FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide an increase in the defined benefit cost-of-living adjustment (COLA) for New York public retirement systems. Starting with a payment in September 2018, additional payments will be made for those members who retired after 1960 and prior to 1973.

Insofar as this bill affects the New York State and Local Employees' Retirement System, pursuant to Section 25 of the Retirement and Social Security Law, the increased costs would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision. If this bill were enacted, the increase in the present value of benefits would be approximately \$483,000.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (PFRS), the increased costs would be shared by the State of New York and the participating employers in the PFRS. If this bill were enacted, the increase in the present value of benefits would be approximately \$1.09 million. The estimated first year cost would be approximately \$25,600 to the State of New York and approximately \$105,000 to the participating employers in the PFRS.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend subdivision f of Section 532-a of the Education Law to provide an increase in supplementation for retired members who meet the eligibility requirements set forth in subdivision a of Section 532-a and who retired during the calendar years 1961 through 1972, inclusive. Benefit increases are based on the first \$18,000 of the maximum annual benefit without optional modification and would be effective in September 2018.

The annual cost to the employers of members of the New York State Teachers' Retirement System is estimated to be negligible if this bill is enacted.
