8. Any person licensed pursuant to this article may use accepted classifications of signs, symptoms, dysfunctions and disorders, as approved in accordance with regulations promulgated by the department, in the practice of such licensed profession.

§ 8458. Boundaries of professional competency. 1. It shall be deemed practicing outside the boundaries of his or her professional competence for a person licensed pursuant to this article, in the case of treatment of any serious mental illness, to provide any mental health service for such illness on a continuous and sustained basis without a medical evaluation of the illness by, and in consultation with, a physician regarding such illness. Such medical evaluation and consultation shall be to determine and advise whether any medical care is indicated for such illness. For purposes of this section, "serious mental illness" means schizophrenia, schizoaffective disorder, bipolar disorder, major depressive disorder, panic disorder, obsessive-compulsive disorder, attention-deficit hyperactivity disorder and autism spectrum disorder.

2. Any individual whose license or authority to practice derives from the provisions of this article shall be prohibited from:

(a) prescribing or administering drugs as defined in this chapter as a treatment, therapy, or professional service in the practice of his or her profession; or

(b) using invasive procedures as a treatment, therapy, or professional service in the practice of his or her profession. For purposes of this subdivision, "invasive procedure" means any procedure in which human tissue is cut, altered, or otherwise infiltrated by mechanical or other means. Invasive procedure includes surgery, lasers, ionizing radiation, therapeutic ultrasound, or electroconvulsive therapy.

§ 8459. Mandatory continuing competency. 1. (a) Each licensed professional music therapist or licensed clinical music therapist shall register triennially with the department to practice in the state and must comply with the provisions of the mandatory continuing competency requirements prescribed in this section, except as provided in paragraphs (b) and (c) of this subdivision. Those who do not satisfy the mandatory continuing competency requirements shall not be authorized to practice until they have met such requirements, and they have been issued a registration certificate, except that a person may practice without having met such requirements if he or she is issued a conditional registration pursuant to subdivision four of this section.

(b) Each licensed professional music therapist or licensed clinical music therapist shall be exempt from the mandatory continuing competency requirement for the triennial registration period during which they are first licensed. Adjustment to the mandatory continuing competency

1 requirements may be granted by the department for reasons of health of  
2 the licensee where certified by an appropriate health care professional,  
3 for extended active duty with the armed forces of the United States, or  
4 for other good cause acceptable to the department which may prevent  
5 compliance.

6 (c) A licensed professional music therapist or licensed clinical music  
7 therapist not engaged in practice, as determined by the department,  
8 shall be exempt from the mandatory continuing competency requirement  
9 upon the filing of a statement with the department declaring such  
10 status. Any licensee who returns to the practice of music therapy during  
11 the triennial registration period shall notify the department prior to  
12 reentering the profession and shall meet such mandatory continuing  
13 competency requirements as shall be prescribed by regulations of the  
14 commissioner.

15 2. At the end of each triennial registration period, an applicant for  
16 re-registration as a licensed professional music therapist or licensed  
17 clinical music therapist must provide proof of holding an active board  
18 certification credential in music therapy from a national certification  
19 body having certification standards acceptable to the commissioner.

20 3. (a) During each triennial registration period an applicant for  
21 registration as a licensed professional music therapist or licensed  
22 clinical music therapist shall complete a minimum of thirty-six hours of  
23 acceptable learning activities which contribute to continuing compe-  
24 tence, as specified in subdivision four of this section. A maximum of  
25 twelve hours of the thirty-six hours may be self-instructional course-  
26 work acceptable to the department. At least twenty-four hours of the  
27 thirty-six hours shall be in areas of study pertinent to the scope of  
28 practice of music therapy. With the exception of continuing education  
29 hours taken during the registration period immediately preceding the  
30 effective date of this section, continuing education hours taken during  
31 one triennium may not be transferred to a subsequent triennium.

32 (b) Thereafter, a licensee who has not satisfied the mandatory contin-  
33 uing competency requirements shall not be issued a triennial registra-  
34 tion certificate by the department and shall not practice unless and  
35 until a conditional registration certificate is issued as provided for  
36 in subdivision four of this section.

