1 (d) "Pet insurance" shall mean insurance, whether provided under an
2 individual or group insurance policy that provides coverage for veteri-
3 nary expenses.

4 (e) "Preexisting condition" shall mean any condition, whether curable
5 or incurable, which existed or presented on or before the pet insurance
6 policy effective date, whether or not a veterinarian provided a medical
7 diagnosis or for which the pet received treatment.

8 (f) "Veterinarian" shall mean an individual who holds a valid license
9 to practice veterinary medicine from an appropriate licensing entity in
10 the jurisdiction in which he or she practices.

11 (g) "Veterinary expenses" shall mean the costs associated with medical
12 advice, diagnosis, care, treatment or alternative therapies, provided by
13 a veterinarian, including, but not limited to, the cost of drugs
14 prescribed by a veterinarian.

15 (h) "Waiting period" shall mean the period of time specified in a
16 policy of pet insurance before coverage begins under such policy.

17 (i) "Rescue animal" shall include but not be limited to any animal
18 that is (a) adopted from a shelter, (b) adopted from a rescue organiza-
19 tion with foster care, or (c) a stray animal or abandoned animal not
20 from a shelter or rescue organization, including animals surrendered to
21 a veterinarian.

22 § 4251. Applicability. A policy of pet insurance that is marketed,
23 issued, amended, renewed, or delivered, whether or not in New York, to a
24 New York resident, on and after July first, two thousand nineteen,
25 regardless of the situs of the contract or group policyholder, or the
26 jurisdiction in which the contract was issued or delivered, is subject
27 to this article.

28 § 4252. Coverage disclosures and requirements. (a) No policy of pet
29 insurance may be issued if such policy excludes any of the following: a
30 pre-existing condition; a congenital anomaly or disorder; a hereditary
31 disorder; or a chronic condition.

32 (b) (1) Exclusions from coverage other than those set forth in
33 subsection (a) of this section are permissible if prominently disclosed
34 following the statement: "Exclusions may apply. Please refer to the
35 exclusions section of the policy for more information."

36 (2) If any policy of pet insurance provides a limit on coverage
37 through a waiting period, a deductible, co-insurance or an annual or
38 lifetime policy limit, the following shall apply:

39 (i) the waiting period for accident coverage shall not exceed one day
40 after purchase or payment of the initial premium. Except as provided in
41 the preceding sentence (relating to accident coverage), there shall be
42 no waiting period;

43 (ii) the deductible, if any, shall be an annual deductible; and

44 (iii) the waiting period, deductible, co-insurance requirements and/or
45 annual or lifetime limits, if any, shall be prominently disclosed. Such
46 disclosure shall appear or be summarized on the first page of such poli-
47 cy or shall be referred to on the first page in a manner that clearly
48 indicates where such provisions appear in such policy.

49 (3) If such policy includes any other exclusion, the following state-
50 ment shall be included in bold font large enough to be easily visible:
51 "Other exclusions may apply. Please refer to the exclusions section of
52 the policy for more information."

53 (4) Review of denied claims shall be handled by a veterinarian and
54 determinations shall be made based on a standard of reasonable medical
55 certainty. In the event a claim has been denied following an initial or

1 first level review, a secondary review shall be handled by an unaffil-
2 iated, independent veterinarian.

3 (c) (1) Coverage under a policy of pet insurance shall be continuous
4 so long as premiums are paid, regardless of any change of ownership of
5 the covered animal.

6 (2) Each policy of pet insurance shall be transferable and be assigna-
7 ble to a new owner of a covered animal.

8 (3) Renewal of a policy of pet insurance shall not be denied based on
9 claims history or age of the covered animal.

10 (4) Premiums shall not be increased based on claims history.

11 (5) Premium increases shall be approved by the superintendent and such
12 approval shall be made available to the public at least sixty days prior
13 to the effective date of such increase.

14 (d) If a pet insurer uses any of the definitional terms of this arti-
15 cle in a policy of pet insurance, the insurer shall use the definitions
16 of those terms as set forth in this article and include the definition
17 of the term in the policy. The pet insurer shall also make the defi-
18 nition available through a link on the main page of the insurer's inter-
19 net website.

20 (e) If a pet insurer uses any of the definitional terms of this arti-
21 cle in a policy of pet insurance, the insurer shall use the definition
22 of those terms as set forth in this article and include the definition
23 of the term in the policy. The pet insurer shall also make that defi-
24 nition available through a link on the main page of the insurer's inter-
25 net website.

26 (f) A pet insurer shall clearly disclose a summary description of the
27 basis or formula on which the insurer determines claim payments under a
28 pet insurance policy within the policy and through a link on the main
29 page of the insurer's internet website.

30 (g) A pet insurer that uses a benefit schedule to determine claim
31 payments under a pet insurance policy shall do both of the following:

32 (1) clearly disclose the applicable benefit schedule in the policy;
33 and

34 (2) disclose all benefit schedules used by the insurer under its pet
35 insurance policies through a link on the main page of the insurer's
36 internet website.

