AN ACT to amend the public health law, in relation to the employment of persons to function as infection preventionists in certain general hospitals

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The public health law is amended by adding a new section 2827 to read as follows:
- 3 § 2827. Infection preventionists. 1. For the purposes of this section, 4 the terms:
- (a) "infection preventionist" shall mean a person designated by a general hospital to identify infectious disease processes, conduct surveillance and epidemiologic investigations, and develop plans to 7 8 prevent and control the transmission of infectious agents within general 9 hospitals.
- 10 (b) "healthcare professional" shall mean a person licensed or certi-11 fied pursuant to title eight of the education law.

12

- 2. A person shall not function as an infection preventionist in a 13 general hospital and a general hospital shall not employ or otherwise 14 contract for the services of an infection preventionist unless such 15 person meets one of the following:
- (a) (i) has successfully passed an exam from a nationally accredited 16 infection prevention and epidemiology accrediting organization such as 17 the certification board of infection control and epidemiology, inc.; and 18 (ii) holds and maintains certification in infection prevention and 19 20 control (CIC); or
- 21 (b) provides evidence that such person was employed or otherwise 22 contracted for the services as an infection preventionist in a general hospital for a cumulative period of one year, occurring within four 23 24 years immediately prior to the effective date of this section. In furth-25 erance of this paragraph, any contractor or employer of persons func-26 tioning as an infection preventionist on the effective date of this

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
