б	<u>attorney general public campaign finance system.</u>
7	The legislature additionally finds and determines that a public

14-209. Powers and duties of the board. 1. Advisory opinions. The 1 S 2 board shall render advisory opinions with respect to questions arising 3 under this title upon the written request of a candidate, an officer of 4 a political committee or member of the public, or upon its own initi-5 ative. The board shall promulgate rules regarding reasonable times to б respond to such requests. The board shall make public the questions of interpretation for which advisory opinions will be considered by the 7 8 board and its advisory opinions, including by publication on its webpage 9 with identifying information redacted as the board determines to be 10 appropriate. 11 2. Public information and candidate education. The board shall develop a program for informing candidates and the public as to the purpose and 12 13 effect of the provisions of this title, including by means of a webpage. 14 The board shall prepare in plain language and make available educational materials, including compliance manuals and summaries and explanations 15 16 of the purposes and provisions of this title. The board shall prepare or 17 have prepared and make available materials, including access to an electronic recordkeeping and filing system, to facilitate the task of 18 compliance with the disclosure and recordkeeping requirements of this 19 20 <u>title.</u> 21 3. Rules and regulations. The board shall have the authority to 22 promulgate such rules and regulations and provide such forms as it deems necessary for the administration of this title. 23 4. Database. The board shall develop an interactive, searchable 24 25 computer database that shall contain all information necessary for the 26 proper administration of this title including information on contrib-27 utions to and expenditures by candidates and their authorized political committee, independent expenditures in support or opposition of candi-28 29 dates for covered offices, and distributions of moneys from the fund. 30 Such database shall be accessible to the public on the board's webpage 31 no later than June first, two thousand twenty. 32 § 14-210. Audits and repayments. 1. Audits. The board shall audit and 33 examine all matters relating to the proper administration of this title and shall complete such audit no later than six months after the 34 35 election in question. Every candidate who receives public funds under this title shall be audited by the board. The cost of complying with a 36 37 post-election audit shall be borne by the candidate's authorized poli-38 tical committee using public funds, private funds or any combination of such funds. The authorized political committee of a participating 39 candidate must maintain a reserve of three percent of the public funds 40 received to comply with the post-election audit. Any public reserve 41 42 funds not used shall be remitted to the New York state attorney general 43 campaign finance fund. The board shall issue to each campaign audited a 44 final audit report that details its findings. 45 2. Repayments. (a) If the board determines that any portion of the 46 payment made to a candidate's authorized political committee from the fund was in excess of the aggregate amount of payments that such candi-47 48 date was eligible to receive pursuant to this title, it shall notify such committee and such committee shall pay to the board an amount equal 49 to the amount of excess payments. Provided, however, that if the errone-50 51 ous payment was the result of an error by the board, then the erroneous 52 payment will be deducted from any future payment, if any, and if no 53 payment is to be made then neither the candidate nor the committee shall 54 be liable to repay the excess amount to the board. The candidate, the treasurer and the candidate's authorized political committee are jointly 55 56 and severally liable for any repayments to the board.

1 (b) If the board determines that any portion of the payment made to a 2 candidate's authorized political committee from the fund was used for 3 purposes other than qualified campaign expenditures and such expendi-4 tures were not approved by the board, it shall notify such committee of 5 the amount so disqualified and such committee shall pay to the board an б amount equal to such disqualified amount. The candidate, the treasurer and the candidate's authorized political committee are jointly and 7 8 severally liable for any repayments to the board.

9 (c) If the total of payments from the fund received by a participating 10 candidate's authorized political committee exceed the total campaign 11 expenditures of such candidate's authorized political committee, such candidate's authorized political committee shall use such excess funds 12 13 to reimburse the fund for payments received by such authorized political 14 committee from the fund during such calendar year. Participating candidates' authorized political committees shall pay to the board unspent 15 16 public campaign funds from an election not later than twenty-seven days 17 after all liabilities for the election have been paid and in any event, not later than the day on which the board issues its final audit report 18 for the participating candidate's authorized political committee; 19 provided, however, that all unspent public campaign funds for a partic-20 21 ipating candidate shall be immediately due and payable to the board upon a determination by the board that the participant has delayed the post-22 23 election audit. A participating candidate's authorized political commit-24 tee may make post-election expenditures with public funds only for 25 routine activities involving nominal cost associated with winding up a 26 campaign and responding to the post-election audit. Nothing in this 27 title shall be construed to prevent a candidate or his or her authorized political committee from using campaign contributions received from 28 29 private contributors for otherwise lawful expenditures.

30 3. Rules and regulations. The board shall promulgate regulations for 31 the certification of the amount of funds payable by the comptroller, 32 from the fund established pursuant to section ninety-two-t of the state 33 finance law, to a participating candidate's authorized political commit-34 tee that has qualified to receive such payment. These regulations shall 35 include the periods during which such reports must be filed and the 36 verification required, and the board shall develop forms on which 37 contributions and expenditures are to be reported. The board shall 38 institute procedures which will make possible payment by the fund within four business days after receipt of the required forms and verifica-39 40 tions.

41 § 14-211. Enforcement and penalties for violations and other 42 proceedings. 1. Civil penalties. Such fund shall consist of all revenues received from the New York 8 state attorney general campaign finance fund check-off pursuant to 9 subsection (h) of section six hundred fifty-eight of the tax law, from 10 the abandoned property fund pursuant to section ninety-five of this article, from the general fund, and from all other moneys credited or 11 transferred thereto from any other fund or source pursuant to law. Moneys of the fund, following appropriation by the legislature, may be expended for the purposes of making payments to candidates pursuant 18 19 to title II of article fourteen of the election law and for administra-20 tive expenses related to the implementation of article fourteen of the 21 election law. Moneys shall be paid out of the fund by the state comptroller on vouchers certified or approved by the state board of 22 elections, or its duly designated representative, in the manner 23 24 prescribed by law, not more than five business days after such voucher 25 is received by the state comptroller. 26 4.
