13 among other things, a name change, a change in preferred pronouns, and a  
14 change in social gender expression, as indicated by hairstyle, clothing,

17 § 264. Unlawful actions. 1. Except as provided in subdivision two of

19 facility staff to take any of the following actions wholly or partially  
20 on the basis of a person's actual or perceived sexual orientation,  
21 gender identity or expression, or human immunodeficiency virus (HIV)  
22 status:

23 (a) deny admission to a long-term care facility, transfer or refuse to  
24 transfer a resident within a facility or to another facility, or  
25 discharge or evict a resident from a facility;

26 (b) deny a request by residents to share a room;

27 (c) where rooms are assigned by gender, assigning, reassigning or

30 the transgender resident's request;

31 (d) prohibit a resident from using, or harass a resident who seeks to  
32 use or does use, a restroom available to other persons of the same  
33 gender identity, regardless of whether the resident is making a gender  
34 transition or appears to be gender-nonconforming. Harassment includes,  
35 but is not limited to, requiring a resident to show identity documents  
36 in order to gain entrance to a restroom available to other persons of  
37 the same gender identity;

38 (e) willfully and repeatedly fail to use a resident's preferred name  
39 or pronouns after being clearly informed of the preferred name or  
40 pronouns, even if the resident is not present;

41 (f) deny a resident the right to wear or be dressed in clothing,  
42 accessories, or cosmetics that are permitted for any other resident;

43 (g) restrict a resident's right to associate with other residents or  
44 with visitors, including the right to consensual sexual relations,  
45 unless the restriction is uniformly applied to all residents in a  
46 nondiscriminatory manner; and

47 (h) deny or restrict medical or nonmedical care that is appropriate to  
48 a resident's organ and bodily needs, or provide medical or nonmedical  
49 care in a manner that, to a similarly situated reasonable person, unduly  
50 demeans the resident's dignity or causes avoidable discomfort.

51 2. The provisions of this section shall not apply to the extent that  
52 they are incompatible with any professionally reasonable clinical judg-  
53 ment that is based on articulable facts of clinical significance.

54 3. Each facility shall post the following notice alongside its current  
55 nondiscrimination policy in all places and on all materials where that  
56 policy is posted: "(NAME OF FACILITY) DOES NOT DISCRIMINATE AND DOES

1 NOT PERMIT DISCRIMINATION, INCLUDING, BUT NOT LIMITED TO, BULLYING,  
2 ABUSE, HARASSMENT, OR DIFFERENTIAL TREATMENT ON THE BASIS OF ACTUAL OR  
3 PERCEIVED SEXUAL ORIENTATION, GENDER IDENTITY OR EXPRESSION, OR HIV  
4 STATUS, OR BASED ON ASSOCIATION WITH ANOTHER INDIVIDUAL ON ACCOUNT OF  
5 THAT INDIVIDUAL'S ACTUAL OR PERCEIVED SEXUAL ORIENTATION, GENDER IDENTI-  
6 TY OR EXPRESSION, OR HIV STATUS. YOU MAY FILE A COMPLAINT WITH THE  
7 OFFICE OF THE NEW YORK STATE LONG-TERM CARE OMBUDSMAN PROGRAM (PROVIDE  
8 CONTACT INFORMATION) IF YOU BELIEVE THAT YOU HAVE EXPERIENCED THIS KIND  
9 OF DISCRIMINATION."

10 § 265. Recordkeeping. 1. A facility shall employ procedures for  
11 recordkeeping, including, but not limited to, records generated at the  
12 time of admission, that include the gender identity, correct name, as  
13 indicated by the resident, and pronoun of each resident, as indicated by  
14 the resident and such records will be kept up to date.

15 2. The New York state long-term care ombudsman program shall employ  
16 procedures for recordkeeping of complaints filed from residents of long-  
17 term care facilities pursuant to this article, and shall establish a  
18 method of publicly reporting these complaints while maintaining resi-  
19 dents' individual privacy.

20 § 266. Protection of personally identifiable information. Long-term  
21 care facilities shall protect personally identifiable information  
22 regarding residents' sexual orientation, whether a resident is transgen-  
23 der, a resident's transition history, and HIV status from unauthorized  
24 disclosure, as required by the federal Health Insurance Portability and  
25 Accountability Act of 1996 (42 U.S.C. Sec. 300gg), if applicable, and  
26 any other applicable provision of federal or state law. A facility shall  
27 take any steps reasonably necessary to minimize the likelihood of inad-  
28 vertent or incidental disclosure of that information to other residents,  
29 visitors, or facility staff, except to the minimum extent necessary for  
30 facility staff to perform their duties.

