Introduced by M. of A. SMITH -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring the department of health to establish and maintain a list of toxins which members of the military may have come into contact with and requiring doctors to ask patients whether they have served in the military

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 206 of the public health law is amended by adding a  
2 new subdivision 31 to read as follows:

3 31. The commissioner shall compile and periodically update a list of  
4 toxic materials or harmful physical agents which members of the military  
5 may have come into contact with as a result of military service. The  
6 commissioner may consult with the Veterans Administration to assist in  
7 the compilation of such list. The list shall be provided to all persons  
8 licensed to practice medicine in accordance with article one hundred  
9 thirty-one of the education law.

10 § 2. The public health law is amended by adding a new article thirty-  
11 eight-A to read as follows:

### ARTICLE 38-A

#### VETERANS HEALTH

14 Section 3810. Toxic materials and harmful physical agents.

15 § 3810. Toxic materials and harmful physical agents. All doctors  
16 licensed to practice medicine in accordance with article one hundred  
17 thirty-one of the education law shall ask each patient whether he or she  
18 has served in the military and whether he or she has been exposed to any  
19 of the toxic materials or harmful physical agents included in the list  
20 compiled by the commissioner, pursuant to subdivision thirty-one of  
21 section two hundred six of this chapter. When a doctor is diagnosing a  
22 patient who has served in the military and who may have been exposed to  
23 any of the toxic materials or harmful physical agents included in such  
24 list, the doctor shall include consideration of the patient's known or  
25 possible exposure to such toxic materials or harmful physical agents  
26 when forming a diagnosis.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
