-- read once and referred to the Committee on Higher Education

AN ACT in relation to granting the state university of New York the authority and power to enter into a lease with the Ronald McDonald House of Long Island, Inc.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that the State
2 University of New York at Stony Brook ("University") is in need of addi-
3 tional facilities to fulfill its legislatively mandated mission of
4 research, education, and provision of health care services. Specif-
5 ically, Ronald McDonald House of Long Island, Inc. has offered to
6 construct, maintain and operate a "Ronald McDonald House" to support the
7 operations of Stony Brook University Hospital's Children's Hospital.
8 Furthermore, such activity will promote the provision of quality pedia-
9 tric health care services to the surrounding community.

10 The legislature further finds that granting the trustees of the State
11 University of New York the authority and power to lease and otherwise
12 contract to make available grounds and facilities of the campus of the
13 State University of New York at Stony Brook will ensure such activity
14 will promote the provision of quality pediatric health care services to
15 the surrounding community.

16 § 2. Notwithstanding any other law to the contrary, the state univer-
17 sity trustees are hereby authorized and empowered, without any public
18 bidding, to lease and otherwise contract to make available to Ronald
19 McDonald House of Long Island, Inc., a not-for-profit corporation (the
20 "Ground Lessee"), a portion of the lands of the University generally
21 described in this act for the purpose of constructing, maintaining and
22 operating a Ronald McDonald House to support the provision of quality
23 pediatric health care to the surrounding communities and the missions of
24 the State University of New York. Such lease or contract shall be for a
25 period not exceeding 50 years without any fee simple conveyance and

1 attorney general and the state comptroller. In the event that the real
2 property that is the subject of such lease or contract shall cease to be
3 used for the purpose described in this act, such lease or contract shall
4 immediately terminate and the real property and any improvements thereon
5 shall revert to the State University of New York. Any lease or contract
6 entered into pursuant to this act shall provide that the real property
7 that is the subject of such lease or contract and any improvements there-
8 on shall revert to the State University of New York on the expiration
9 of such contract or lease.

10 § 3. Any contract or lease entered into pursuant to this act shall be
11 deemed to be a state contract for purposes of article 15-A of the execu-
12 tive law, and any contractor, subcontractor, lessee or sublessee enter-
13 ing into such contract or lease for the construction, demolition, recon-
14 struction, excavation, rehabilitation, repair, renovation, alteration or
15 improvement authorized pursuant to this act shall be deemed a state
16 agency for the purposes of article 15-A of the executive law and subject
17 to the provisions of such article.

18 § 4. Notwithstanding any general, special or local law or judicial
19 decision to the contrary, all work performed on a project authorized by
20 this act where all or any portion thereof involves a lease or agreement
21 for construction, demolition, reconstruction, excavation, rehabili-
22 tation, repair, renovation, alteration or improvement shall be deemed
23 public work and shall be subject to and performed in accordance with the
24 provisions of article 8 of the labor law to the same extent and in the
25 same manner as a contract of the state, and compliance with all the
26 provisions of article 8 of the labor law shall be required of any
27 lessee, sublessee, contractor or subcontractor on the project, including
28 the enforcement of prevailing wage requirements by the fiscal officer as
29 defined in paragraph e of subdivision 5 of section 220 of the labor law
30 to the same extent as a contract of the state.

31 § 5. Notwithstanding any law, rule or regulation to the contrary, the
32 State University of New York shall not contract out to Ronald McDonald
33 House of Long Island, Inc. or any subsidiary for the instruction or any
34 pedagogical functions or services, or any administrative services, and
35 similar professional services currently being performed by state employ-
36 ees. All such functions and services shall be performed by state employ-
37 ees pursuant to the civil service law. Nothing in this act shall result
38 in the displacement of any currently employed state worker or the loss
39 of position (including partial displacement such as reduction in the
40 hours of non-overtime, wages or employment benefits), or result in the
41 impairment of existing contracts for services or collective bargaining
42 rights pursuant to existing agreements. All positions currently at the
43 State University of New York in the unclassified service of the civil
44 service law shall remain in the unclassified service. No services or
45 work on the property described in this act currently performed by public
46 employees or future work that is similar in scope and nature to the work
47 being currently performed by public employees shall be contracted out or
48 privatized by the State University of New York or by an affiliated enti-
49 ty or associated entity of the State University of New York. All such
50 future work shall be performed by public employees.

51 § 6. For the purposes of this act: (a) "project" shall mean work at
52 the property authorized by this act to be leased to Ronald McDonald
53 House of Long Island, Inc. as described in section 11 of this act that
54 involves the design, construction, reconstruction, demolition, excavat-
55 ing, rehabilitation, repair, renovation, alteration or improvement of a
56 Ronald McDonald House.

(b) "project labor agreement" shall mean a pre-hire collective bargaining agreement between a contractor and a labor organization, establishing the labor organization as the collective bargaining representative for all persons who will perform work on the project, and which provides that only contractors and subcontractors who sign a pre-negotiated agreement with the labor organization can perform project work.

Notwithstanding the provisions of any general, special, or local law or judicial decision to the contrary: (a) Ronald McDonald House of Long Island, Inc. may require a contractor awarded a contract, subcontract, lease, grant, bond, covenant or other agreement for a project to enter into a project labor agreement during and for the work involved with such project when such requirement is part of Ground Lessee's request for proposals for the project and when the State University of New York at Stony Brook determines that the record supporting the decision to enter into such an agreement establishes that the interests underlying the competitive bidding laws are best met by requiring a project labor agreement including obtaining the best work at the lowest possible price; preventing favoritism, fraud and corruption; the impact of delay; the possibility of cost savings; and any local history of labor unrest.

(b) If the State University of New York at Stony Brook does not require a project labor agreement, then any contractor, subcontractor, lease, grant, bond, covenant or other agreements for a project shall be awarded pursuant to section 135 of the state finance law.

§ 7. Without limiting the determination of the terms and conditions of such contracts or leases, such terms and conditions may provide for leasing, subleasing, construction, reconstruction, rehabilitation, improvement, operation and management of and provision of services and assistance and the granting of licenses, easements and other arrangements with regard to such grounds and facilities by the Ground Lessee, and parties contracting with the Ground Lessee, and, in connection with such activities, the obtaining of funding or financing, whether public or private, unsecured or secured (including, but not limited to, secured by leasehold mortgages and assignments of rents and leases), by the Ground Lessee and parties contracting with the Ground Lessee for the purposes of completing the project described in this act.

§ 8. Such lease shall include an indemnity provision whereby the lessee or sublessee promises to indemnify, hold harmless and defend the lessor against all claims, suits, actions, and liability to all persons on the leased premises, including tenant, tenant's agents, contractors, subcontractors, employees, customers, guests, licensees, invitees and members of the public, for damage to any such person's property, whether real or personal, or for personal injuries arising out of tenant's use or occupation of the demised premises.

§ 9. Any contracts entered into pursuant to this act between the Ground Lessee and parties contracting with the Ground Lessee shall be awarded by a competitive process.

§ 10. The State University of New York shall not lease lands described in this act unless any such lease shall be executed within five years of the effective date of this act.
