10 dentist consistent with regulations promulgated by the commissioner,
11 provided that such functions are performed under the direct personal
12 supervision of a licensed dentist in the course of the performance of
13 dental services. Such services shall not include diagnosing and/or

32 to this section. All dental supportive services provided in this section

37 a collaborative arrangement with a licensed dentist in accordance with
38 subdivision one of section sixty-six hundred six of this article. Such
39 collaborative arrangement shall not obviate or supersede any law or
40 regulation which requires identified services to be performed under the
41 personal supervision of a dentist.