37 (h) A pet insurer that determines claim payments under a pet insurance
38 policy based on usual and customary fees, or any other reimbursement
39 limitation based on prevailing veterinary service provider charges,
40 shall do both of the following:

41 (1) include a usual and customary fee limitation provision in the
42 policy that clearly describes the insurer's basis for determining usual
43 and customary fees and how that basis is applied in calculating claim
44 payments; and

45 (2) disclose the insurer's basis for determining usual and customary
46 fees through a link on the main page of the insurer's internet website.

47 (3) any pet insurance company which does business in this state shall
48 be prohibited from imposing any limitations on such type of legal reme-
49 dies that policyholders may seek to pursue for resolution of disputes
50 relating to such policy, including denials of coverage at any stage. No
51 pet insurance company may limit or attempt to limit resolution of
52 disputes by policyholders to binding arbitration, so as to preclude a
53 policyholder from seeking remedies in courts of law.

54 (i) The insurer shall create a summary of all policy provisions
55 required in this section into a separate document titled "Insurer
56 Disclosure of Important Policy Provisions."

1 (j) The insurer shall post the "Insurer Disclosure of Important Policy
2 Provisions" document required in this section through a link on the main
3 page of the insurer's internet website.

4 (k) (1) In connection with the issuance of a new pet insurance policy,
5 the insurer shall provide the consumer with a copy of the "Insurer
6 Disclosure of Important Policy Provisions" document required pursuant to
7 this section in at least twelve point type when it delivers the policy.

8 (2) In addition, the pet insurance policy shall have clearly printed
9 thereon or attached thereto a notice stating that, after receipt of the
10 policy by the owner, the policy may be returned by the insured for
11 cancellation by delivering it or mailing it to the insurer or to the
12 agent through whom it was purchased.

13 (i) The period of time set forth by the insurer for return of the
14 policy shall be clearly stated on the notice, and this free look period
15 shall be not less than thirty days. The insured may return the policy
16 to the insurer or the agent through whom the policy was purchased at any
17 time during the free look period specified in the notice.

18 (ii) The delivery or mailing of the policy by the insured pursuant to
19 this section shall void the policy from the beginning, and the parties
20 shall be in the same position as if a policy or contract had not been
21 issued.

22 (iii) All premiums paid and any policy fee paid for the policy shall
23 be refunded to the insured within thirty days from the date that the
24 insurer is notified of the cancellation. However, if the insurer has
25 paid any claim, or has advised the insured in writing that a claim will
26 be paid, the thirty day free look right pursuant to this section is
27 inapplicable and instead the policy provisions relating to cancellation
28 apply to any refund.

29 (l) The disclosures required in this section shall be in addition to
30 any other disclosure requirements required by law or regulation.

31 § 4253. Penalties. (a) A person who violates any provision of this
32 article is liable to the state for a civil penalty to be determined by
33 the superintendent, not to exceed five thousand dollars for each
34 violation, or, if the violation was willful, a civil penalty not to
35 exceed ten thousand dollars for each violation. The superintendent may
36 establish the acts that constitute a distinct violation for purposes of
37 this section. However, when the issuance, amendment, or servicing of a
38 policy or endorsement is inadvertent, all of those acts constitute a
39 single violation for purposes of this section.

40 (b) The penalty imposed by this section shall be imposed by and deter-
41 mined by the superintendent. The penalty imposed by this section is
42 appealable.

43 § 4254. Violations. (a) Whenever the superintendent shall have reason
44 to believe that a person has engaged or is engaging in this state in a
45 violation of this article, and that a proceeding by the superintendent
46 in respect thereto would be to the interest of the public, he or she
47 shall issue and serve upon that person an order to show cause containing
48 a statement of the charges in that respect, a statement of that person's
49 potential liability under this part, and a notice of a hearing thereon
50 to be held at a time and place fixed therein, which shall not be less
51 than thirty days after the service thereof, for the purpose of determin-
52 ing whether the superintendent should issue an order to that person to
53 pay the penalty imposed by this article and to cease and desist those
54 methods, acts, or practices, or any of them, that violate this article.

55 (b) If the charges are found to be justified, the superintendent shall
56 issue and cause to be served upon that person an order requiring that

1 person to pay the penalty imposed by this article and to cease and
2 desist from engaging in those methods, acts, or practices found to be in
3 violation of this article.

4 (c) Hearings shall be conducted according to the procedure designated
5 by the superintendent. However, the superintendent shall not interfere
6 with or abridge the rights of a policyholder's right to seek remedies in
7 a court of law.

8 (d) Parties to such hearings shall be entitled to have the proceedings
9 and the order reviewed by means of any remedy provided by the super-
10 intendent.

11 (e) The jurisdiction of the superintendent shall not be exclusive and
12 nothing in this article shall be deemed to preclude review by the attor-
13 ney general of the state of New York.

14 § 4255. Rules and regulations. The superintendent may adopt reason-
15 able rules and regulations, as are necessary to administer this article,
16 in accordance with existing procedures under this chapter, however, no
17 rules or regulations may interfere with or abridge a policyholder's
18 right to seek remedies in a court of law.

19 § 2. This act shall take effect on the thirtieth day after it shall
20 have become a law.
