1     (3) No credit shall be allowed under this subsection for the purchase,  
2     retrofitting or renovation of residential rental property.

3     (4) The credit shall be allowed under this subsection only for  
4     universal visitability improvements made by or at the direction of the  
5     taxpayer.

6     (5) If the amount of the credit allowable under this subsection shall  
7     exceed the taxpayer's tax for such year, the excess may be carried over

10    (6) Eligible taxpayers shall apply for the credit through the division

14    the taxpayer that states the amount of the credit allocated to the  
15    taxpayer and the allocation year.

16    (7) (A) The aggregate amount of tax credits allowed pursuant to the  
17    authority of this subsection shall be one million dollars each year  
18    during the period two thousand nineteen through two thousand twenty-

22    of code enforcement and administration. If the total amount of allocated  
23    credits applied for in any particular year exceeds the aggregate amount  
24    of tax credits allowed for such year under this subsection, such excess  
25    shall be treated as having been applied for on the first day of the  
26    subsequent year.

34    tiate to the department the amount of tax credits allocated to such  
35    taxpayers, and such other provisions as deemed necessary and appropri-  
36    ate. Notwithstanding any other provisions to the contrary in the state  
37    administrative procedure act, such rules and regulations may be adopted  
38    on an emergency basis if necessary to meet such October thirty-first,  
39    two thousand eighteen deadline.

40    (8) The department of state shall submit to the governor, the tempo-  
41    rary president of the senate, and the speaker of the assembly, an annual

44    subsection. Such report shall be based on data available from the appli-  
45    cation filed with the division of code enforcement and administration  
46    for universal visitability credits. Notwithstanding any provision of law  
47    to the contrary, the information contained in the report shall be public  
48    information. The report may also include any recommendations of changes  
49    in the calculation or administration of the credit, and any other recom-  
50    mendation of the commissioner of the department of state or the division  
51    of code enforcement and administration regarding continuing modifica-  
52    tion, repeal of such act, and such other information regarding the act  
53    as the division may feel useful and appropriate.

54    § 2. This act shall take effect immediately and shall apply to taxable  
55    years commencing on and after January 1, 2019 and shall expire and be  
56    deemed repealed December 31, 2023.
