Introduced by M. of A. ORTIZ -- read once and referred to the Committee on Transportation

AN ACT in relation to authorizing the commissioner of transportation to conduct a study regarding feasibility of expanding freight railroad service within the state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The commissioner of transportation is authorized and  
2 directed to conduct a study regarding the feasibility of expanding  
3 freight railroad service within the state. Such study shall focus on the  
4 costs and benefits of such an expansion, and shall include, but not  
5 limited to:
- 6 1. the economic impact of freight rail service on cities and other  
7 local municipalities;
- 8 2. the environmental impact of expanded freight railroad service,  
9 including but not limited to:
- 10 a. the impact of noise on the affected environment resulting from,  
11 engine idling, whistle blowing and general train operation;
- 12 b. the impact of engine emissions on air quality;
- 13 c. the impact of such service on local ecosystems and habitats;
- 14 3. the economic impact of freight railroad service on other freight  
15 delivery carriers;
- 16 4. the economic costs to repair and maintain expanded freight railroad  
17 service to make it a viable option for freight delivery as compared to  
18 other freight delivery carriers;
- 19 5. the potential to build additional intermodal railroad yards, and  
20 repair, expand and modernize existing intermodal railroad yards through-  
21 out the state to serve as hubs for the loading and unloading of freight;
- 22 6. the availability of capital grants from the federal government to  
23 assist in funding such a project;

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