37 4. The department, in its discretion, may issue a conditional regis-  
38 tration to a licensee who fails to meet the continuing competency  
39 requirements established in subdivision three of this section, but who  
40 agrees to make up any deficiencies and complete any additional learning  
41 activities which the department may require. The fee for such a condi-  
42 tional registration shall be the same as, and in addition to, the fee  
43 for the triennial registration. The duration of such conditional regis-  
44 tration shall be determined by the department but shall not exceed one  
45 year. Any licensee who is notified of the denial of registration for  
46 failure to submit evidence, satisfactory to the department, of required  
47 continuing competency learning activities and who practices without such  
48 registration may be subject to disciplinary proceedings pursuant to  
49 section sixty-five hundred ten of this title.

50 5. As used in subdivision three of this section, "acceptable learning  
51 activities" shall mean activities which contribute to professional prac-  
52 tice in music therapy, and which meet the standards prescribed in the  
53 regulations of the commissioner. Such learning activities shall include,  
54 but not be limited to, collegiate level credit and non-credit courses,  
55 self-study activities, independent study, formal mentoring activities,  
56 professional development programs and technical sessions, publications

1 in professional journals and professional development programs; such  
2 learning activities may be offered and sponsored by national, state,  
3 regional, and local professional associations and other organizations or  
4 parties acceptable to the department, and any other organized educa-  
5 tional and technical learning activities acceptable to the department.  
6 Providers (other than those indicated below as exempt from the approval  
7 process) must submit an application to the state board for music thera-  
8 py. Types of approved providers include:

9 (a) any higher education institution that offers programs that are  
10 registered in New York state as leading to licensure in music therapy;

11 (b) a national, regional, state, or local sponsor or provider of  
12 coursework or training that is approved by the American Music Therapy  
13 Association (AMTA) or the Certification Board for Music Therapists, Inc.  
14 (CBMT); postsecondary institutions, or a consortium of such insti-  
15 tutions, that offer programs that are registered as leading to either  
16 licensure in music therapy or authorization to practice as a music ther-  
17 apist, or equivalent professional education programs accredited by an  
18 acceptable accrediting agency, for credit and non-credit offerings;

19 (c) an entity, hospital or health facility defined in section two  
20 thousand eight hundred one of the public health law;

21 (d) or an equivalent organization as determined by the department.  
22 Organizations that fall under the first three paragraphs listed above do  
23 not have to submit a fee or an application for approval as a provider of  
24 continuing education for music therapists. However, they must register  
25 with the state board for music therapy by completing an approved provid-  
26 er registration form. Educational institutions which provide education  
27 as part of a licensure qualifying program or sponsors who have had their  
28 course approved by the Certification Board for Music Therapists, Inc.  
29 (CBMT) do not need to submit an application. Courses approved by the  
30 CBMT automatically qualify for approval in New York state. The depart-  
31 ment may, in its discretion and as needed to contribute to the health  
32 and welfare of the public, require the completion of continuing compe-  
33 tency learning activities in specific subjects to fulfill this mandatory  
34 continuing competency requirement. Learning activities must be taken  
35 from a sponsor approved by the department, pursuant to the regulations  
36 of the commissioner.

37 6. A licensed professional music therapist or licensed clinical music  
38 therapist shall maintain adequate documentation of completion of accept-  
39 able continuing competency activities and shall provide such documenta-  
40 tion at the request of the department. Failure to provide such documen-  
41 tation upon request of the department shall be an act of misconduct  
42 subject to the disciplinary proceedings pursuant to section sixty-five  
43 hundred ten of this title.

44 7. The mandatory continuing competency fee shall be forty-five  
45 dollars, payable on or before the first day of each triennial registra-  
46 tion period, and shall be paid in addition to the triennial registration  
47 fee.

48 § 2. Subdivision 13 of section 700 of the county law, as added by  
49 chapter 358 of the laws of 2012, is amended to read as follows:

50 13. In order to provide services to crime victims, witnesses, and

15 one hundred fifty-four, ~~or~~ one hundred sixty-three, or one hundred  
16 sixty-three-A of this title, or by a person otherwise authorized to  
17 provide such services under such articles, or by a professional entity  
18 authorized by law to provide such services.

19 § 4. Paragraph c of subdivision 2 of section 6503-a of the education  
20 law, as added by chapter 130 of the laws of 2010, is amended to read as  
21 follows:
