- 2. (a) The operator shall take no action to close the assisted living residence prior to approval from the commissioner of the plan for closure and/or decertification.
- 8 <u>(b) The operator shall not close the assisted living residence until</u>
 9 <u>all residents thereof have transferred to appropriate alternative</u>
 10 <u>settings.</u>
 - (c) The operator shall not increase the amount of any rent, fees or other surcharges imposed upon the residents of the assisted living residence, their residents' representatives, and/or any applicable health insurance plan, long term care plan or other insurance plan providing payment to the residence on behalf of the resident prior to the approval of the plan for closure and/or decertification by the commissioner.

 - 3. As part of the final approval of the closure plan, the department, center for health care quality and surveillance and operator shall agree upon a target closure date, which shall be at least one hundred twenty days from the actual date that the operator provides written notification to the residents and the residents' representatives of the closure. In providing notification of such target closure date, the operator shall also notify residents and the residents' representatives that additional time will be provided to residents who make good faith efforts, as determined by the commissioner, to secure an alternative setting and have demonstrated a reasonable basis for needing more than one hundred twenty days to transfer to an appropriate alternative setting, so long as it remains safe and appropriate to reside in the assisted living residence at such time.

- 6. The commissioner may promulgate such rules and regulations as he or she deems necessary to implement the provisions of this section.
- § 2. This act shall take effect on the first of January next succeeding the date on which it shall have become a law, and shall apply to all closures of assisted living residences occurring on or after such effective date and to all closures of assisted living residences pending such effective date; provided, however, that effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized and directed to be made and completed on or before such effective date.
