AN ACT to amend the education law, the insurance law and the public health law, in relation to providing for dispensing emergency contraception under certain conditions

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "unintended pregnancy prevention act".  
3 § 2. Legislative findings. The United States Food and Drug Adminis-  
4 tration (FDA) has declared emergency contraceptive drugs to be safe and  
5 effective. There is neither medical nor public health research that  
6 validates an age restriction on access to emergency contraception (EC).  
7 Furthermore, no specific medical conditions preclude a woman from using  
8 EC. The only contraindication to EC use is pregnancy itself, not because  
9 it represents a danger to the woman or to the embryo but because it  
10 would be inefficient in preventing the pregnancy. Pregnancy prevention,  
11 not abortion, is caused by the use of emergency contraceptive drugs.  
12 The legislature deems it necessary to guarantee immediate access to EC  
13 to all, especially young women. Nearly thirty percent of United States  
14 teenage girls become pregnant before reaching twenty years of age. Teens  
15 are more likely than adults to experience contraceptive failure, which  
16 may lead to unintended pregnancies and consequently dangerous medical  
17 issues for both mother and baby.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD07629-02-8

1 The legislature deems it necessary to create a structure for simplify-  
2 ing access to EC for these women, while respecting and preserving the  
3 prescribing scope of practice for physicians, nurse practitioners, and  
4 midwives; the treating and case-finding scope of practice of registered  
5 professional nurses; and the dispensing scope of practice of pharma-  
6 cists. This act does not alter the scope of such professions, nor does  
7 this legislation interfere with non-prescription access to EC where it  
8 is otherwise lawful.

9 § 3. Subdivision 6 of section 6527 of the education law, as added by  
10 chapter 573 of the laws of 1999, paragraph (c) as amended by chapter 464  
11 of the laws of 2015, paragraph (d) as added by chapter 429 of the laws

14 of 2015 and paragraph (g) as added by chapter 502 of the laws of 2016,
