IN ASSEMBLY

January 17, 2017

Introduced by M. of A. PEOPLES-STOKES, HARRIS -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law, in relation to prescription drug formulary changes during a contract year

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The insurance law is amended by adding a new section 4909 to read as follows:

§ 4909. Prescription drug formulary changes. (a) A health care plan required to provide essential health benefits shall not, except as otherwise provided in subsection (b) of this section, remove a prescription drug from a formulary:

(i) if the formulary includes two or more tiers of benefits providing for different deductibles, copayments or coinsurance applicable to the prescription drugs in each tier, move a drug to a tier with a larger deductible, copayment or coinsurance, or

(ii) add utilization management restrictions to a formulary drug, unless such changes occur at the time of enrollment or issuance of coverage. Such prohibition shall apply beginning on the date on which open enrollment begins for a plan year and through the end of the plan year to which such open enrollment period applies.

(b) (i) A health care plan with a formulary that includes two or more tiers of benefits providing for different deductibles, copayments or coinsurance applicable to prescription drugs in each tier may move a prescription drug to a tier with a larger deducible, copayment or coinsurance if an AB-rated generic drug for such prescription drug is added to the formulary at the same time.

(ii) A health care plan may remove a prescription drug from a formulary if the federal food and drug administration determines that such drug should be removed from the market.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