31 § 267. Resident privacy. Long-term care facility staff not directly  
32 involved in providing direct care to a resident, including, but not  
33 limited to, a transgender or gender-nonconforming resident, shall not be  
34 present during physical examination or the provision of personal care to  
35 that resident if the resident is partially or fully unclothed without  
36 the express permission of that resident, or the resident's legally  
37 authorized representative or responsible party. A facility shall use  
38 doors, curtains, screens, or other effective visual barriers to provide  
39 bodily privacy for all residents, including, but not limited to, trans-  
40 gender or gender-nonconforming residents, whenever they are partially or  
41 fully unclothed. In addition, all residents, including, but not limited  
42 to, LGBT or gender-nonconforming residents, shall be informed of and  
43 have the right to refuse to be examined, observed, or treated by any  
44 facility staff when the primary purpose is educational or informational  
45 rather than therapeutic, or for resident appraisal or reappraisal, and  
46 that refusal shall not diminish the resident's access to care for the  
47 primary purpose of diagnosis or treatment.

48 § 268. Training. 1. In addition to other training required by federal  
49 or state laws, long-term care facilities shall provide existing employ-  
50 ees and new hires access to the online learning tool "Building Respect  
51 for LGBT Older Adults," which is available on the National Resource  
52 Center on LGBT Aging internet website (www.lgbtagingcenter.org).

53 2. At least once every two years, a long-term care facility shall  
54 ensure that each facility staff member who works directly with residents  
55 receives training on cultural competency focusing on patients who iden-  
56 tify as LGBT. The instruction required by subdivision one of this

1 section shall teach attitudes, knowledge, and skills that enable facili-  
2 ty staff to care effectively for residents who identify as LGBT, which  
3 may include:

4 (a) understanding and applying relevant data concerning health dispar-  
5 ities and risk factors for patients seeking clinical care who identify  
6 as LGBT;

7 (b) legal requirements pertaining to patients who identify as LGBT;

8 (c) best practices for collection, storage, use, and confidentiality  
9 of information regarding sexual orientation and gender identity;

10 (d) best practices for training support staff regarding treatment of  
11 patients who identify as LGBT and their families; and

12 (e) understanding the intersections between systems of oppression and  
13 discrimination, recognizing that those who identify as LGBT may experi-  
14 ence these systems in varying degrees of intensity, addressing underly-  
15 ing cultural biases, and providing nondiscriminatory care.

16 3. Facility staff required to receive training under this section  
17 shall receive the training within six months of hire unless the person  
18 provides proof of having received comparable training within the prior  
19 two years that the facility determines complies with this section. If  
20 the facility accepts the person's proof of prior training, a record of  
21 the content of the prior training sufficient to determine its compliance  
22 with this section must be kept on site at the facility.

23 4. The department of health, in conjunction with the office for the  
24 aging, shall develop and implement regulations for the conduct of train-  
25 ing as required by this section.

26 § 269. Application. Nothing in this article should be construed to  
27 impede existing programs, benefits, or protections for LGBT residents at  
28 long-term care facilities.

29 § 270. Violations. 1. A violation of the provisions of this article  
30 shall be treated as a violation under section twelve of the public  
31 health law.

32 2. Any facility that intentionally violates any provision of this  
33 article shall be liable, in a civil action or proceeding maintained by  
34 one of more residents of the long-term care facility, for injunctive  
35 relief, damages, or any other appropriate relief in law or equity. If it  
36 shall appear to the satisfaction of the court or justice that the facil-  
37 ity has, in fact, violated a provision of this article, an injunction  
38 may be issued by such court or justice, enjoining and restraining any  
39 further violation, without requiring proof that any resident of the  
40 long-term care facility has, in fact, been injured or damaged thereby.

41 § 2. This act shall take effect on the thirtieth day after it shall  
42 have become a law. Effective immediately, the addition, amendment or  
43 repeal of any rule or regulation necessary for the implementation of  
44 this act on its effective date are authorized to be made on or before  
45 such date.
