establish a process to post on such department's website, in a timely manner, all relevant written comments received pertaining to rate filings or applications. The insurer shall provide a copy of the notice 3 4 to the superintendent with the rate filing or application. The superintendent shall immediately cause the notice to be posted on the department of financial services' website. The superintendent shall determine 7 whether the filing or application shall become effective as filed, shall 8 become effective as modified, or shall be disapproved. The superinten-9 dent may modify or disapprove the rate filing or application if the superintendent finds that the premiums are unreasonable, excessive, 10 inadequate, or unfairly discriminatory, and may consider the financial 11 condition of the insurer when approving, modifying or disapproving any 12 13 premium adjustment. The determination of the superintendent shall be 14 supported by sound actuarial assumptions and methods, and shall be rendered in writing between thirty and sixty days from the date the rate 15 16 filing or application is submitted to the superintendent. Should the 17 superintendent require additional information from the insurer in order to make a determination, the superintendent shall require the insurer to 18 furnish such information, and in such event, the sixty days shall be 19 20 tolled and shall resume as of the date the insurer furnishes the infor-21 mation to the superintendent. If the superintendent requests additional 22 information less than ten days from the expiration of the sixty days (exclusive of tolling), the superintendent may extend the sixty day 23 24 period an additional twenty days to make a determination. The application or rate filing will be deemed approved if a determination is not 25 26 rendered within the time allotted under this section. An insurer shall 27 not implement a rate adjustment unless the insurer provides at least sixty days advance written notice of the premium rate adjustment 28 approved by the superintendent to each policy holder and certificate 29 30 holder affected by the rate adjustment.

§ 3. This act shall take effect immediately.
