27	NEW YORK HORSE GRAZING PROGRAM
28	Section 291. Short title.

34 35	<u>§ 291-a. Legislative intent. The legislature hereby finds, determines</u>
35 36	and declares that the New York equine industry has a substantial impact
37 38	on the overall economic health and well-being of the state and the graz- ing pastures used by horses provides an aesthetically pleasing land-
39	scape. The ability of farmers within the state to efficiently and
40	effectively graze horses on the farm using the best known methods would
41	provide them with a substantial competitive advantage and help them to
42	remain viable in the future. It is in the interest of the state to
43	provide programs that would assist commercial horse operations within
44	the state by providing incentives for technical assistance programs to
45	help farmers graze horses in the most effective way possible.
46	§ 291-b. Definitions. For purposes of this article, the following
47	terms shall have the following meanings:
48	<u>1. "Program" shall mean the New York horse grazing program.</u>
49	2. "Horse" shall have the same definition as in subdivision four of
50	section ninety-b of this chapter.
51	3. "Grazing" shall mean feeding on grass, or other plant crop in a

8	or improvement of technical assistance programs that assist operators
9	with incorporating the best horse grazing practices.
10	§ 291-d. Matching grant program. Subject to the availability of
11	funds, a matching grant program is hereby established to help fund the
12	costs of improvements that would allow an eligible applicant to make
13	improvements to its operation for the purpose of providing for on-site
14	value added processing of agricultural products. Grants to eligible
15	applicants shall not exceed one hundred thousand dollars.
16	§ 5. Section 326 of the agriculture and markets law, as added by chap-
