1 § 3. All past costs incurred due to implementing the provisions of 2 this act will be borne by Nassau county, and may be amortized over a ten 3 year period.

§ 4. This act shall take effect immediately.

FISCAL NOTE. -- Pursuant to Legislative Law, Section 50:

This bill would grant Nassau County Tier 3, 4, 5 and 6 ambulance medical technician supervisors, ambulance medical technician coordinators and ambulance medical technicians an enhanced disability benefit for injuries sustained in the performance of duty. The benefit for a performance of duty disability would be 50% of final average salary.

If this bill is enacted during the 2018 session, there will be an estimated increase of approximately \$300,000 in the annual contributions of Nassau County for the fiscal year ending March 31, 2019.

In addition to the annual contributions discussed above, there will be an immediate past service cost of \$1.74 million which may be borne by Nassau County as a one-time payment. This estimate is based on the assumption that payment will be made on February 1, 2019. If Nassau County elects to amortize this cost over a 10 year period, the cost for the first year would be \$232,000.

These estimated costs are based on 128 members having an annual salary for the fiscal year ending March 31, 2017 of approximately \$14 million. Summary of relevant resources:
