

STATE OF NEW YORK

11077

IN ASSEMBLY

June 4, 2018

Introduced by COMMITTEE ON RULES -- (at request of M. of A. Hevesi) --
read once and referred to the Committee on Higher Education

AN ACT to amend the education law, in relation to requirements for the
re-registration for physicians

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6524 of the education law is amended by adding a
new subdivision 12 to read as follows:

(12) (a) As used in this section:

(i) "Adverse childhood experiences" means stressful or traumatic experiences experienced during childhood, which are strongly related to the development and prevalence of a wide range of health problems throughout a person's lifetime, including, but not limited to physical or sexual abuse; domestic violence; parental mental illness; substance abuse; and incarceration.

(ii) "Continuing medical education organization" means an accreditation council for continuing medical education, a physician specialty organization, or any other appropriate entity, as determined by the commissioner, in consultation with the commissioner of health.

(iii) "Physician specialty organization" means the American Board of Medical Specialties; the American Osteopathic Association Bureau of Professional Education; the American Board of Physician Specialties; the Royal College of Physicians of Canada; and any other entity maintaining standards for and certifying physician specialty certification that is approved by the Accreditation Council of Graduate Medical Education, or any other equivalent entity, as determined by the commissioner, in consultation with the commissioner of health.

(b) No physician may be re-registered unless he or she, as part of the re-registration application, includes an attestation, in a form prescribed by the commissioner, that he or she has previously completed at least four hours of continuing medical education from a continuing medical education organization on the screening of children for adverse childhood experiences; provided, that the commissioner, in consultation

1 with the commissioner of health, shall provide for an exemption process
2 based on the nature of the physician's practice.

3 § 2. This act shall take effect on the one hundred eightieth day after
4 it shall have become a law. Effective immediately, the addition, amend-
5 ment and/or repeal of any rule or regulation necessary for the implemen-
6 tation of this act on its effective date are authorized to be made and
7 completed by the commissioner of education on or before such date.
