan shall state that the availability of the placement has 18 been confirmed, and by whom. [Notwithstanding any other provision of 19 20 law, when an inmate who qualifies for release under this section is cognitively incapable of signing the requisite documentation to effectu-21 22 ate the medical discharge plan and, after a diligent search no person 23 has been identified who could otherwise be appointed as the inmate's guardian by a court of competent jurisdiction, then, solely for the 24 25 purpose of implementing the medical discharge plan, the facility health 26 services director at the facility where the inmate is currently incarcerated shall be lawfully empowered to act as the inmate's guardian for 27 28 the purpose of effectuating the medical discharge.]

(c) [Where appropriate, the] THE board shall require as a condition of
 release that medical parolees be supervised on intensive caseloads at
 reduced supervision ratios SIMILAR TO THE CASELOADS FOR PAROLEES
 RELEASED PURSUANT TO THE SHOCK INCARCERATION PROGRAM ESTABLISHED BY
 ARTICLE TWENTY-SIX-A OF THE CORRECTION LAW.

34 (d) The board shall require as a condition of release on medical parole that the releasee undergo periodic medical examinations and a 35 36 medical examination at least one month prior to the expiration of the 37 period of medical parole and, for the purposes of making a decision 38 pursuant to paragraph (e) of this subdivision, that the releasee provide 39 the board with a report, prepared by the treating physician, of the 40 results of such examination. Such report shall specifically state whethor not the parolee continues to suffer from a terminal condition, 41 er disease, or syndrome, and to be so debilitated or incapacitated as to be 42 43 severely restricted in his or her ability to self-ambulate [or to 44 perform significant normal activities of daily living] AND TO CARE FOR 45 HIMSELF OR HERSELF.

(e) Prior to the expiration of the period of medical parole the board shall review the medical examination report required by paragraph (d) of this subdivision and may again grant medical parole pursuant to this section; provided, however, that the provisions of paragraph (c) of subdivision one and subdivision two of this section shall not apply.

(f) If the updated medical report presented to the board states that a parolee released pursuant to this section is no longer so debilitated or incapacitated as to create a reasonable probability that he or she is physically [or cognitively] incapable of presenting any danger to society or if the release fails to submit the updated medical report then the board may not make a new grant of medical parole pursuant to para-

44

graph (e) of this subdivision. Where the board has not granted medical 1 parole pursuant to such paragraph (e) the board shall promptly conduct 2 3 through one of its members, or cause to be conducted by a hearing offi-4 cer designated by the board, a hearing to determine whether the releasee 5 suffering from a terminal condition, disease or syndrome and is so is 6 debilitated or incapacitated as to create a reasonable probability that 7 is physically [or cognitively] incapable of presenting any he or she 8 danger to society and does not present a danger to society. If the board 9 makes such a determination then it may make a new grant of medical 10 parole pursuant to the standards of paragraph (b) of subdivision one of 11 this section. At the hearing, the releasee shall have the right to representation by counsel, including the right, if the releasee is financially unable to retain counsel, to have the appropriate court 12 13 14 assign counsel in accordance with the county or city plan for represen-15 tation placed in operation pursuant to article eighteen-B of the county 16 law.

17 The hearing and determination provided for by paragraph (f) of (g) this subdivision shall be concluded within the [six] FOUR month period 18 of medical parole. If the board does not renew the grant of medical 19 20 parole, it shall order that the releasee be returned immediately to the 21 custody of the department.

22 In addition to the procedures set forth in paragraph (f) of this (h) 23 subdivision, medical parole may be revoked at any time upon any of the 24 grounds specified in paragraph (a) of subdivision three of section two 25 hundred fifty-nine-i of this article, and in accordance with the proce-26 dures specified in subdivision three of section two hundred fifty-nine-i 27 of this article.

28 (i) A release who is on medical parole and who becomes eligible for 29 parole pursuant to the provisions of subdivision two of section two 30 hundred fifty-nine-i of this article shall be eligible for parole consideration pursuant to such subdivision. 31 32
