1 not voluntarily provided to the requesting party. In making the determinations, the court shall review any victim's statement and any relevant materials and evidence submitted by the sex offender and the district 3 attorney and the court may consider reliable hearsay evidence submitted by either party provided that it is relevant to the determinations. Facts previously proven at trial or elicited at the time of entry of a plea of guilty shall be deemed established by clear and convincing 7 evidence and shall not be relitigated. The court shall render an order 9 setting forth its determinations and the findings of fact and conclu-10 sions of law on which the determinations are based. A copy of the order 11 shall be submitted by the court to the division. Upon application of either party, the court shall seal any portion of the court file or 12 13 record which contains material that is confidential under any state or 14 federal statute. Either party may appeal as of right from the order 15 pursuant to the provisions of articles fifty-five, fifty-six and fiftyseven of the civil practice law and rules. Where counsel has been 16 assigned to represent the sex offender upon the ground that the sex 17 offender is financially unable to retain counsel, that assignment shall 18 19 be continued throughout the pendency of the appeal, and the person may 20 appeal as a poor person pursuant to article eighteen-B of the county 21 law.

§ 2. Subdivision 2 of section 168-k of the correction law, as amended by chapter 684 of the laws of 2005, is amended to read as follows:

The division shall advise the board that the sex offender has established residence in this state. The board shall determine whether the sex offender is required to register with the division. If it is determined that the sex offender is required to register, the division shall notify the sex offender of his or her duty to register under this article and shall require the sex offender to sign a form as may be required by the division acknowledging that the duty to register and the 31 procedure for registration has been explained to the sex offender. The division shall obtain on such form the address where the sex offender expects to reside within the state and the sex offender shall retain one 34 copy of the form and send two copies to the division which shall provide the information to the law enforcement agency having jurisdiction where the sex offender expects to reside within this state. No later than thirty days prior to the board making a recommendation, the sex offender shall be notified that his or her case is under review and that he or she is permitted to submit to the board any information relevant to the review. After reviewing any information obtained, and applying the guidelines and risk assessment instrument established in subdivision five of section one hundred sixty-eight-l of this article, the board shall within sixty calendar days make a recommendation regarding the level of notification pursuant to subdivision six of section one hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. This recommendation shall be confidential and shall not be available for public inspection. It shall be submitted by the board to the county court or supreme court and to the district attorney in the county of residence of the sex offender and to the sex offender. It shall be the duty of the county court or supreme court in the county of residence of the sex offender, applying the guidelines and risk assessment instrument established in subdivision five of section one hundred sixty-eight-l of this article, to determine the level of notification pursuant to subdivision six of section one

hundred sixty-eight-l of this article and whether such sex offender shall be designated a sexual predator, sexually violent offender, or predicate sex offender as defined in subdivision seven of section one 3 hundred sixty-eight-a of this article. At least thirty days prior to the determination proceeding, such court shall notify the district attorney and the sex offender, in writing, of the date of the determination 7 proceeding and the court shall also provide the district attorney and sex offender with a copy of the recommendation received from the board 9 and any statement of the reasons for the recommendation received from 10 the board. This notice shall include the following statement or a 11 substantially similar statement: "This proceeding is being held to determine whether you will be classified as a level 3 offender (risk of 12 13 repeat offense is high), a level 2 offender (risk of repeat offense is 14 moderate), or a level 1 offender (risk of repeat offense is low), or 15 whether you will be designated as a sexual predator, a sexually violent 16 offender or a predicate sex offender, which will determine how long you 17 must register as a sex offender and how much information can be provided 18 to the public concerning your registration. If you fail to appear at this proceeding, without sufficient excuse, it shall be held in your 19 20 absence. Failure to appear may result in a longer period of registration 21 or a higher level of community notification because you are not present to offer evidence or contest evidence offered by the district attorney." 22 The court shall also advise the sex offender that he or she has a right 23 a hearing prior to the court's determination, that he or she has the 24 25 right to be represented by counsel at the hearing and that counsel will 26 appointed if he or she is financially unable to retain counsel. A 27 returnable form shall be enclosed in the court's notice to the sex offender on which the sex offender may apply for assignment of counsel. 28 29 If the sex offender applies for assignment of counsel and the court 30 finds that the offender is financially unable to retain counsel, the 31 court shall assign counsel to represent the sex offender pursuant to 32 article eighteen-B of the county law. If the district attorney seeks a 33 determination that differs from the recommendation submitted by the board, at least ten days prior to the determination proceeding the 34 35 district attorney shall provide to the court and the sex offender 36 statement setting forth the determinations sought by the district attor-37 ney together with the reasons for seeking such determinations. The court 38 shall allow the sex offender to appear and be heard. The state shall 39 appear by the district attorney, or his or her designee, who shall bear 40 the burden of proving the facts supporting the determinations sought by 41 clear and convincing evidence. It shall be the duty of the court apply-42 ing the guidelines and risk assessment instrument established in subdi-43 vision five of section one hundred sixty-eight-l of this article to determine the level of notification pursuant to subdivision six of 44 45 section one hundred sixty-eight-1 of this article and whether such sex 46 offender shall be designated a sexual predator, sexually violent offen-47 der, or predicate sex offender as defined in subdivision seven of section one hundred sixty-eight-a of this article. Where there is a 48 dispute between the parties concerning the determinations, the court 49 shall adjourn the hearing as necessary to permit the sex offender or the 50 51 district attorney to obtain materials relevant to the determinations 52 from the state board of examiners of sex offenders or any state or local facility, hospital, institution, office, agency, department or division. 54 Such materials may be obtained by subpoena if not voluntarily provided 55 to the requesting party. The board shall develop guidelines and procedures and use a validated risk assessment instrument to assess the risk of a repeat offense by such sex offender and the threat posed to the public safety. Such risk assessment instrument shall be periodically subjected to empirical <u>re-validation.</u> Such guidelines shall [be based upon,] incorporate factors found to be predictive of risk of re-offense, including but not limited to, the following:

 - (b) other criminal history factors to be considered in determining risk, including:
 - (i) the relationship between such sex offender and the victim;
 - (ii) whether the offense involved the use of a weapon, violence or infliction of serious bodily injury;
 - (iii) the number, date and nature of prior offenses;
- (c) conditions of release that minimize risk [ex] of re-offense, including but not limited to whether the sex offender is under supervision; receiving counseling, therapy or treatment; or residing in a 54 home situation that provides guidance and supervision;

After each 15 16 such study the board shall prepare a detailed report to the governor and 17 legislature determining the predictive value of the risk assessment instrument and the predictive value of each factor considered in the 18 overall risk assessment when applied to the statewide database main-19 20 tained pursuant to paragraph (a) of this subdivision. The report shall 21 include recommended changes to the guidelines and risk assessment 22 instrument to enhance their predictive capabilities for the purpose of periodic revalidation of such guidelines and risk assessment instrument 23 24 pursuant to subdivision five of this section.
