FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for tiers 2 through 6 state correction officers. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death. The provision is scheduled to expire five years after the date it is enacted.

If such proposal is enacted during the 2018 legislative session, there will be a one-time past service cost of \$13.2 million, which would be borne by the state of New York as a one-time payment. This estimate is based on the assumption that payment will be made March 1, 2019.

If this provision is extended or made permanent by subsequent legislation, there would be additional costs.

These estimated costs are based on 20,712 state correction officers with a total annual salary of approximately \$1.5 billion for the fiscal year ending March 31, 2017.
